1. ACCOUNTING POLICIES

Accounting convention

The financial statements are prepared under the historical cost convention, as modified for the revaluation of certain fixed assets. They are also prepared in accordance with the Financial Reporting Standard for Smaller Entities (effective June 2002).

Turnover

Turnover represents net invoiced sales of services, excluding value added tax.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Fixtures and fittings - 10% on reducing balance

No depreciation is provided on the freehold property which is included at cost. It is the company's policy to maintain freehold properties in a state of good repair and the directors consider that the life of this property and its residual value are such that depreciation is not significant. Accordingly no depreciation is required.
