CHAIRMAN'S REPORT FOR THE YEAR ENDED 31 DECEMBER 2012

It is my privilege and pleasure to present the Annual Report and Accounts for the Simply Biz Group in respect of the year ended 31 December 2012. This report marks the completion of our first decade which, despite the enormous changes and major challenges faced throughout the period, has seen the Group go from strength to strength.

In my statement accompanying last year's Report and Accounts I drew attention to the major issues facing the wider economy and specifically the challenge of regulatory changes in the financial services sector. Given this background, I am pleased to be able to report pre tax profits of £3 0m (2011 - £2 5m). I believe this result is particularly noteworthy as it has been achieved alongside our continued investment in enhanced compliance and business support services for the firms we serve. This includes the provision through Verbatim of leading compliance and financial planning software to over 4,000 individual advisers.

I am also able to report that the group has seen a further increase in net assets to £16 4m from £16m the previous year and despite the economic conditions your Board's confidence in the future is indicated by their once again recommending a dividend of 16p per share

į

Turning to the macro factors facing the UK, it is clear that the fallout from the banking crisis continues to bedevil our own economy as well as that of Europe as a whole. Unemployment remains high and there are increasing signs of political uncertainty, both at home and abroad. Against this background the current year is difficult to predict, though I remain of the view that we should see the situation starting to improve from 2014 onwards unless events in Europe or the wider world blow the UK economy off course.

Looking specifically at the financial services sector, the Retail Distribution Review (RDR) came into effect on I January 2013 after almost five years of conflicting and confusing debate. I have said previously that rather like motherhood and apple pie, one cannot argue with the objectives of the RDR, however its dogma driven and costly introduction has been criticised across the board by Parliament, the profession and providers. The cost to the consumer can already clearly be seen in the reduction in the availability of financial advice. In addition, literally hundreds of millions of pounds and countless hours of preparation time have been spent by providers and advisers alike to be RDR ready. It remains to be seen whether any material benefits will emerge for consumers, however at the moment it is hard to see anything likely to justify the enormous cost and turmoil the RDR has created.

It is self evident from the above and my comments in previous Reports that the financial services sector we serve has been faced with major challenges by the RDR. It is therefore all the more significant that despite all the disruption our net membership has remained virtually unchanged and that we still serve in excess of 2,000 directly regulated firms and over 5,000 individual advisers. This confirms the Simply Biz Group to be by far the UK's largest independent compliance and business support provider. We could not have achieved this success without the total commitment and dedication of the whole of the Simply Biz team. It therefore gives me great pleasure both on your behalf and personally to thank each and everyone for their continued determination to provide the firms and advisers we serve with a compliance and business support service which remains second to none.

In this context it is pleasing to report that for the fourth time in six years Simply Biz has won the Professional Adviser Award for the "Best Adviser Support Service". This coveted award is particularly special as it is voted for by individual advisers and is therefore a genuine reflection of their appreciation and recognition of the service we deliver.

We are determined to continue to meet the challenges which emerge from our ever changing sector as well as remaining alert to new opportunities. Indeed to reflect the changes in the post RDR market place we have launched a new and unique range of services. These services are designed to meet the needs of all directly regulated firms along with a revitalised brand based on our vision for the next decade entitled "Vision 2013 and Beyond". The early signs are that this offering has been very well received. We have also provided financial support for the launch of a separately run restricted national advice offering, Sandringham Financial Partners Limited. Sandringham is intended to appeal to advisers looking for a fresh start in the post RDR world within a large firm rather than seeking to be directly regulated.

CHAIRMAN'S REPORT FOR THE YEAR ENDED 31 DECEMBER 2012

That the future for the financial services sector and indeed the wider economy is undoubtedly going to be a challenging one is not in doubt 1 believe however, that our focussed strategy, coupled with the commitment and experience of our staff puts us in the strongest possible position to surmount and benefit from meeting these challenges. Your Group has consistently demonstrated the ability to profit from the challenges and opportunities of change. I am confident that the year ahead will once again show our ability to progress for the benefit of our staff, our partners and the firms we serve

K E Davy - Chairman

REPORT OF THE DIRECTORS FOR THE YEAR ENDED 31 DECEMBER 2012

The directors present their report with the financial statements of the company and the group for the year ended 31 December 2012

PRINCIPAL ACTIVITIES

The principal activity of the company is that of the Group holding company of the Simply Biz Group of companies

The purpose of the companies within the Simply Biz Group is to provide compliance and business support services to financial services advisory firms throughout the UK and to arrange professional indemnity insurance cover for its members. In addition the Group provides investment management services and packaged investment products to financial services advisory firms and their clients and offers enhanced margins negotiated with the providers of protection and investment products to its members. It also provides educational and development support to everyone in or wanting to join the financial services profession.

