### DIRECTORS' REPORT FOR THE YEAR ENDED 31 DECEMBER 2020

The directors present their report and the financial statements for the year ended 31 December 2020.

#### PRINCIPAL ACTIVITY

The principal activity of the Company during the year was the ongoing completion of the remaining decommissioning activities required by the UK Government, before this obligation is removed.

#### BUSINESS REVIEW

The Company's key performance indicators during the year were as follows:

	2020	2019
	£000	£000
Operating loss	(24)	(104)
Loss for the financial year	(24)	(104)
Shareholders' deficit	(12,708)	(12,684)

The loss for the financial year of £24,000 represents a decrease of £80,000 from the loss in 2019.

#### DIRECTORS

The directors who served during the year were:

O Kratz  
K Neikirk

#### FUTURE DEVELOPMENTS

There are no future developments for the Company as this installation was removed in July 2012. Once approval is provided regarding the final pipeline survey which took place in 2020, the decommissioning obligation will be removed.

#### GOING CONCERN

The financial statements have not been prepared on a going concern basis. On 13 May 2019, the directors took the decision to cease trading once approval is provided regarding the final pipeline survey and the decommissioning obligation is removed. As the directors intend to liquidate the Company following the removal of the decommissioning obligation, they have not prepared the financial statements on a going concern basis.

#### DISCLOSURE OF INFORMATION TO AUDITORS

Each of the persons who are directors at the time when this Directors' Report is approved has confirmed that:

- so far as the director is aware, there is no relevant audit information of which the Company's auditors are unaware, and
- the director has taken all the steps that ought to have been taken as a director in order to be aware of any relevant audit information and to establish that the Company's auditors are aware of that information.

**DIRECTORS' REPORT (CONTINUED)  
FOR THE YEAR ENDED 31 DECEMBER 2020**

**AUDITORS**

The auditors, KPMG LLP, Statutory Auditor, will be deemed to be reappointed in accordance with section 487 of the Companies Act 2006.

**SMALL COMPANIES NOTE**

In preparing this report, the directors have taken advantage of the small companies exemptions provided by section 414B of the Companies Act 2006 and have not prepared a strategic report.

This report was approved by the board on 28 September 2021 and signed on its behalf.

### **DIRECTORS' RESPONSIBILITIES STATEMENT FOR THE YEAR ENDED 31 DECEMBER 2020**

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 101 'Reduced Disclosure Framework'. Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period.

In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- assess the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern; and
- use the going concern basis of accounting unless they either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so. As explained in note 2.3, the directors do not believe that it is appropriate to prepare these financial statements on a going concern basis.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error, and have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the Company and to prevent and detect fraud and other irregularities.

## ERT CAMELOT LIMITED

### INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF ERT CAMELOT LIMITED

#### OPINION

We have audited the financial statements of ERT CAMELOT LIMITED ("the Company") for the year ended 31 December 2020 which comprise the Statement of Comprehensive Income, the Statement of Financial Position, the Statement of Changes in Equity and related notes. These financial statements have not been prepared on the going concern basis for the reason set out in note 2.3.

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 December 2020 and of its loss for the year then ended;
- have been properly prepared in accordance with UK accounting standards, including FRS 101 *Reduced Disclosure Framework*; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

#### BASIS FOR OPINION

We conducted our audit in accordance with International Standards on Auditing (UK) ("ISAs (UK)") and applicable law. Our responsibilities are described below. We have fulfilled our ethical responsibilities under, and are independent of the company in accordance with, UK ethical requirements including the FRC Ethical Standard. We believe that the audit evidence we have obtained is a sufficient and appropriate basis for our opinion.

