Structure, Governance and Management

Governing Document

The organisation is a charitable company limited by guarantee, incorporated on 22 January 2007 and registered as a charity on 2 August 2007. The company was established under a Memorandum of Association that established the objectives and powers of the charitable company and is governed under its Articles of Association. In the event of the company being wound up, members are required to contribute an amount not exceeding £1.

Recruitment and Appointment of Trustees

As set out in the Articles of Association our members are made up of the following bodies:

- (a) South Lanarkshire Council
- (b) Police Scotland
- (c) South Lanarkshire Health and Social Care Partnership
- (d) Blantyre Youth Development Team
- (e) Hamilton Information Project for Youth
- (f) South Lanarkshire Leisure Trust
- (g) Voluntary Action South Lanarkshire
- (h) Liber8
- (i) Youth Engagement Network

Members identified above from (b) to (i) may appoint no more than one person who is willing to act as a director. In the case of member (a) South Lanarkshire Council, they are limited to no more than four appointments and shall endeavour to ensure that a director is appointed from each of the following departments:

- (a) Education;
- (b) Finance;
- (c) Enterprise and
- (d) Member Services.

Any unincorporated body eligible for membership (a) to (i) must lodge a written application with the company signed on its behalf by an authorised officer of that body.

Any individual eligible for membership must lodge with the company a written application, signed by him/her and also signed on behalf of the unincorporated body that is nominating him/her for membership.

Trustee Induction and Training

New trustees undergo an induction training session to brief them on their legal obligations under charity law and company law and the content of the Memorandum and Articles of Association, financial procedures. New Trustees also receive an introduction to the staff team and the current work of the Trust.

Organisational Structure

The board (consisting of a maximum of 12 directors) administers the charity. They meet bi-monthly and have the power to set up appropriate subgroups when necessary. A Trust Manager is appointed by directors to manage the day to day operations of the charity. To facilitate effective operations, the

**Regen:FX Youth Trust
Report of the Trustees
for the year ended 31 March 2018**

Trust Manager has delegated authority, within terms of delegation approved by the trustees, for operational matters including finance, employment and project development.

Pay Policy Senior Staff

The directors comprise the board of directors, who are the Trust's trustees, and the senior management team comprising the key management personnel of the charity, in charge of directing, controlling, running and operating the Trust on a day to day basis. Details of trustees' remuneration is disclosed in note 8 to the accounts.

Related Parties

The charity has a close relationship with all partners represented on the board, with partners offering skills and expertise in the youth work field. This is extremely useful and supports the aims and objectives of the Trust. The partners are:

- South Lanarkshire Council
- Blantyre Youth Development Team
- Voluntary Action South Lanarkshire
- Hamilton Information Project for Youth
- South Lanarkshire Leisure Trust
- Liber8
- South Lanarkshire Health and Social Care Partnership
- Youth Engagement Network

In addition, to assist the Trust, South Lanarkshire Council rent the premises of Summerlee House at a peppercorn rate.

Risk Management

The development of a risk management strategy has been identified by the Trust Board and includes:

- Annual review of the risks the charity may face;
- The establishment of systems and procedures to mitigate those risks identified in the plan;
- Implementation of procedures designed to minimise any potential impact on the charity should those risks materialise.

This work has identified that financial sustainability is the major financial risk for the charity. The Trust Manager and Trustees are continually striving to identify new streams of income in the face of difficult economic circumstances.

Objectives and Activities

The objectives of the charity are:

- To provide in the interests of social welfare, facilities for young people, primarily within regeneration areas in South Lanarkshire ("the Operating Area") for recreation and other leisure time occupation available to the public at large with a view to improving their conditions of life;
- To relieve poverty among young people who are resident within the Operating Area;
- To work towards the elimination of discrimination (whether on the grounds of race, religion, disability, gender, sexual orientation or otherwise) in relation to young people resident in the Operating Area, and to promote and support diversity and equality of opportunity for all young

Report of the Trustees
for the year ended 31 March 2018

people resident in the Operating Area irrespective of race, religion, disability, gender or sexual orientation;

- To help young people resident in the Operating Area to develop their physical, mental and spiritual capacities, such that they may grow to full maturity as individuals and as members of society (and including the development of entrepreneurial skills and the promotion of active citizenship);
- To promote public safety, in particular with regard to young people resident in the Operating Area;
- To assist in the provision of housing for young people resident in the Operating Area who are in necessitous circumstances; and
- To relieve ill-health among young people resident in the Operating Area

The outcomes against which the charity will be measured will include:

- Increasing the number of young people participating in purposeful activities within communities;
- Increasing access to services and choices;
- Increasing the number of young people impacting on service delivery;
- Increasing healthy lifestyle choices by young people;
- Increasing employability and life skills of young people
- Increasing equality of opportunity and;
- Reducing youth related anti-social behaviour.