REVIEW OF BUSINESS Results

	31 12 12	31 12 11
	£	£
Turnover	16,207,053	13,890,723
Pre-tax profit	2,956,584	2,523,309

Progress

2012 has once again seen positive organic growth in the number of customers (Independent Financial Advisers) that the business supports and continued positive growth in profit

The business has a strong and justifiable reputation for delivering competitively priced, high quality compliance and business support services to directly (FSA) regulated independent financial advisers. During the past year we have built on this reputation by investing in a range of important new services under our "Vis10n 2013" initiative

Vis10n 2013 & beyond is the culmination of many years work preparing for the changes brought in by the FSA under its Retail Distribution Review (RDR) Vis10n 2013 ensures that the firms served by Simply Biz have access to all of the information, tools, systems, and technology needed to operate efficiently in the new world of Financial Services Vis10n 2013 offers every directly regulated firm served by Simply Biz the opportunity to create their own operating model or adopt one of the pre-prepared routes created for them by Simply Biz

The FSA also continues to place increasing importance on the use of reliable, robust and auditable risk analysis tools to enhance an advisers client's understanding of risk. Simply Biz have offered such a tool for members use, through its Verbatim business. This service continues to grow in demand and has now been adopted by around 80% of Advisers served by Simply Biz.

Regulation

On the regulatory front, the Government has announced the replacement of the FSA by two new bodies. These are The Prudential Regulatory Authority and The Financial Conduct Authority, with the latter taking responsibility for most of the areas which impact on the retail financial services sector. These responsibilities will include the RDR which came into force on 1st January 2013. Whilst estimates of the numbers of financial advisers who will be forced out of the sector vary widely, Simply Biz believes that, based on its own research amongst its customers, less than 5% of its Members will be affected in this way. This is primarily due to the work carried out by the business since 2009 in preparing itself and its members for the changes ahead.

REPORT OF THE DIRECTORS FOR THE YEAR ENDED 31 DECEMBER 2012

2013

The business continues to benefit from a loyal customer base, solid margins, and a highly trained and committed staff base. We enjoy a significant market share and the business continues to grow its reputation in the market as a pioneering business, offering attractive services at a price and value which is second to none. Simply Biz remains committed to helping the firms it serves operate post RDR in either the Independent or Restricted space and will offer services to serve both markets. In addition we continue to explore opportunities in the wider compliance and business support markets where our strength and expertise has the potential to add value and increase profitability. The business remains the largest independent business of its type in the market. It is financially sound, well positioned for growth and faces the future with great confidence.

DIVIDENDS

The total distribution of dividends for the year ended 31 December 2012 was £1,284,362 (2011 - £1,284,362)

On 13 May 2013 a dividend of 16p per share was declared. The total dividend payable was £1,284,452

GROUP'S POLICY ON PAYMENT OF CREDITORS

The current policy concerning the payment of trade creditors is to

- settle the terms of payment with suppliers when agreeing the terms of each transaction,
- ensure that suppliers are made aware of the terms of payment by inclusion of the relevant terms in contracts, and
- pay in accordance with the company's contractual and other legal obligations

On average, trade creditors at the year end represented 36 (2011 - 60) days' purchases

REPORT OF THE DIRECTORS FOR THE YEAR ENDED 31 DECEMBER 2012

STATEMENT OF DIRECTORS' RESPONSIBILITIES

The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and the group and of the profit or loss of the group for that period. In preparing these financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgements and accounting estimates that are reasonable and prudent,
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements,
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's and the group's transactions and disclose with reasonable accuracy at any time the financial position of the company and the group and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and the group and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

STATEMENT AS TO DISCLOSURE OF INFORMATION TO AUDITORS

So far as the directors are aware, there is no relevant audit information (as defined by Section 418 of the Companies Act 2006) of which the group's auditors are unaware, and each director has taken all the steps that he or she ought to have taken as a director in order to make himself or herself aware of any relevant audit information and to establish that the group's auditors are aware of that information

AUDITORS

The auditors, Revell Ward LLP, will be proposed for re-appointment at the forthcoming Annual General Meeting

ON BEHALF OF THE BOARD

K E Davy - Director

Date 13 /5 \ 13

REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF SIMPLY BIZ PLC

We have audited the financial statements of Simply Biz plc for the year ended 31 December 2012 on pages eight to forty two. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accounting Practice).

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in a Report of the Auditors and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed

Respective responsibilities of directors and auditors

As explained more fully in the Statement of Directors' Responsibilities set out on page six, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's (APB's) Ethical Standards for Auditors.

