Statement of Directors' responsibilities in respect of the Directors' report and the financial statements

The Directors are responsible for preparing the Directors' report and the financial statements in accordance with applicable law and regulations.

- select suitable accounting policies and then apply them consistently;

1 Accounting policies

1.1 Basis of preparation

The financial statements are prepared in accordance with International Financial Reporting Standards ("IFRS") as adopted by the EU, and under the historical cost convention with the exception of the revaluation of certain investments.

Under IFRS the Company is required to consolidate the financial statements of an enterprise controlled by the Company (its subsidiaries). Control is achieved where the Company has the power to govern the financial and operating policies of a subsidiary so as to obtain benefits from its activities. Through its position as General Partner the Company controls Impax Carried Interest Partner LP ("ICIP") but does not obtain ownership benefits. Accordingly, the Company does not consolidate its investment in ICIP.

1.2 Going concern

The financial statements have been prepared on the going concern basis. Although the Company currently has no revenues or costs, the parent company has agreed to provide funding to allow the Company to meet its costs and liabilities for the foreseeable future.

1.3 Fixed asset investments

Fixed asset investments are categorised as available for sale financial instruments and carried at fair value with any changes in fair value recorded through equity.

1.4 Taxation

Current tax is based on taxable profits for the year after all potential reliefs available have been utilised. Deferred tax is provided in full in respect of taxation deferred by temporary differences between the treatment of certain items for taxation and accounting purposes. Deferred tax is calculated at the rates that are expected to apply in the period when the liability or the asset is realised, based on legislation substantially enacted at the year end.

2 Operating profit

The auditor's remuneration of £1,500 (2011: £1,500) is borne by the ultimate parent company, Impax Asset Management Group plc.

The Directors received no remuneration in respect of their services to the Company.

3 Taxation

No tax charge has been incurred for the year ended 31 December 2012 or the year ended 31 December 2011.