The charity's main objective is to develop and co-ordinate out of school hours diversionary activities for young people aged 10-21 years, with limited targeted provision for 8 and 9 year olds living in the South Lanarkshire with particular focus on regeneration areas.

The strategies employed to achieve the charity's objectives are to:

- Promote youth engagement and involvement within the regeneration process;
- Increase volunteering/active citizenship levels;
- Decrease youth related anti-social behavior levels;
- Improve employability skills of young people through a variety of developmental activities;
- Improve life skills of young people through a variety of developmental activities;
- Provide a range of sports/physical/ health information activities and services for young people, improving their health and lifestyles; and
- Improve the quality of life of all community members.

Services

The core service functions of the Trust include:

Co-ordination of Youth Diversionary Activities

Producing material to promote all activities/facilities/services on behalf of Trust member organisations. Facilitating appropriate information/communication network services to other member organisations and stakeholders.

Income Generation

Applying for external funding and developing opportunities for income generation.

Project Development

Commissioning of Services

Developing and monitoring service level agreements with appropriate organisations, members or otherwise.

Quality Assurance

Developing appropriate monitoring and evaluation systems for use by member organisations.
Evaluating service level agreements through a robust monitoring system.

Within the core functions of the Trust the main programmes, projects and services provided by the Trust include:

Sport Programmes

- Radworx Extreme Sports (Skateboarding, BMXing and Inline Skating) delivered at the two skate parks in South Lanarkshire during Easter and Summer school holidays. We also have a mobile service and a small indoor facility used mainly over the winter period.

Performance Arts

- Express Yourself Project delivers performance arts workshops and groups in dance music and drama.
- The Street Urban Simulation Project uses promenade theatre and facilitated workshops to help tackle serious issues facing young people today.

Information Technology

- Hyper Cybers use Apple Mac technology to existing and new facilities including appropriate training for staff and volunteers including.

Outreach Programmes

- Youth Clubs, Single Gender Groups, Issue Based Groups and special programmes are developed to increase the number of positive youth opportunities for young people in communities that lack youth facilities.

Volunteer Recruitment, Training & Development

- Recruitment, facilitation and support of volunteers is an ongoing commitment for the Trust including delivery of various training courses i.e. Youth Work Training Academy, Basic & Advanced Youth Work, First Aid, Child Protection, Youth Board Training, Drugs & Alcohol and the further development of the Youth Work Training Academy.

**Regen:FX Youth Trust
Report of the Trustees
for the year ended 31 March 2018**

Community & Project Development

- Development of new services supported and delivered by members of the local community and partners. The continued support of Fernhill Youth Project, Westburn Youth Project, Circuit Youth Project, Larkfield Youth Project, Hillhouse Youth Wing, Whitehill Universal Connections, High Blantyre Hyber Cyber, Springhall Youth Project and Burnhill Youth Project.

Support to Voluntary Sector

- Terminal One Youth Centre, Streetbase and HIPY are commissioned to deliver additional services on the Trusts behalf through Service Level Agreements

Small Grants Administration

- School Holiday Fund (£24,918) awards grants to both voluntary and statutory organisations that require financial support to provide additional youth activities during school holiday period i.e. October break youth activity programme.
- Weekend Diversion Fund (£24,753) awards grants to both voluntary and statutory organisations that require financial support to provide additional weekend diversion activities for young people, for example, Friday night football.

All parties applying for grants have to meet the specified criteria for each individual stream of grant, comply with the conditions of the grant and provide evaluation and financial report information.

The Trust has a remit to recruit, train and facilitate volunteer youth leaders within local communities who are willing to support and deliver various youth activities. Young people in particular are encouraged to volunteer within youth projects and form youth management committees and become involved in the decision-making processes that develop their youth projects.

Achievements and Performance

Over the past year the Trust has maintained its focus on volunteer development and supported **274** volunteers to help with the delivery of the Youth Diversion Programme throughout South Lanarkshire.

