Report of the Independent Auditors to
Metaforic Limited
Under Section 449 of the Companies Act 2006

We have examined the abbreviated accounts set out on pages three to six, together with the full financial statements of Metaforic Limited for the year ended 31 January 2010 prepared under Section 396 of the Companies Act 2006.

This report is made solely to the company, in accordance with Section 449 of the Companies Act 2006. Our work has been undertaken so that we might state to the company those matters we are required to state to it in a special auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company, for our work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditors

The directors are responsible for preparing the abbreviated accounts in accordance with Section 444 of the Companies Act 2006. It is our responsibility to form an independent opinion as to whether the company is entitled to deliver abbreviated accounts to the Registrar of Companies and whether the abbreviated accounts have been properly prepared in accordance with the Regulations made under that Section and to report our opinion to you.

Basis of opinion

We conducted our work in accordance with Bulletin 2008/4 issued by the Auditing Practices Board. In accordance with that Bulletin we have carried out the procedures we consider necessary to confirm, by reference to the financial statements, that the company is entitled to deliver abbreviated accounts and that the abbreviated accounts to be delivered are properly prepared.

Opinion

In our opinion the company is entitled to deliver abbreviated accounts prepared in accordance with Section 444(3) of the Companies Act 2006, and the abbreviated accounts have been properly prepared in accordance with the Regulations made under that Section.

Other information

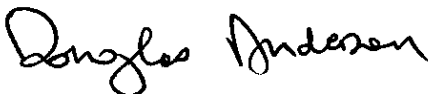

On 25 October 2010 we reported as auditors to the shareholders of the company on the full financial statements for the year ended 31 January 2010 prepared under Section 396 of the Companies Act 2006, and our report included the following extract:

"Emphasis of Matter - Going Concern

In forming our opinion on the Financial Statements, which is not qualified, we have considered the adequacy of the disclosure made in Note 1 to the Financial Statements concerning the company's ability to continue as a going concern based on future equity funding and sales contracts, together with the value of the Fixed Asset Investment and the recoverability of the loan to Metaforic Inc as shown in Notes 6 and 7 to the Financial Statements."

On 31 January 2010, Metaforic Inc had net liabilities of £983,741. This position indicates material uncertainty as to the repayment of the loan and the value of the Fixed Asset Investment. Should Metaforic Inc be unable to repay the loan and if, at a later date, the Directors agree that an adjustment is required to the value of the Fixed Asset Investment, then adjustments would require to be made to the Financial Statements which may cast significant doubt as to the company's ability to continue as a going concern. In addition the validity of the going concern assessment depends on the additional funding which is in prospect being secured by the Company.

The Financial Statements do not include the adjustments necessary should Metaforic Inc be unable to repay the loan and should the Directors consider that an adjustment is required to the value of the Fixed Asset Investment. Similarly, the financial statements do not include the adjustments that would result if the Company was unable to continue as a going concern.

Notes to the Abbreviated Accounts
for the Year Ended 31 January 2010

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The Directors consider it appropriate to prepare the Financial Statements on the going concern basis, based on contracts entered into and future contract prospects, funding received since the year end as detailed in the Notes to the Financial Statements, and the securing of additional funding which is presently being negotiated and which the Directors believe will be secured. Should these circumstances change, the company may be unable to continue as a going concern. If this occurred, adjustments would require to be made to the Financial Statements which would reduce the value of assets to their recoverable amounts, in particular in relation to the value of the Fixed Asset Investment and the recoverability of the loan to Metaforic Inc, and to provide for any further liabilities which may arise.

Accounting convention

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Preparation of consolidated financial statements

The financial statements contain information about Metaforic Limited as an individual company and do not contain consolidated financial information as the parent of a group. The company has taken the option under Section 398 of the Companies Act 2006 not to prepare consolidated financial statements.

Exemption from preparing a cash flow statement

Exemption has been taken from preparing a cash flow statement on the grounds that the company qualifies as a small company.

Turnover

Turnover represents amounts earned by the company in the course of the year excluding value added tax. Where sales involve licencing, the income is recognised evenly over the term of the licence.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Plant and machinery etc	- 33.3% on cost and 25% on cost
-------------------------	------------------------------------

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date. Deferred tax is not recognised when assets are revalued unless, by the balance sheet date, the company has entered into a binding agreement to sell the assets and recognise the gains and losses expected to arise on sale or where assets have been sold and it is expected that the taxable gain will be rolled over into a replacement asset.

Research and development

Expenditure on research is written off in the year in which it is incurred. Development costs are also written off in the year when incurred because of the degree of uncertainty over the potential future benefits to be accessed by such expenditure.

Foreign currencies

Assets and liabilities in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are translated into sterling at the rate of exchange ruling at the date of transaction. Exchange differences are taken into account in arriving at the operating result.

Patents

Expenditure on the cost of applying for patents is written off as an expense when incurred.
