Directors' report For the year ended 31 December 2015

The directors submit their annual report together with the audited financial statements of Laser Shef Limited (formerly MREF Sheffield Limited) (the "Company") for the year ended 31 December 2015.

Change of company name

The company changed its name from MREF Sheffield Limited to Laser Shef Limited with effect from 1 September 2015.

Principal activity

The Company's principal activity during the year was that of property investment.

In February 2015, the Company's ultimate beneficial owners, Moorfield Real Estate Fund "A" Limited Partnership and Moorfield Real Estate Fund "B" Limited Partnership disposed of their interest in the Company to LSREF3 Laser Holdings (Jersey) Limited. In December 2015, LSREF3 Laser Holdings (Jersey) Limited indirectly transferred its interest in the Company to LSREF3 Laser (Mercure) Limited. Amaris Hospitality DAC is the indirect parent company of both the Company and LSREF3 Laser (Mercure) Limited at 31 December 2015.

Going concern

The directors are of the opinion that preparing the financial statements on a going concern basis is appropriate based on the forecast trading performance of the Company, the confirmation that has been received from LSREF3 Laser (Mercure) Limited and in turn from LSREFIII Laser Investments Limited that the financing facilities provided will not require repayment for a period of at least twelve months from the date of signing the financial statements, and the confirmation that has been received from LSREF3 Laser (Mercure) Limited and in turn from LSREFIII Laser Investments Limited that they will provide continuing financial support for a period of at least twelve months from the date of signing the financial statements.

Results and dividends

During the year-ended 31 December 2015 the Company transitioned from UK GAAP to FRS 101. Details of this transition are provided in Note 2 to the financial statements.

The results of the Company for the year are set out in the profit and loss account on page 7 and in the related notes.

There were no dividends proposed during the year (2014 - £nil).

Directors and secretary and their interests

The directors of the Company who were in office during the year and up to the date of signing the financial statements were:

Marc Gilbard (resigned 6 May 2015)
Nicholas Edwards (resigned 6 May 2015)
Charles Ferguson-Davie (resigned 6 May 2015)
Heiko Figge (resigned 6 May 2015)
Steven Hall (resigned 6 May 2015)
Robert Gray (appointed 6 May 2015)
Neal Morar (appointed 6 May 2015)

The directors and secretary who held office at 31 December 2015 had no interests in the shares, loan stock or debentures of the Company or the entity's ultimate parent undertaking.

Subsequent events

There were no events subsequent to the balance sheet date that require adjustment to or disclosure in the financial statements.

Political donations

Directors' report For the year ended 31 December 2015

The Company made no political donations during the year (2014 - £nil).

Statement of disclosure of information to auditors

Each of the persons who are directors at the time when this Directors' report is approved has confirmed that:

- so far as that director is aware, there is no relevant audit information of which the Company's auditors are unaware, and
- that director has taken all the steps that ought to have been taken as a director in order to be aware of any relevant audit information and to establish that the Company's auditors are aware of that information.

Independent auditors

Pursuant to Section 487 of the Companies Act 2006, the auditor, PricewaterhouseCoopers LLP, Chartered Accountants, will be deemed to be reappointed and will therefore continue in office.

Small companies' exemption

This report has been prepared in accordance with the special provisions relating to small companies within Part 15 of the Companies Act 2006.

By order of the Board

Neal Morar Director

Date: 25 May 2016

Statement of directors' responsibilities For the year ended 31 December 2015

The directors are responsible for preparing the Directors' report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have prepared the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 101 Reduced Disclosure Framework (FRS 101).

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit of the Company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable United Kingdom Accounting Standards, including FRS 101 have been followed, subject to any material departures disclosed and explained in the financial statements;
- notify its shareholders in writing about the use of disclosure exemptions, if any, of FRS 101 used in the
 preparation of financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and the Group and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and the Group and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The directors are responsible for the maintenance and integrity of the Company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Independent auditors' report to the members of Laser Shef Limited (formerly MREF Sheffield Limited)

Report on the financial statements

Our opinion

In our opinion, Laser Shef Limited (formerly MREF Sheffield Limited)'s financial statements (the "financial statements"):

- give a true and fair view of the state of the Company's affairs as at 31 December 2015 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

What we have audited

The financial statements, included within the Annual report, comprise:

- the Balance sheet as at 31 December 2015;
- · the Profit and loss account for the year then ended;
- the Statement of comprehensive income for the year then ended;
- the Statement of changes in equity for the year then ended; and
- the notes to the financial statements, which include a summary of significant accounting policies and other explanatory information.

The financial reporting framework that has been applied in the preparation of the financial statements is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS 101 Reduced Disclosure Framework.