From November to March The Street Cast undertook **42** live performances and workshops for **221** targeted young people living in South Lanarkshire and **130** young people from the 4 other local authorities.

Overall the Trust has managed to exceed most of the targets set at the beginning of the year, clearly demonstrating the commitment and drive of volunteers, partners and the staff team.

**Regen:FX Youth Trust
Report of the Trustees
for the year ended 31 March 2018**

Youth services delivered by the Trust have benefited over **6,574** children and young people of which **5,650** live in areas of deprivation.

Through our sports and dance programmes including Radworx we engaged with **1,847** young people in physical activities and healthier lifestyles. Radworx Extreme Sports Programme continues to increase young people's physical activity levels whilst diverting some young people from anti-social behaviour and breaking down territorial barriers between areas. Over the past year **280** young people engaged in various Radworx programmes of activity.

The Trusts small grants programme has benefited **3,850** young people with a variety of outcomes achieved specific to each individual programmes criteria. Common criteria shared by the different grant programmes have included increasing the number of positive opportunities available to young people; encouraging self help and active citizenship; reducing youth crime and fear of crime within local communities and engagement with the most vulnerable young people living in South Lanarkshire.

In terms of the Trust increasing positive opportunities for young people that will improve their life chances, every theme within the Youth Diversion Programme contributes to this target including:

- Weekend Diversionary Activities engaged with **614** young people;
- School Holiday Programmes benefited **3,359** children and young people;
- Radworx staff team worked with **385** young people;
- Specific activities that tackle breaking down territorial barriers engaged **289** young people;
- Health awareness programmes/workshops almost double this year with **586** young people taking part;
- Support and training was delivered to **169** individuals including **35** adult volunteers and **134** youth volunteers;
- Active Citizenship programmes engaged **124** young people and adults;
- Advancing **64** young people into positive destinations of further education and employment.

Our Outreach Programme allows us to be responsive to local needs with the flexibility to establish different types of youth groups or short courses used specifically to divert young people from youth disorder and addressing the underlying issues that contribute to youth disorder i.e. alcohol misuse.

A common thread that supports all of the work we undertake is the recruitment, training and continual support of local volunteers and assistance to our community led youth projects and voluntary partners. We have continued to deliver intense training in youth work and youth management training using weekend residentials which allows us to deliver up to **21** hours training in a short space of time.

We continue to commission services with three major voluntary partner agencies (Terminal One Youth Centre, Liber8 Lanarkshire and Hamilton Information Project for Youth) through Service Level Agreements that contribute to the delivery of the Youth Diversion Programme.

The Trust relies on attracting funding from a variety of funding sources, independently and in partnership with other voluntary and statutory agencies. Over the past year we have been successful in securing:

- £0.100m from BIG Lottery to support The Street, available to young adults aged 14 years and above, over the next 2 to 3 years.
- £0.098m from Children in Need to support the establishment of a Junior Street for children aged 11 to 13 years for the next 3 years.

**Regen:FX Youth Trust
Report of the Trustees
for the year ended 31 March 2018**

- £0.143m secured for the creation of a Springhall and Whitlawburn Youth Development Team which will be in place for at least the next 3 years.
- £0.002m received from the STV Appeal as a contribution towards The Street.

The Trust is recognised as a formidable organisation that can deliver successful programmes of youth diversion activities throughout South Lanarkshire, and as a result, other partners have invested in the work of the Trust, not only through funding, but in-kind contributions that help reduce expenditure costs where possible.

Within communities the Trust is recognised as a 'one-stop shop' in terms of small funding opportunities, youth work training, resources and expertise. Local volunteers and youth practitioners view the Trust as the main support for the establishment of new voluntary youth projects within neighbourhoods.

Financial Review

The Statement of Financial Activities (including the Income and Expenditure Account) and its accompanying notes and statements summarise the costs and sources of funding in carrying out the Trust's activities.

As at 31 March 2018, total restricted funds held totalled £0.047m. Net unrestricted funds held show a liability of £0.049m. Unrestricted funds show the actuarial gain recorded at 31 March 2018 is £0.146m compared to an actuarial loss of £0.130m in the previous year. The net worth of the Trust recorded in the Balance Sheet is a net liability of £0.002m.

