Notes to the Abbreviated Accounts for the Period Ended 31st March 2013

1. Accounting policies

Basis of measurement and preparation of accounts

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (Effective April 2008)

Turnover policy

The turnover shown in the profit and loss account represents revenue earned during the period, exclusive of value added tax.

Tangible fixed assets depreciation policy

Where relevant, depreciation is provided, after taking account of any grants receivable, at annual rates calculated to write off the assets over their estimated useful economic lives.

Intangible fixed assets amortisation policy

Where relevant, intangible fixed assets (including purchased goodwill and patents) are amortised at rates calculated to write off the assets on a straight line basis over their estimated useful economic lives (not to exceed twenty years) Impairment of intangible assets will be reviewed where circumstances indicate that the carrying value of an asset may not be fully recovered.

Other accounting policies

Where relevant, assets obtained under hire purchase contracts or leases are capitalised in the balance sheet. Those held under hire purchase contracts are depreciated over their estimated useful lives; those held under finance leases are depreciated over their estimated useful lives or lease term, whichever is shorter. The interest element of these obligations is charged to the profit and loss account over the relevant period. The capital element of the future payments is treated as a liability. Rentals paid under operating leases are charged to the profit and loss account on a straight line basis over the period of the lease.