#### FRAUD AND BREACHES OF LAWS AND REGULATIONS - ABILITY TO DETECT

##### *Identifying and responding to risks of material misstatement due to fraud*

To identify risks of material misstatement due to fraud ("fraud risks") we assessed events or conditions that could indicate an incentive or pressure to commit fraud or provide an opportunity to commit fraud. Our risk assessment procedures included:

- Enquiring of directors and inspection of policy documentation as to the Company's high-level policies and procedures to prevent and detect fraud, as well as whether they have knowledge of any actual, suspected or alleged fraud.
- Reading Board minutes.
- Using analytical procedures to identify any unusual or unexpected relationships.

We communicated identified fraud risks throughout the audit team and remained alert to any indications of fraud throughout the audit.

As required by auditing standards, we perform procedures to address the risk of management override of controls, in particular the risk that management may be in a position to make inappropriate accounting entries. On this audit we do not believe there is a fraud risk related to revenue recognition because the company did not record any revenue in the year.

We did not identify any additional fraud risks.

We performed procedures including:

- Identifying journal entries to test based on risk criteria and comparing the identified entries to supporting documentation. These included unbalanced entries and those posted to unrelated accounts.

##### *Identifying and responding to risks of material misstatement due to non-compliance with laws and regulations*

We identified areas of laws and regulations that could reasonably be expected to have a material effect on the financial statements from our general commercial and sector experience (as required by auditing standards), and discussed with the directors the policies and procedures regarding compliance with laws and regulations.

## ERT CAMELOT LIMITED

### INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF ERT CAMELOT LIMITED

#### FRAUD AND BREACHES OF LAWS AND REGULATIONS - ABILITY TO DETECT (CONTINUED)

We communicated identified laws and regulations throughout our team and remained alert to any indications of non-compliance throughout the audit.

Firstly, the Company is subject to laws and regulations that directly affect the financial statements including financial reporting legislation (including related companies legislation), distributable profits legislation and taxation legislation, and we assessed the extent of compliance with these laws and regulations as part of our procedures on the related financial statement items.

Secondly, the Company is subject to many other laws and regulations where the consequences of non-compliance could have a material effect on amounts or disclosures in the financial statements, for instance through the imposition of fines or litigation:

We identified the following areas as those most likely to have such an effect: health and safety, anti-bribery, employment law, regulatory capital and liquidity. Auditing standards limit the required audit procedures to identify non-compliance with these laws and regulations to enquiry of the directors and other management and inspection of regulatory and legal correspondence, if any. Therefore, if a breach of operational regulations is not disclosed to us or evident from relevant correspondence, an audit will not detect that breach.

#### *Context of the ability of the audit to detect fraud or breaches of law or regulation*

Owing to the inherent limitations of an audit, there is an unavoidable risk that we may not have detected some material misstatements in the financial statements, even though we have properly planned and performed our audit in accordance with auditing standards. For example, the further removed non-compliance with laws and regulations is from the events and transactions reflected in the financial statements, the less likely the inherently limited procedures required by auditing standards would identify it.

In addition, as with any audit, there remained a higher risk of non-detection of fraud, as these may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls. Our audit procedures are designed to detect material misstatement. We are not responsible for preventing non-compliance or fraud and cannot be expected to detect non-compliance with all laws and regulations.

#### DIRECTORS' REPORT

The directors are responsible for the directors' report. Our opinion on the financial statements does not cover that report and we do not express an audit opinion thereon.

Our responsibility is to read the directors' report and, in doing so, consider whether, based on our financial statements audit work, the information therein is materially misstated or inconsistent with the financial statements or our audit knowledge. Based solely on that work:

- we have not identified material misstatements in the directors' report
- in our opinion the information given in that report for the financial year is consistent with the financial statements; and
- in our opinion that report has been prepared in accordance with the Companies Act 2006.

## **ERT CAMELOT LIMITED**

### **INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF ERT CAMELOT LIMITED**

#### **MATTERS ON WHICH WE ARE REQUIRED TO REPORT BY EXCEPTION**

Under the Companies Act 2006 we are required to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to take advantage of the small companies exemption from the requirement to prepare a strategic report.

We have nothing to report in these respects.

