Notes to the Abbreviated Accounts For The Period 31 March 2015 to 31 March 2016

1. ACCOUNTING POLICIES

Accounting convention

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2015).

Turnover

Turnover, which excludes value added tax and trade discounts, represents invoiced sales of goods and services supplied during the year. Work carried out but not completed or invoiced at the year end has been brought into sales for the year.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Fixtures and fittings - 15% on reducing balance Computer equipment - 25% on reducing balance

Deferred tax

Full provision is made for deferred tax assets and liabilities arising from all timing differences between the recognition of gains and losses in the financial statement and recognition in the tax computation.

A net deferred tax asset is recognised only if it can be regarded as more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted.

Deferred tax assets and liabilities are calculated at the tax rates expected to be effective at the time the timing differences are excepted to reverse.

Deferred tax assets and liabilities are not discounted.