The Pension deficit on the scheme will be made good if required by increased contributions from the Company over the remaining working life of employees, as assessed by Hymans Robertson, the independent actuary for the scheme, to ensure that benefits can be paid.

Finance is only required to be raised to cover employee pensions when the pensions are actually paid.

The major element of the Trust's expenditure is incurred in respect of Payments to Other Bodies (£0.366m, 61%). The major element of the Trust's income is in respect of the monies received through South Lanarkshire Council under Tackling Poverty Programme projects. This contribution totalled £0.383m in 2017/2018.

There is no movement in cash for 2017/2018, as the cumulative underspend is invested in South Lanarkshire Council's Loans Fund. This reflects the practical arrangement that exists between the Trust and South Lanarkshire Council where the Council's Loans Fund lends or borrows according to the required cash flow and activities of the Trust.

The Statement of Accounting Policies has been included which details the policies implemented when compiling and presenting the Income and Expenditure Account, Balance Sheet and related statements. The accounting policies are those recommended by the Code of Practice on Local Authority Accounting in Great Britain.

The Statement of Responsibilities for the Statement of Accounts advises that the Head of Finance for South Lanarkshire Council is designated Treasurer to the Trust and is responsible for the proper administration of the Trust's financial affairs. Full details of the Treasurer's responsibilities are included in this statement.

Further information on the Trust's finances can be obtained from the Treasurer to the Trust, Finance and Corporate Resources, Floor 4, Almada Street, Hamilton, ML3 0AB.

Plans for Future Periods

The Trust plans to continue developing the activities outlined above in the forthcoming years, subject to satisfactory funding arrangements. Plans are also being developed to introduce more recognised qualifications and awards for volunteers and staff undertaking training and development opportunities.

Responsibilities of the Directors

The Trustees are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and regulations.

Company law requires the Trustees to prepare financial statements for each financial year. Under that law the Trustees have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and the income and expenditure of the charitable company for that period.

In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the Trustees are aware:

- there is no relevant audit information of which the charitable company's auditor is unaware; and
- the Trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

Reserves Policy

Reserve policy identifies that there is no prescribed minimum level of reserves which should be held. It is for the Board to consider an appropriate level of Reserves taking notice of local circumstances, and the possible relative risks faced.

The Trust is not a model where Reserves can be accumulated due to the grant nature of the majority of funding that is received. Funders expect that these awards will be fully utilised delivering the programmes and services described. The opportunity to retain reserves for future use comes from income from charitable activities which represents a small amount of income every year.

**Regen:FX Youth Trust
Report of the Trustees
for the year ended 31 March 2018**

The Trust has two Reserves currently in use.

Restricted: These Reserve funds can be used to meet the objectives of the organisation. The current balance is £0.047m.

Unrestricted: These Reserve funds are retained to offset the pension liability. It should be noted that the liability is a long term position and would not become payable within the short term.

Auditor

Nelson Gilmour Smith are deemed to be re-appointed under section 44(1)(c) of the Charities and Trustee Investment (Scotland) Act 2005.

The Report of the Trustees, as signed on 29 November 2018, is prepared in accordance with the small company regime (Section 419(2) of the Companies Act 2006).

Regen:FX Youth Trust

Independent Auditor's Report to the Trustees and Members of Regen:FX Youth Trust for the year ended 31 March 2018

Opinion

We have audited the financial statements of Regen:FX Youth Trust (the 'company') for the year ended 31 March 2018 which comprise the statement of income and retained earnings, statement of financial position and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the company's members, as a body, in accordance with chapter 3 of part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 March 2018 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other information

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The directors are responsible for the other information. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such

Regen:FX Youth Trust

Independent Auditor's Report to the Trustees and Members of Regen:FX Youth Trust for the year ended 31 March 2018

material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the directors' report has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the directors' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies' exemptions in preparing the directors' report and from the requirement to prepare a strategic report.

Responsibilities of directors

As explained more fully in the directors' responsibilities statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Regen:FX Youth Trust

**Independent Auditor's Report to the Trustees and Members of Regen:FX Youth Trust
for the year ended 31 March 2018**

As part of an audit in accordance with ISAs (UK), we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

1. General Information

The charity is a private company limited by guarantee, registered in Scotland and a registered charity in Scotland for public benefit. The address of the registered office is Summerlee House, Summerlee Road, Larkhall, Lanarkshire, ML9 2UH.