#### **DIRECTORS' RESPONSIBILITIES**

As explained more fully in their statement set out on page 3, the directors are responsible for: the preparation of the financial statements and for being satisfied that they give a true and fair view; such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error; assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern; and using the going concern basis of accounting unless they either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

#### **AUDITOR'S RESPONSIBILITIES**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue our opinion in an auditor's report. Reasonable assurance is a high level of assurance, but does not guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

A fuller description of our responsibilities is provided on the FRC's website at [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities).

#### **THE PURPOSE OF OUR AUDIT WORK AND TO WHOM WE OWE OUR RESPONSIBILITIES**

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members, as a body, for our audit work, for this report, or for the opinions we have formed.

## **ERT CAMELOT LIMITED**

### **NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2020**

#### **1. GENERAL INFORMATION**

ERT Camelot Limited (the "Company") is a private company incorporated, domiciled and registered in Scotland in the UK. The registered number is SC301741 and the registered address is 13 Queen's Road, Aberdeen, AB15 4YL.

The Company financial statements of ERT Camelot Limited (the "Company") for the year ended 31 December 2020 were authorised for issue by the board of directors on 28 September 2021 and the balance sheet was signed on the board's behalf by Owen Kratz.

The financial statements are prepared in Sterling and are rounded to the nearest thousand pounds (£'000).

#### **2. ACCOUNTING POLICIES**

##### **2.1 BASIS OF PREPARATION OF FINANCIAL STATEMENTS**

The financial statements have been prepared under the historical cost convention unless otherwise specified within these accounting policies and in accordance with Financial Reporting Standard 101 'Reduced Disclosure Framework' and the Companies Act 2006.

The preparation of financial statements in compliance with FRS 101 requires the use of certain critical accounting estimates. It also requires management to exercise judgment in applying the Company's accounting policies (see note 3).

The following principal accounting policies have been applied:

##### **2.2 FINANCIAL REPORTING STANDARD 101 - REDUCED DISCLOSURE EXEMPTIONS**

In these financial statements, the company has applied the exemptions available under FRS 101 in respect of the following disclosures:

##### **2.3 GOING CONCERN**

On 13 May 2019, the directors took the decision to cease trading once approval is provided regarding the final pipeline survey and the decommissioning obligation is removed. Accordingly the directors have not prepared the financial statements on a going concern basis. There is no effect on the measurement and presentation of this financial statements and no adjustments have been recorded.

## **ERT CAMELOT LIMITED**

### **NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2020**

#### **2. ACCOUNTING POLICIES (CONTINUED)**

##### **2.4 TAXATION**

Tax on the profit or loss for the year comprises current and deferred tax. Tax is recognised in the Statement of Comprehensive Income except to the extent that it relates to items recognised directly in equity or other comprehensive income, in which case it is recognised directly in equity or other comprehensive income.

Current tax is the expected tax payable or receivable on the taxable income or loss for the year, using tax rates enacted or substantively enacted at the balance sheet date, and any adjustment to tax payable in respect of previous years.

Deferred tax is provided on temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes. The following temporary differences are not provided for: the initial recognition of goodwill; the initial recognition of assets or liabilities that affect neither accounting nor taxable profit other than in a business combination, and differences relating to investments in subsidiaries to the extent that they will probably not reverse in the foreseeable future. The amount of deferred tax provided is based on the expected manner of realisation or settlement of the carrying amount of assets and liabilities, using tax rates enacted or substantively enacted at the balance sheet date.

A deferred tax asset is recognised only to the extent that it is probable that future taxable profits will be available against which the temporary difference can be utilised.

##### **2.5 FOREIGN CURRENCIES**

Transactions in foreign currencies are translated to the Company's functional currencies at the foreign exchange rate ruling at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies at the balance sheet date are retranslated to the functional currency at the foreign exchange rate ruling at that date. Non-monetary assets and liabilities that are measured in terms of historical cost in a foreign currency are translated using the exchange rate at the date of the transaction. Non-monetary assets and liabilities denominated in foreign currencies that are stated at fair value are retranslated to the functional currency at foreign exchange rates ruling at the dates the fair value was determined. Foreign exchange differences arising on translation are recognised in the Statement of Comprehensive Income.

