INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF

PRAMERICA (GP2) LIMITED

REPORT ON THE FINANCIAL STATEMENTS

Our Opinion

In our opinion the financial statements, defined below:

- give a true and fair view of the state of the Company's affairs as at 31 December 2013 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

This opinion is to be read in the context of what we say in the remainder of this report.

What we have audited

The financial statements, which are prepared by Pramerica (GP2) Limited, comprise:

- the Balance Sheet as at 31 December 2013;
- the Profit and Loss Account for the year then ended;
- the Reconciliation of Movements in Shareholders' Funds for the year then ended; and
- the notes to the financial statements, which include a summary of significant accounting policies and other explanatory information

The financial reporting framework that has been applied in their preparation is applicable law and the United Kingdom Generally Accepted Accounting Practice.

In applying the financial reporting framework, the directors have made a number of subjective judgements, for example in respect of significant accounting estimates. In making such estimates, they have made assumptions and considered future events.

What an audit of financial statements involves

We conducted our audit in accordance with International Standards on Auditing (UK and Ireland) ("ISAs (UK & Ireland)"). An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of:

- whether the accounting policies are appropriate to the Company's circumstances and have been consistently applied and adequately disclosed;
- the reasonableness of significant accounting estimates made by the directors; and
- the overall presentation of the financial statements.

In addition, we read all the financial and non-financial information in the Annual Report and Financial Statements to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

OPINION ON MATTER PRESCRIBED BY THE COMPANIES ACT 2006

In our opinion the information given in the Report of the Directors for the financial year for which the financial statements are prepared is consistent with the financial statements.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF

PRAMERICA (GP2) LIMITED (continued)

- the financial statements are not in agreement with the accounting records and returns.

We have no exceptions to report arising from this responsibility.

Directors' remuneration

Under the Companies Act 2006 we are required to report to you if, in our opinion, certain disclosures of directors' remuneration specified by law are not made. We have no exceptions to report arising from this responsibility.

RESPONSIBILITIES FOR THE FINANCIAL STATEMENTS AND THE AUDIT

Our responsibilities and those of the directors

As explained more fully in the Directors' Responsibilities Statement set out on page 4, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view.

Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and ISAs (UK & Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

This report, including the opinions, has been prepared for and only for the Company's members as a body in accordance with Chapter 3 of Part 16 of the Companies Act 2006 and for no other purpose. We do not, in giving these opinions, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

NOTES TO THE FINANCIAL STATEMENTS for the year ended 31 December 2013

1. ACCOUNTING POLICIES

These financial statements are prepared on a going concern basis, under the historical cost convention, in accordance with the Companies Act 2006 and conform with applicable United Kingdom Accounting Standards. The directors consider that the accounting policies set out below are suitable, have been consistently applied and are supported by reasonable and prudent judgements and estimates.

(a) *Cash flow statement*

The Company is exempt from the requirement to prepare a cash flow statement under Financial Reporting Standard Number 1 (Revised 1996) - Cash Flow Statements, as the cash flows of the Company are included in the consolidated cash flow statement of the ultimate parent company, Prudential Financial, Inc.

(b) *Related party transactions*

In accordance with the exemption afforded by paragraph 3 (c) of Financial Reporting Standard Number 8 – Related Party Disclosures, certain details of transactions with parent and fellow subsidiary companies are not disclosed, as the Company is a wholly owned subsidiary of a group whose consolidated financials statements are publicly available.

(c) *Fixed asset investments*

Investments are stated at historic cost less provision for any permanent diminution in value.

(d) *Turnover*

The Company's general partner's profit share receivable from the Partnership is recognised on the accruals basis. It is a fixed sum due for each relevant accounting period and is payable in priority from any available cash distributions made by the Partnership. Carried interest income distributed by the Partnership arising from the performance results of holdings in the underlying investments in real estate operating companies and business ventures is accounted for once an entitlement has arisen.

(e) *Taxation*

Deferred taxation is recognised in respect of all timing differences that have originated but not reversed at the Balance Sheet date, where transactions or events that result in an obligation to pay more tax in the future or a right to pay less tax in the future have occurred at the Balance sheet date.

A net deferred tax asset is recognised as recoverable and therefore recognised only when, on the basis of all evidence, it can be regarded as more likely than not that there will be suitable taxable profits against which to recover carried forward tax losses and from which the future reversal of underlying timing differences can be deducted.

Deferred tax is measured at the average tax rates that are expected to apply in the periods in which the timing differences are expected to reverse, based on tax rates and laws that have been enacted or substantively enacted at the Balance Sheet date. Deferred tax is measured on an undiscounted basis.

**NOTES TO THE FINANCIAL STATEMENTS
for the year ended 31 December 2013 (continued)**

1. ACCOUNTING POLICIES (continued)

(f) Foreign currency

Monetary assets and liabilities denominated in foreign currencies at the balance sheet date are translated at the rates ruling at that date. Foreign currency transactions are translated into sterling at the rates ruling at the time of the transaction and foreign exchange differences arising are treated as part of the Company's profit on ordinary activities.

2. TURNOVER

Turnover for the year consists of General Partner's shares receivable from the PREICS Partnership of £2,000 (2012: £2,000) and from the PRECO III Partnership of £644 (US\$1,000) (2012: £631 (\$1,000)). In addition the Company received £nil of carried interest in the year (2012: £413,801).

3. OPERATING PROFIT

The auditors' remuneration in respect of audit services provided to the Company amounts to £2,606 (2012: £2,531) and is borne by the immediate parent company, Pramerica Financial Limited.

There were no employees employed by the Company in the year (2012: Nil).

4. DIRECTORS' EMOLUMENTS

The directors did not receive any emoluments in respect of the services to the Company (2012: £nil).

5. TAX ON PROFIT ON ORDINARY ACTIVITIES

	2013 £	2012 £
Current tax		
UK corporation tax (credit)/charge on the profits of the financial year	== -	== -
Tax on profit on ordinary activities	== -	== -

The tax assessed for the year is lower than (2012: lower than) the standard rate of corporation tax in the UK of 23.25% (2012: 24.5%). The differences are explained below:

PRAMERICA (GP2) LIMITED

NOTES TO THE FINANCIAL STATEMENTS for the year ended 31 December 2013 (continued)

5. TAX ON PROFIT ON ORDINARY ACTIVITIES (continued)

	2013 £	2012 £

Effects of:		
Group relief received from affiliated companies	(607)	(641)
Prior year adjustment	<u>-</u>	<u>-</u>
Current tax credit for the year	<u>-</u>	<u>-</u>

During the year, there were changes in the UK corporation tax rate. The corporation tax rate was 24% until April 2013 and 23% thereafter. Accordingly, the Company's profits for this accounting year are taxed at an effective rate of 23.25%. From April 2014 there will be a reduction in the rate of corporation tax from 23% to 21% and then 20% from April 2015. These changes were substantively enacted on 2 July 2013. The relevant deferred tax balances have therefore been re-measured at 20%. The directors consider that the tax charge in future years will be affected by movements to the corporation tax rate.
