VIRIDOR ELECTRICAL RECYCLING (HOLDINGS) LIMITED

NOTES TO THE FINANCIAL STATEMENTS

1. General information

Viridor Electrical Recycling (Holdings) Limited is a company registered in the United Kingdom under the Companies Act 2006. The address of the registered office is 1 Exchange Crescent, Conference Square, Edinburgh EH3 8UL. The nature of the Company's operations and its principal activities are set out in the Directors' Report on page 1.

2. Principal accounting policies

The principal accounting policies adopted in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented.

(a) Basis of preparation

These financial statements have been prepared on the historical cost accounting basis and in accordance with International Financial Reporting Standards ('IFRS'), and International Financial Reporting Interpretations Committee ('IFRIC') interpretations as adopted by the European Union, and with those parts of the Companies Act 2006 applicable to companies reporting under IFRS. A summary of the principal accounting policies is set out below, together with an explanation where changes have been made to previous policies on the adoption of new accounting standards and interpretations in the year.

New or revised standards or interpretations which were mandatory for the first time in the year beginning 1 April 2019 did not have a material impact on the net liabilities or results of the Company.

The preparation of financial statements in conformity with IFRS requires the use of estimates and assumptions which affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Although these estimates are based on management's best assessment of the amounts, actual events or actions and results may ultimately differ from those estimates.

(b) Basis of consolidation

The Company is exempt under the provisions of Section 400 of the Companies Act 2006 from the requirement to produce group financial statements as it is a wholly owned subsidiary of Viridor Limited, which is registered in the European Economic Area and which itself produces consolidated financial statements. Accordingly the financial statements are presented for the Company as an individual undertaking. Group financial statements are included in the Annual Report of Viridor Limited, which is available from Viridor House, Priory Bridge Road, Taunton, Somerset, TA1 1AP.

(c) Investment in subsidiary undertakings

Investments in subsidiary undertakings are initially recorded at cost, being the fair value of the consideration paid. Subsequently, investments are reviewed for impairment on an individual basis annually, or if the events or changes in circumstances indicate that the carrying value may not be fully recoverable.

(d) Financial instruments

The Company classifies its financial instruments in the following category:

Trade and other payables

Trade and other payables are not interest bearing and are initially recognised at fair value and subsequently measured at amortised cost using the effective interest method.

(e) Share capital

Ordinary shares are classified as equity.