2. Statement of Compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Charities and Trustee Investment (Scotland) Act 2005 and the Charity Accounts (Scotland) Regulations 2006 (as amended).

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure. The financial statements are prepared in sterling, which is the functional currency of the entity.

Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Funds

Funds are classified as either restricted funds or unrestricted funds, and are defined as follows:

Restricted funds are funds subject to specific trusts, which may be declared by the donor or with their authority. Some are restricted income funds expendable at the discretion of the Board in furtherance of a particular activity, such as government grants for a specific centre, and funds raised for particular client groups or activities. Others are capital funds where the assets are required to be invested for long term use.

Unrestricted funds are expendable at the discretion of the Board in furtherance of the objectives of Regen:FX Youth Trust. If part of the unrestricted funds is earmarked at the discretion of the Board for a particular project it is designated as a separate fund. This designation has an administrative purpose only, and does not legally restrict the Board's discretion to apply the fund.

Incoming resources

Grants and receipts from local and central government agencies which are of a revenue nature are payable to Regen:FX Youth Trust at the discretion of the funding body and are credited to the income and expenditure account in the period to which the funding applies, provided its receipt has been approved by the funding body, by the date of issue of the financial statements.

Investment income is recognised on a receivable basis.

Notes forming part of the Financial Statements
for the year ended 31 March 2018

Resources expended

Costs are recognised when incurred.

All costs which are directly attributable to the objects of the charity are included within this category. All items are included on the accruals basis.

Pensions

All employees of Regen:FX Youth Trust are members of the Strathclyde Pension Fund. The pension costs charged in the period are based on actuarial methods and assumptions designed to spread the anticipated pension costs over the service life of the employees in the scheme, so as to ensure that the regular pension costs represent a substantially level percentage of the current and expected future pensionable payroll. Variations from regular cost are spread over the remaining service lives of current employees in the scheme.

Statutory Accumulated Compensated Absences

All salaries and wages earned up to the 31 March 2018 are included irrespective of when actual payments were made. The requirements of FRS102 have been fully applied in the current year, in respect of annual leave provision, including recognition of the net liability and an accumulating compensated absences reserve in the balance sheet.

Going Concern

These accounts have been prepared on a going concern basis. The directors have considered, in accordance with International Standard on Auditing (UK and Ireland) 570: Going Concern, a period of one year from the expected date of approval.

Fixed Assets

Assets which have a useful life of more than one year and a value of more than £1,000 are categorised and treated as fixed assets.

Total	46	597	596	47

Purposes of Restricted Funds

The Tackling Poverty Programme helps towards the cost of regenerating disadvantaged communities, tackle poverty by helping vulnerable people and groups and overcome barriers to employment.

Youth Learning Services help towards the cost of youth engagement, participation and informal learning opportunities encouraging young people and their families to achieve their full potential in a safe, fun and supportive environment.

Community Safety Partnership helps towards the cost of tackling alcohol and drug related crime, diverting young people away from criminal and anti-social behaviour, reducing the fear of crime, improving road, fire and home safety and strengthening Community Safety Partnerships.

NHS Funding helps towards the Street Project, which gives young people a host of alcohol-related learning.

Various Organisations consist of a variety of smaller funds that comprise Radworx, Youthlink and a number of Youth Clubs and Groups.

13. Pension Scheme

All employees of the company are members of the multi employer defined benefits pension scheme, the Strathclyde Pension Fund. In accordance with the reporting requirements of Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) the Company is required to disclose certain information relating to the scheme.

The valuation has been updated from the last full valuation (carried out 31 March 2014) by the actuary on an FRS102 basis as at 31 March 2018, the main financial assumptions are noted below:

	31 March 2018	31 March 2017
Rate of increase in salaries	3.5%	4.4%
Rate of increase in pensions in payment	2.3%	2.4%
Discount rate	2.7%	2.7%
Inflation assumption	2.3%	2.4%

The assumptions used by the actuary are the best estimates chosen from a range of possible actuarial assumptions that, due to the timescale covered, may not necessarily be borne out in practice.

Scheme Assets

The fair value of the scheme's assets and present value of scheme liabilities relating to the Company, which are not intended to be realised in the short term and may be subject to significant change before they are realised, and the present value of the schemes liabilities, which are derived from cash flow projections over long periods and thus inherently uncertain, were as follows:
