1. Joint Administrators' final progress reports for the periods ended 11 April 2011

Introduction

In accordance with Rule 2.38 and Rule 2.42 of the Insolvency (Scotland) Rules 1986 ("ISR86"), the Joint Administrators ("the Administrators") write to provide creditors with details of the progress of the Administrations of Adventi Limited ("Adventi"), Scotsys Limited ("Scotsys") and Integral Arm Limited ("Integral") (together "the Companies") since the Administrators' previous report dated 18 November 2010. This is the Administrators' final progress report.

Background information and initial actions taken by the Administrators

Details of the background to, and actions taken since the Administrators' appointments are contained in the Administrators' initial progress reports dated 18 November 2010.

Stock

Scotsys owned stock was sold by the Administrators to a third party, realising a total of £9,675.

Book debts

To date, book debts of £487,293.50 have been collected in respect of Scotsys and £7,610 has been collected in respect of Integral against book debts totalling £549,338 and £28,596 respectively. We do not anticipate any further book debt realisations in respect of Scotsys or Integral.

Receipts and payments accounts

Accounts of the receipts and payments for the Companies for the final periods ended 11 April 2011 are included at section 3 to this report.

Outcome for creditors

Adventi has no realisable assets, therefore there has been no dividend available to secured, preferential or unsecured creditors.

Scotsys' preferential creditors of £45,202 have been paid in full. The Administrators are not aware of any preferential creditors in respect of Integral.

The Companies' assets are secured by a bond and floating charge in favour of the respective bankers. The Companies' bankers have suffered a shortfall under their securities and there is insufficient property to enable a distribution to be made to unsecured creditors other than by virtue of the prescribed part as provided by section 176A(2)(a) of IA86.

The Administrators currently estimate that the value of the Scotsys and Integral net property to be £324,517 and nil respectively, and therefore the value of the prescribed part to be made available to unsecured creditors is estimated at £67,903 and nil respectively.

Funds in respect of the Scotsys prescribed part will be passed to its Liquidators, who will distribute these in due course.

The Administrators are unable to confirm the exact quantum of dividends available for the unsecured creditors of Scotsys at the time. A further update will be provided following the completion of the adjudication process by the Liquidators.

Administrators' remuneration

In accordance with Rule 2.39 ISR86, the Administrators'remuneration is approved by the secured and preferential creditors of the Companies. To date remuneration of £146,000 (plus VAT) for Scotsys, £10,000 (plus VAT) for Adventi and £5,849 (plus VAT) for Integral has been approved and drawn, together with out of pocket expenses of£595 (plus VAT), £2,006 (plus VAT) and £854 (plus VAT) respectively.

Actual time costs incurred by the Administrators and their staff to date total £252,041 at an average hourly rate of £220 in terms of Scotsys, £16,947 at an average hourly rate of £206 in terms of Adventi and £28,180 at an average hourly rate of £218 in terms of Integral currently representing 1,354 hours at an average hourly rate of £219.

1. Joint Administrators' final progress reports for the periods ended 11 April 2011

The Administrators' exit routes from Administration will file notices on Form 2.26B(Scot) in respect of Adventi and Integral with the Registrar of Companies which will move the Companies from Administration to dissolution in terms of paragraph 844 of Schedule B1 IA86. The Administrators' appointment to Adventi and Integral will cease to have effect when the Registrar registers these notices.

In terms of Scotsys, the Administrators will file notice on Form 2.25B(Scot) with the Registrar of Companies to move the Company from Administration to CVL in terms of paragraph 83(3) of Schedule B1 IA86. The Administrators' appointment to Scotsys will cease to have effect when the Registrar registers this notice.

4. The Administrators' original approved Proposals

2. The Administrators' statement of proposals

c. Proposals for achieving the purpose of the Administration

The Administrators make the following proposals for achieving the purpose of the Administrations. These proposals should be read as applying separately to each individual Company.

i) The Administrators will continue to manage and finance the Companies' businesses, affairs and property from asset realisations in such manner as they consider expedient with a view to achieving a better result for the Companies' creditors as a whole than would be likely if the Companies were wound up (without first being in Administration), failing which, realising property in order to make a distribution to one or more secured or preferential creditors.

ii) The Administrators may investigate and, if appropriate, pursue any claims that the Companies may have under the Companies Act 1985 or IA86 or otherwise. In addition, the Administrators shall do all such other things and generally exercise all their powers as Administrators as they in their discretion consider desirable in order to achieve the purpose of the Administration or to protect and preserve the assets of the Companies or to maximise their realisations or for any other purpose incidental to these proposals.

iii) If the Administrators think that funds will become available for unsecured creditors, the Administrators may at their discretion establish in principle the claims of unsecured creditors for adjudication by a subsequent liquidator or supervisor of a company voluntary arrangement / scheme of arrangement and that the costs of so doing be met as a cost of the Administration as part of the Administrators' remuneration or out of the prescribed part as costs associated with the prescribed part.

iv) If the Administrators think that funds will become available for unsecured creditors, the Administrators may at their discretion make an application to court for permission to make distributions to unsecured creditors under Paragraph 65(3) Sch.B1 IA86.

v) In the event that creditors requisition a meeting in the prescribed manner by at least 10% in value of creditors, within 12 days of the date on which these proposals are circulated, then at that meeting a creditors' committee may be established if sufficient creditors are willing to act on it. Where the Administrators consider it appropriate, they will seek sanction from the committee to a proposed action rather than convening a meeting of all creditors.

vi) If a creditors' committee is formed, the Administrators will consult with the creditors' committee concerning the necessary steps to extend the Administration beyond the statutory duration of one year if an extension is considered advantageous. The Administrators shall either apply to the court or seek consent from the appropriate classes of creditors for an extension.

2. The Administrators' statement of proposals

vii) The Administrators may use any or a combination of "exit route" strategies in order to bring the Administration to an end, but in this particular instance the Administrators are likely to wish to pursue the following options as being the most cost effective and practical in the present circumstances:

(a) If it transpires that there are insufficient funds with which to make a distribution to unsecured non-preferential creditors, once all of the assets have been realised and the Administrators have concluded all work within the Administration, the Administrators will file a notice under Paragraph 84(1) Sch.B1 IA86 with the Registrar of Companies, following registration of which the Company will be dissolved three months later.

(b) If it transpires that there are sufficient funds with which to make a distribution to unsecured non-preferential creditors, once asset disposals are complete, the Administrators will place the Company into creditors' voluntary liquidation. In these circumstances, it is proposed that JB Cartwright and GD Frost be appointed as Joint Liquidators and any act required or authorised to be done by the Joint Liquidators may be done by either or both of them. In accordance with Paragraph 83(7) Sch.B1 IA86 and Rule 2. 47(3) ISR86, creditors may nominate alternative liquidators, provided that the nomination is made after the receipt of these proposals and before they are approved.

viii) The Administrators shall be discharged from liability pursuant to Paragraph 98(1) Sch.B1 IA86 in respect of any action of theirs as Administrators at a time resolved by the secured creditor, or if a distribution has been or may be made to the preferential creditors, at a time resolved by the secured and preferential creditors or in any case at a time determined by the court.

ix) It is proposed that the Administrators' fees be fixed under Rule 2.39 of I(S)R86.

x) Category 2 disbursements (as defined by Statement of Insolvency Practice 9 (Scotland)) be charged in accordance with their firm's policy.