In applying the financial reporting framework, the directors have made a number of subjective judgements, for example in respect of significant accounting estimates. In making such estimates, they have made assumptions and considered future events.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion, the information given in the Directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements.

Other matters on which we are required to report by exception

Adequacy of accounting records and information and explanations received

Under the Companies Act 2006 we are required to report to you if, in our opinion:

- we have not received all the information and explanations we require for our audit; or
- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns.

We have no exceptions to report arising from this responsibility.

Directors' remuneration

Under the Companies Act 2006 we are required to report to you if, in our opinion, certain disclosures of directors' remuneration specified by law have not been made. We have no exceptions to report arising from this responsibility.

Independent auditors' report to the members of Laser Shef Limited (formerly MREF Sheffield Limited)

Entitlement to exemptions

Under the Companies Act 2006 we are required to report to you if, in our opinion, the directors were not entitled to: prepare financial statements in accordance with the small companies' regime, take advantage of the small companies' exemption in preparing the Directors' report and take advantage of the small companies' exemption from preparing a Strategic report. We have no exceptions to report arising from this responsibility.

Our responsibilities and those of the directors

As explained more fully in the Statement of directors' responsibilities statement set out on page 4, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view.

Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland) ("ISAs (UK & Ireland)"). Those standards require us to comply with the Auditing Practices Board's (APB's) Ethical Standards for Auditors.

This report, including the opinions, has been prepared for and only for the Company's members as a body in accordance with Chapter 3 of Part 16 of the Companies Act 2006 and for no other purpose. We do not, in giving these opinions, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

What an audit of financial statements involves

We conducted our audit in accordance with ISAs (UK & Ireland). An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of:

- whether the accounting policies are appropriate to the Company's circumstances and have been consistently applied and adequately disclosed;
- the reasonableness of significant accounting estimates made by the directors; and
- the overall presentation of the financial statements.

We primarily focus our work in these areas by assessing the directors' judgements against available evidence, forming our own judgements, and evaluating the disclosures in the financial statements.

We test and examine information, using sampling and other auditing techniques, to the extent we consider necessary to provide a reasonable basis for us to draw conclusions. We obtain audit evidence through testing the effectiveness of controls, substantive procedures or a combination of both.

In addition, we read all the financial and non-financial information in the Annual report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Notes to the financial statements For the year ended 31 December 2015

1. Reporting entity

Laser Shef Limited (formerly MREF Sheffield Limited) is a Company incorporated in the United Kingdom. The Company's registered office is 17 Dominion Street, London, EC2M 2EF.

2. Significant accounting policies

2.1 Basis of preparation of financial statements

These financial statements were prepared in accordance with Financial Reporting Standard 101 Reduced Disclosure Framework ("FRS 101").

In preparing these financial statements, the Company applies the recognition, measurement and disclosure requirements of International Financial Reporting Standards as adopted by the EU ("EU IFRSs"), but makes amendments where necessary in order to comply with the Companies Act 2006 and has set out below where advantage of the FRS 101 disclosure exemptions have been taken.

In these financial statements the Company has adopted FRS 101 for the first time.

In the transition to FRS 101, the Company has applied IFRS 1 whilst ensuring that its assets and liabilities are measured in compliance with FRS 101. An explanation of how the transition to FRS 101 has affected the reported financial position and financial performance of the Company is provided in note 22.

In these financial statements, the Company has adopted certain disclosure exemptions available under FRS 101. These include:

- a Cash flow statement and related notes:
- disclosures in respect of the compensation of key management personnel;
- disclosures in respect of transactions with wholly owned subsidiaries;
- disclosures in respect of capital management;
- · certain comparative information;
- the effects of new but not yet effective IFRSs; and
- an additional balance sheet for the beginning of the earliest comparative period following transition.

As the consolidated financial statements of Amaris Hospitality DAC include the equivalent disclosures, the Company has also taken the exemption under FRS 101 available in respect of the following:

- certain disclosures required by IFRS 13 Fair Value Measurement and the disclosures required by IFRS 7 Financial Instrument Disclosures; and
- certain disclosures required by IAS 36 Impairment of Assets.

The accounting policies set out below have, unless otherwise stated, been applied consistently to all periods presented in these financial statements and in preparing an opening FRS 101 balance sheet at 1 January 2013 for the purposes of the transition to FRS 101.

Judgements made by the directors, in the application of these accounting policies that have significant effect on the financial statements and estimates with a significant risk of material adjustment in the next year are discussed below.

2.2 Basis of measurement

These financial statements have been prepared on the historical cost basis.