Scope of the audit of the financial statements

A description of the scope of an audit of financial statements is provided on the APB's website at www.frc org uk/apb/scope/private cfm

Opinion on financial statements

In our opinion the financial statements

- give a true and fair view of the state of the group's and of the parent company's affairs as at 31 December 2012 and of the group's profit for the year then ended,
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, and
- have been prepared in accordance with the requirements of the Companies Act 2006

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Chairman's Report and Report of the Directors for the financial year for which the financial statements are prepared is consistent with the financial statements

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if,

- adequate accounting records have not been kept by the parent company, or returns adequate for our audit have not been received from branches not visited by us, or
- the parent company financial statements are not in agreement with the accounting records and returns, or
- certain disclosures of directors' remuneration specified by law are not made, or
- we have not received all the information and explanations we require for our audit

Karen Borowski FCA (Senior Statutory Auditor) for and on behalf of Revell Ward LLP Chartered Accountants and Statutory Auditors 7th Floor 30 Market Street Huddersfield HD1 2HG

4 LIQUID RESOURCES

Liquid resources comprise investments in listed share funds and investments in short term deposit accounts which are readily convertible into known amounts of cash

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2012

ACCOUNTING POLICIES

Basis of preparing the financial statements

The company and group have continued to trade profitably in the current year and have a positive cash position. No reliance is placed on bank facilities and the bank loans in place in the company are being repaid in accordance with the bank agreement.

The directors have considered the current position and budgets of the company and the group, and after making appropriate enquiries they have a reasonable expectation that the company and group have adequate resources to continue in operational existence for the foreseeable future. Thus they continue to adopt the going concern basis of accounting in preparing the annual financial statements.

Accounting convention

The financial statements have been prepared under the historical cost convention and in accordance with applicable accounting standards

Basis of consolidation

The consolidated profit and loss account, balance sheet and cash flow statement include the financial statements of the company and its subsidiary undertakings made up to 31 December 2012. The results of subsidiaries sold or acquired are included in the profit and loss account up to, or from, the date control passes. Intra-group sales and profits are eliminated fully on consolidation.

Turnover

Turnover represents amounts receivable for goods and services net of VAT and trade discounts

Goodwill

Acquired goodwill is written off in equal annual instalments over its estimated useful economic life of 8 or 20 years

Part of the cost of goodwill is estimated based on amounts to be paid in future periods

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life

Fixtures and fittings

25% on cost, 25% on reducing balance, 20% on cost and 20% on reducing balance

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date. The deferred tax balance has not been discounted

Other provisions

Provisions are made relating to specific reinsurance claims notified to the group where the directors consider it is probable that a payment will be made in respect of the claim

Provisions are reduced to 50% or nil of the initial provision, linearly over a four year period depending on the nature of the claims

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS - continued FOR THE YEAR ENDED 31 DECEMBER 2012

ACCOUNTING POLICIES - continued

Foreign currencies

Monetary assets and liabilities in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are translated into sterling at the rate of exchange ruling at the date of transaction. Exchange differences are taken into account in arriving at the operating result.

Non-monetary assets denominated in foreign currencies are translated into sterling at the exchange rates ruling at the date of the transactions

Leasing

Rentals paid under operating leases are charged to the profit and loss account on a straight line basis over the period of the lease

Pension costs and other post-retirement benefits

The group contributes to the personal pensions of certain employees. Contributions payable are charged to the profit and loss account in the year they are payable.

Investments

Fixed asset investments and current asset investments are stated at cost less provision for diminution in value

Share-based payment transactions

The group operates executive and employee share schemes. For all grants of share options, the fair value as at the date of grant is based on the directors' valuations and the corresponding expense is recognised over the vesting period. The expense is recognised as a staff cost and the associated credit entry is made against equity.

Joint ventures

The group's share of profits less losses of joint ventures is included in the consolidated profit and loss account up to, or from, the date of sale or acquisition. The group's share of their gross assets and liabilities is included in the consolidated balance sheet.

Associated companies

The group's share of profits less losses of associated companies and their subsidiaries is included in the consolidated profit and loss account up to, or from, the date of sale or acquisition. The group's share of their gross assets and liabilities is included in the consolidated balance sheet based on the equity method of accounting.

Factors that may affect future tax charges

Subsidiary companies of the group have losses of £412,977 (2011 - £321,544) available to carry forward against future trading profits. A deferred tax asset of £80,000 (2011 - £78,000) has not been recognised on these losses as, given the historic performance of the subsidiary companies and the budgets for the coming year, the asset is not deemed recoverable in the foreseeable future

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS - continued FOR THE YEAR ENDED 31 DECEMBER 2012

8 PROFIT OF PARENT COMPANY

As permitted by Section 408 of the Companies Act 2006, the profit and loss account of the parent company is not presented as part of these financial statements The parent company's profit for the financial year was £2,872,458 (2011 - £2,431,663)

10 INTANGIBLE FIXED ASSETS - continued

Group

The goodwill of a subsidiary company is the amounts paid together with the estimated additional amounts to be paid, based on expected future income generation, in connection with the acquisition of clients from returing financial adviser practices

£34,619 of the changes in cost represents the differences arising between the original estimates of additional amounts to be paid and the actual amounts due, along with the updating of the estimates of future income generation

Part of the goodwill cost is contingent on the future performance of a subsidiary company £180,738 of the changes in cost represents the reduction in the estimates of the deferred consideration payable. The changes in amortisation represent the proportion of amortisation charged on the above goodwill in the prior year.
