1. Joint Administrators' progress report for the six months ended 5 June 2016

Introduction

In accordance with Rule 2.38 of the Insolvency (Scotland) Rules 1986 ("ISR86"), the Joint Administrators ("the Administrators") write to provide creditors with details of the progress of the Administration of Stewarts of Edinburgh Limited ("the Company") since the Administrators' previous report dated 22 December 2015.

Background information and initial actions taken by the Administrators

Details of the background to, and actions taken since our appointment are contained in the Administrators' proposals dated 30 January 2012 and the progress reports dated 13 July 2012, 17 December 2012, 4 July 2013, 20 December 2013, 7 July 2014, 22 December 2014, 9 July 2015 and 22 December 2015.

Realisation of assets in the six month period

Creditors may recall that the Company had a Fixed Rate Loan and a Modified Participating Fixed Rate Loan and that the Clydesdale Bank plc ("the Bank") had conducted a review of the loans which resulted in an offer of redress for the Modified Participating Fixed Rate Loan which the Administrators accepted. The Bank then exercised their right to set the redress offer against their remaining debt, reducing their claim against the Company by £189,183. This means that more funds resulting from recoveries already made from other assets will be available for unsecured creditors (rather than being distributed to the Bank under their prior ranking securities).

No offer of redress has been received in relation to the Fixed Rate Loan. In this case the Bank did not consider there had been mis-selling or that the loans were linked. The Administrators queried this assessment with the Bank in September 2015 and are currently awaiting the Bank's response.

Receipts and payments account

An account of the receipts and payments in the Administration for the period 6 December 2015 to 5 June 2016 is set out in section 3 to this report.

Receipts in the period comprise interest earned of £502 on funds invested.

Payments in the period consist of:

- Legal and other professional costs of £1,082; and
- Corporation tax of £240.

Outcome for creditors

Preferential Creditors

The preferential creditors totalling £82,109 have been paid in full

Secured Creditor

The Bank held a standard security over the heritable property at 1 Lister Road, Livingston and holds a floating charge over the Company's assets. The amount due to the Bank at the date of the Administrators' appointment was approximately £1,001,000. As a result of the settlement in relation to the Modified Participating Fixed Rate Loan, and other previous realisations, the debt due to the Bank has been settled.

Ordinary Creditors

Realisations have been sufficient to permit a small distribution of circa 1p to 1.5p in the £ to ordinary creditors. The amount and timing is dependent on finalising the interest rate hedging position, agreeing the tax position and adjudicating and agreeing unsecured creditors' claims. An adjudication on the claims of the ordinary creditors will shortly be finalised in anticipation of the eventual distribution of funds in the estate. We have instructed our legal agents to apply to the Court for permission for the Administrators to distribute to the unsecured creditors.

Joint Administrators' progress report for the six months ended 5 June 2016

Extension of Administration

On 20 November 2015 the Court of Session granted an Order extending the period of the Administration to 5 December 2016.

In order to finalise the Administration by 5 December 2016, the Administrators require to finalise the interest rate hedging position, agree the tax position with HMRC and adjudicate on the unsecured creditors' claims.

In the event that the Administrators are unable to bring these matters to a close by 5 December 2016, a further extension of the Administration may be required and an application to the court, pursuant to Paragraph 76(2) of Schedule B1 to the Insolvency Act 1986 ("Sch.B1 IA86") will be made.

Creditors who have any objection to such an extension should provide details of their objection in writing to Margaret Wilson at the address on the front of this report or by telephone 0141 355 4292 within 14 days of receiving this report. You may also wish to send a copy of such objections to the Court of Session, Parliament House, Parliament Square, Edinburgh, EH1 1RQ, marked for the attention of the Commercial Court Clerk.

Administrators' remuneration

The Adminstrators' remuneration is approved by the creditors. To 6 June 2012, the Administrators have had approval for and have drawn remuneration of £200,000 representing 986.35 hours at an average hourly rate of £202.77, in accordance with the resolutions passed by the meeting by correspondence.

We are seeking approval of our remuneration and outlays for the period 6 June 2012 to 5 June 2016 by way of a meeting held by correspondence.

Creditors' rights

You can find a note explaining the rights of creditors in relation to our fees and expenses, and how to request further information, online at:

Next report

The Adminstrators' next report to creditors will be at the earlier of the conclusion of the Administration or in approximately six months.

Dissolution

Unknown — the value of the claim in respect of the interest rate hedging is unknown at present and the quantum of creditors' claims is unclear

Realisations have been sufficient to repay the debt due to the secured creditor in full. Accordingly, a surplus of funds is available for distribution to ordinary creditors. The quantum and timing of the proposed distribution is dependent on the finalisation of the IRHP position, finalisation of the tax position, agreement of the claims of the ordinary creditors and approval of the Administrators' remuneration

The Administrators do not intend to make an application to Court under Section 176A(5) of the Insolvency Act 1986 to disapply the prescribed Part if the economic benefits to the body of the creditors are outweighed by the costs of adjudication.