Notes to the financial statements
For the year ended 31 December 2015

2. Significant accounting policies (continued)

2.3 Functional currency

These financial statements are presented in Sterling, being the functional currency of the Company. All financial information presented in Sterling has been rounded to the nearest thousand, except where otherwise stated.

2.4 Use of estimates and judgements

In preparing these financial statements management has made judgements, estimates and assumptions that affect application of the Company accounting policies and the reported amounts of assets, liabilities, income and expenses. Such estimates and judgements are based on historical experience and other factors, including expectation of future events that are believed to be reasonable. Actual outcomes may differ from these estimates.

The key accounting judgement and estimate in these financial statements is:

Carrying amount of investment property – Note 10

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to estimates are recognised prospectively.

2.5 Going concern

The directors are of the opinion that preparing the financial statements on a going concern basis is appropriate based on the forecast trading performance of the Company, the confirmation that has been received from LSREF3 Laser (Mercure) Limited and in turn from LSREFIII Laser Investments Limited that the financing facilities provided will not require repayment for a period of at least twelve months from the date of signing the financial statements, and the confirmation that has been received from LSREF3 Laser (Mercure) Limited and in turn from LSREFIII Laser Investments Limited that they will provide continuing financial support for a period of at least twelve months from the date of signing the financial statements.

2.6 Measurement of fair values

A number of the Company's accounting policies and disclosures require the measurement of fair values. When measuring the fair value of an asset or liability the Company uses market observable data as far as possible.

2.7 Revenue

Turnover comprises rental income, excluding value added tax. Rentals receivable under operating leases are credited to the profit and loss account on an accruals basis over the term of the lease. Any initial advance receipt in relation to operating leases is treated as part of the rentals receivable and accordingly these receipts are credited to the profit and loss account on a straight line basis over the period of the lease and are classified within deferred income.

2.8 Finance income and finance costs

Interest income or expenses are recognised using the effective interest method.

Notes to the financial statements
For the year ended 31 December 2015

2. Significant accounting policies (continued)

2.9 Taxation

Income tax expense comprises current and deferred tax. It is recognised in the profit and loss account except to the extent that it relates to items recognised in other comprehensive income or directly in equity, in which case it is recognised in other comprehensive income or directly in equity.

Current tax is the expected tax payable on the taxable income for the year using tax rates and laws that have been enacted or substantively enacted at the reporting date, and any adjustment to tax payable in respect of previous years.

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and amounts used for taxation purposes. Deferred tax is not recognised for the following temporary differences: those differences arising from the initial recognition of assets or liabilities in a transaction that is not a business combination and that affects neither accounting nor taxable profit, and differences relating to investments in subsidiaries to the extent that the Group is able to control the timing of reversal and it is probable that they will not reverse in the foreseeable future. In addition, deferred tax is not recognised for taxable temporary differences arising on the initial recognition of goodwill.

A deferred tax asset is recognised to the extent that it is probable future taxable profits will be available against which the temporary difference can be utilised. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realised.

Deferred tax is measured at the tax rates that are expected to be applied to the temporary differences when they reverse, based on the laws that have been enacted or substantively enacted by the reporting date. Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets, and they relate to income taxes levied by the same tax authority on the same taxable entity, or on different entities, but they intend to settle current tax

2.10 Investment property

Investment property is initially measured at cost and subsequently at fair value with any changes therein recognised in profit or loss.

Any gain or loss on disposal of investment property (calculated as the difference between the net proceeds from disposal and the carrying amount of the item) is recognised in profit or loss.

2.11 Trade and other receivables

Trade and other receivables are measured at their nominal amount less any allowance for doubtful amounts. An allowance is made when collection of the full amount is no longer considered probable.

Notes to the financial statements For the year ended 31 December 2015

2. Significant accounting policies (continued)

2.12 Financial instruments

The Company classifies non-derivative financial assets into the following categories: financial assets at fair value through profit or loss, held-to-maturity financial assets, loans and receivables and available-for-sale financial assets.

The Company classifies non-derivative financial liabilities into the other financial liabilities category.

(i) Non-derivative financial assets and financial liabilities – recognition and derecognition

The Company initially recognises loans and receivables issued on the date when they are originated. All other financial assets and financial liabilities are initially recognised on the trade date.

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred, or it neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control over the transferred asset. Any interest in such derecognised financial assets that is created or retained by the Company is recognised as a separate asset or liability.

The Company derecognises a financial liability when its contractual obligations are discharged or cancelled, or expire.

