## DIRECTORS AND TRUSTEES REPORT (INCLUDING DIRECTORS' REPORT) FOR THE YEAR ENDED 31 DECEMBER 2017

The directors and trustees present their report and financial statements for the year ended 31 December 2017.

The accounts have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the charitable company governing documents, the Companies Act 2006, the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standards applicable in the UK and Republic of Ireland (FRS 102).

### Objectives and activities

The charitable company's objects are :-

- to relieve suffering, hardship and distress and promote the relief of need among men or women who have at any time served with the King's Own Scottish Borderers, and their families and dependants, by making grants of money, loans or guarantees.
- to act as administrators of the "King's Own Scottish Borderers War Memorial and War Relief Funds".
- to make contributions to or otherwise support charitable or benevolent bodies and to make donations for any public purpose connected with the activities of the charitable company or with the furtherance of its objects.

The directors and trustees have paid due regard to guidance issued by the Office of the Scottish Charity Regulator in deciding what activities the charitable company should undertake.

### Achievements and performance

During the year the fund has continued to support former members of the King's Own Scottish Borderers and their families and dependants in accordance with the aims and objectives set out above. It is anticipated that these activities will continue for the foreseeable future.

The performance of the investments of the charitable company has been satisfactory and there is a healthy position in the General Fund, which allows the charitable company to continue to meet the current calls on the funds.

Several donations were received during the year, each gratefully acknowledged. Income tax is reclaimed wherever possible on donations under the Gift Aid Scheme.

Applications from K.O.S.B. veterans and their families for Welfare assistance and Benevolence grants are now processed and almonised by RHQ SCOTS. Financial assistance remains funded by the K.O.S.B. Association.

I am also grateful to the Branch and Re-union Secretaries who, along with many others, especially the volunteers, help with the work of the Association. Their input will become ever more valuable in the years to come.

I wish to thank my fellow directors and trustees for their contribution during what has been another busy year; they have many other commitments aside from their role as directors and trustees, and their input has been both vital and very much appreciated by myself and the wider Regimental family.

#### Statement of directors and trustees responsibilities

The directors and trustees, who are also the directors of The K.O.S.B. Association Funds for the purpose of company law, are responsible for preparing the Directors and Trustees Report and the accounts in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the directors and trustees to prepare accounts for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that year.

In preparing these accounts, the directors and trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the accounts; and
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The directors and trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the accounts comply with the Companies Act 2006, the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006. #### INDEPENDENT EXAMINER'S REPORT

### TO THE DIRECTORS AND TRUSTEES OF THE K.O.S.B. ASSOCIATION FUNDS

I report on the financial statements of the charitable company for the year ended 31 December 2017, which are set out on pages 6 to 18.

### Respective responsibilities of directors and trustees and examiner

The charitable company's Directors and Trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006. The charitable company's Directors and Trustees consider that the audit requirement of Regulation 10(1) (a) to (c) of the 2006 Accounts Regulations does not apply. It is my responsibility to examine the accounts as required under section 44(1) (c) of the Act and to state whether particular maters have come to my attention.

### Basis of independent examiner's statement

My examination was carried out in accordance with the Regulation 11 of the Charities Accounts (Scotland) Regulations 2006. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeks explanations from the directors and trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

#### Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- (a) which gives me reasonable cause to believe that in any material respect the requirements:
  - (i) to keep accounting records in accordance with Section 44(1) (a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations, and
  - (ii) to prepare accounts which accord with the accounting records and comply with Regulation 8 of the 2006 Accounting Regulations;

have not been met or

(b) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

The K.O.S.B. Association Funds is a private company limited by guarantee incorporated in Scotland. The registered office is The House of Narrow Gates, St. Boswells, Roxburghshire, TD6 0AX.

### 1.1 Accounting convention

The accounts have been prepared in accordance with the charitable company's governing document, the Companies Act 2006, the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006 (as amended) and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2016). The charitable company is a Public Benefit Entity as defined by FRS 102.

The charitable company has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

The accounts are prepared in sterling, which is the functional currency of the charitable company. Monetary amounts in these financial statements are rounded to the nearest £.

The accounts have been prepared under the historical cost convention, modified to include the revaluation of fixed asset investments to market value. The principal accounting policies adopted are set out below.

### 1.2 Going concern

At the time of approving the financial statements, the directors and trustees have a reasonable expectation that the charitable company has adequate resources to continue in operational existence for the foreseeable future. Thus the directors and trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

### 1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the directors and trustees in furtherance of their charitable objectives unless the funds have been designated for other purposes.

## NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 DECEMBER 2017

### 1 Accounting policies

(Continued)

### 1.4 Incoming resources

Income is recognised when the charitable company is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charitable company has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Membership subscriptions are recognised in the year in which they are received.

Legacies are recognised at the earlier of the date that the notification of distribution is received or that the legacy is received.

Turnover is measured at the fair value of the consideration received or receivable and represents amounts receivable for goods and services provided in the normal course of business and inclusive of VAT and other sales related taxes.

#### 1.5 Resources expended

All expenditure is accounted for on an accruals basis. Costs are allocated to appropriate headings, based on the activities to which they are attributable.

Costs of generating funds are the costs of Christmas cards and Regimental items sold in the year.

Management and administration costs are those incurred in connection with the administration of the charitable company and compliance with constitutional and statutory requirements.

### 1.6 Stocks

Stocks are stated at the lower of cost and estimated selling price less costs to complete and sell. Cost comprises direct materials and, where applicable, direct labour costs and those overheads that have been incurred in bringing the stocks to their present location and condition. Items held for distribution at no or nominal consideration are measured the lower of replacement cost and cost.

Net realisable value is the estimated selling price less all estimated costs of completion and costs to be incurred in marketing, selling and distribution.

#### 1.7 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

#### 1.8 Financial instruments

The charitable company has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charitable company's balance sheet when the charitable company becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

### NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 DECEMBER 2017

### 1 Accounting policies

(Continued)

#### Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

#### Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

### Derecognition of financial liabilities

Financial liabilities are derecognised when the charitable company's contractual obligations expire or are discharged or cancelled.

### 1.9 Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the charitable company is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

### 1.10 Fixed asset investments

Fixed asset investments are initially measured at transaction price excluding transaction costs, and are subsequently measured at fair value at each reporting date. Changes in fair value are recognised in net income/(expenditure) for the year. Transaction costs are expensed as incurred.

### 2 Critical accounting estimates and judgements

In the application of the charitable company's accounting policies, the directors and trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.
