**Notes to the Abbreviated Accounts
for the Year Ended 30 June 2014**

1. ACCOUNTING POLICIES

Accounting convention

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

At the year end the company had net current liabilities of £45,987. However, with the continued support of the director, its subsidiaries and associated companies, the company will be able to meet its debts as they fall due.

In addition, the director believes that current and future sources of funding will be more than adequate for the company's needs. As such, it is therefore appropriate that the financial statements be prepared on the going concern basis.

Preparation of consolidated financial statements

The financial statements contain information about Alchemist Estates Limited as an individual company and do not contain consolidated financial information as the parent of a group. The company has taken the option under Section 398 of the Companies Act 2006 not to prepare consolidated financial statements.

Turnover

Turnover represents property management charges in the period, net of value added tax.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Fixtures and fittings	- 20% on reducing balance
Computer equipment	- 20% on reducing balance

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Deferred tax is provided at the average rates that are expected to apply when the timing differences reverse, based on current tax rates and laws. Deferred tax is not provided on timing differences arising from the revaluation of fixed assets where there is no commitment to sell the asset. Deferred tax assets and liabilities are not discounted.

Hire purchase and leasing commitments

Rentals paid under operating leases are charged to the profit and loss account on a straight line basis over the period of the lease.