Financial assets and financial liabilities are offset and the net amount presented in the statement of financial position when, and only when, the Company has a legal right to offset the amounts and intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

(ii) Non-derivative financial assets - measurement

Loans and receivables

These assets are initially recognised at fair value plus any directly attributable transaction costs. Subsequent to initial recognition, they are measured at amortised cost using the effective interest method.

(iii) Non-derivative financial liabilities – measurement

Non-derivative financial liabilities are initially recognised at fair value less any directly attributable transaction costs. Subsequent to initial recognition, these liabilities are measured at amortised cost using the effective interest method.

(iv) Ordinary shares

Ordinary shares are classified as equity. Incremental costs directly attributable to the issue of ordinary shares are recognised as a deduction from equity, net of any tax effects.

Ordinary dividends declared as final dividends are recognised as a liability in the period in which they are approved by shareholders. Interim dividends are recognised as a liability when declared.

Notes to the financial statements For the year ended 31 December 2015

2. Significant accounting policies (continued)

2.13 Provisions and contingent liabilities

A provision is recognised when the Company has a present legal or constructive obligation as a result of a past event, it is probable that an outflow of economic benefits will be required to settle the obligation and the amount of that outflow can be measured reliably. If the effect is material, provisions are measured by discounting the expected future cash flows at a pre-tax rate that reflects current market assessment of the time value of money and the risks specific to the liability.

Where it is not probable that an outflow of economic benefits will be required, or the amount cannot be estimated reliably, the obligation is disclosed as a contingent liability, unless the probability of an outflow of economic benefits is remote. Possible obligations, whose existence will only be confirmed by the occurrence or non-occurrence of one or more future events, are also disclosed as contingent liabilities unless the probability of an outflow of economic benefits is remote.

3. Turnover

All turnover is derived from the Company's main activity and comprises of rental income, excluding value added tax.

4. Operating profit - continuing activities

Auditors' remuneration was borne by another group company in both years.

5. Staff costs

The Company had no employees during the year (2014 - nil).

6. Directors' remuneration

There was no remuneration paid to the directors by the Company during the year (2014 - £nil). There were no retirement benefits accruing to the directors (2014 - £nil).

7. Interest receivable and similar income

9. Tax on profit on ordinary activities (continued)

Factors that may affect future tax charges

Changes to the UK corporation tax rates were substantively enacted as part of Finance Bill 2015 on 26 October 2015. These include reductions to the main rate to reduce the rate to 19% from 1 April 2017 and to 18% from 1 April 2020. Deferred taxes at the balance sheet date have been measured using these enacted tax rates and reflected in these financial statements.

19. Related party transactions

The Company has availed of the exemptions available in FRS 101 from disclosing transactions entered into between two or more members of a group and also key management personnel compensation disclosures.

There were no other related party transactions.

20. Guarantees

The Company is a guarantor to LSREFIII Laser Investments Limited's £592.5m 3 year sterling term loan. The loan matures on 6 February 2018 and requires mandatory principal repayments over the life of the loan. As of the date of signing of these financial statements, £90m had been repaid on the facility with a further £58m due to be repaid within 12 months from the date of signing the Company's financial statements in order to meet the mandatory repayment conditions of the loan. The Directors of LSREFIII Laser Investments Limited expect to meet the remaining mandatory repayments through the disposal of certain assets owned by its subsidiaries, including their investment properties.

21. Subsequent events

There were no events subsequent to the balance sheet date that require adjustment to or disclosure in the financial statements.

Notes to the financial statements For the year ended 31 December 2015

22. First time adoption of FRS 101

As stated in note 2, these are the Company's first financial statements prepared in accordance with FRS 101.

The accounting policies set out in note 2 have been applied in preparing the financial statements for the year ended 31 December 2015, the comparative information presented in these financial statements for the year ended 31 December 2014 and in the preparation of an opening FRS 101 balance sheet at 1 January 2014 (the Company's date of transition).

In preparing its opening FRS 101 Balance sheet, the Company has adjusted amounts reported previously in financial statements prepared in accordance with UK GAAP (previous GAAP). An explanation of how the transition from previous GAAP to FRS 101 has affected the Group's financial position and financial performance is set out in the following tables and the notes that accompany the tables.

Explanation of changes to previously reported profit and equity:

- 1 Upon transition to FRS 101, the Company recognised deferred tax liabilities in respect of uncrystallised chargeable gains that would arise from the disposal of the group's investment properties.
- 2 On transition to FRS 101 the property, plant and equipment within this Company has been accounted for in line with IAS 40 as it comprises property held to earn rental income. Previously losses were recognised in equity to the extent that they were considered to be temporary in nature. Under FRS 101, all losses have been transferred to retained earnings as under IAS 40 fair value gains and losses are recognised in profit or loss.