##### **2.6 DECOMMISSIONING**

Provision for decommissioning is recognised in full on the installation of oil and natural gas production facilities. The amount recognised is the present value of the estimated future expenditure determined in accordance with local conditions and requirements. A corresponding tangible fixed asset of an amount equivalent to the provision is also created. This is subsequently depreciated as part of the capital costs of the production and transportation facilities. Any change in estimated expenditure is reflected as an adjustment to the provision and the fixed asset.

##### **2.7 DEBTORS**

Short term debtors are measured at transaction price, less any impairment. Loans receivable are measured initially at fair value, net of transaction costs, and are measured subsequently at amortised cost using the effective interest method, less any impairment.

## ERT CAMELOT LIMITED

### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2020

#### 2. ACCOUNTING POLICIES (CONTINUED)

##### 2.8 CREDITORS

Creditors are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers.

Creditors are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method.

#### 3. JUDGMENTS IN APPLYING ACCOUNTING POLICIES AND KEY SOURCES OF ESTIMATION UNCERTAINTY

The preparation of financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported for assets and liabilities as at the balance sheet date and the amounts reported for revenues and expenses during the year. However, the nature of estimation means that actual outcomes could differ from those estimates.

The following judgements have had the most significant effect on amounts recognised in the financial statements:

##### Changes in existing decommissioning, restoration and similar liabilities

As described in the decommissioning accounting policy, any change in estimated expenditure is reflected as an adjustment to the provision and the fixed asset. During 2019 the Camelot decommissioning provision was decreased with respect to 2019 survey taking place, with the actual cost less than the previous estimate. A further survey has been added and the final pipeline survey took place during 2020. Upon approval by the Department for Business, Energy and Industrial Strategy (BEIS), this will extinguish any obligation by the Company.

#### 4. OPERATING LOSS

The operating loss is stated after charging:

	2020 £000	2019 £000
Impairment of tangible fixed assets	-	31

#### 5. AUDITORS' REMUNERATION

	2020 £000	2019 £000
Fees payable to the Company's auditor and its associates for the audit of the Company's annual financial statements	3	3

# ERT CAMELOT LIMITED

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2020

### 6. DIRECTORS' REMUNERATION

The Company has no employees other than directors who are also directors of other group companies.

The directors do not believe that it is practicable to apportion remuneration between their services as directors of the Company and their services as directors of other group companies.

### 7. TAXATION

	2020 £000	2019 £000
<b>TOTAL CURRENT TAX</b>	-	-
<b>TAXATION ON LOSS</b>	-	-

#### FACTORS AFFECTING TAX CHARGE FOR THE YEAR

The tax assessed for the year is higher than (2019 - higher than) the standard rate of corporation tax in the UK of 19% (2019 - 19%). The differences are explained below:

	2020 £000	2019 £000
Loss before tax	(24)	(104)
Loss multiplied by standard rate of corporation tax in the UK of 19% (2019 - 19%)	(5)	(20)
<b>EFFECTS OF:</b>		
Amounts not recognised	5	20
<b>TOTAL TAX CHARGE FOR THE YEAR</b>	-	-

#### FACTORS THAT MAY AFFECT FUTURE TAX CHARGES

The March 2020 Budget announced that a rate of 19% would continue to apply with effect from 1 April 2020, and this change was substantively enacted on 17 March 2020. The UK deferred tax asset as at 31 December 2020 was calculated at 19% (2019 - 17%)

An increase in the UK corporation rate from 19% to 25% (effective 1 April 2023) was substantively enacted on 24 May 2021. This will increase the company's future current tax charge accordingly, however will have no significance on the deferred tax exposure.

**ERT CAMELOT LIMITED**
