3 July 2024

Please note: you should read this progress report in conjunction with our previous progress report and proposals which were issued to the Company's creditors and can be found at [www.ia-insolv.com/case+INTERPATH+DI704F5755.html](http://www.ia-insolv.com/case+INTERPATH+DI704F5755.html). Geoff Jacobs  
Joint Administrator

## **2 Progress to date**

This section updates you on our strategy for the administration and on our progress to date. It follows the information provided in our previous progress report.

### **2.1 Strategy and progress to date**

Strategy

As noted in our last report, no further asset realisations are anticipated in the Administration. We are taking the necessary steps to bring the Administration to a formal conclusion, including finalising all costs of the Administration process, final tax returns and tax & VAT clearance.

### **2.2 Asset realisations**

Realisations during the period are set out in the attached receipts and payments account (Appendix 2).

There have been no significant realisations during the period, and we do not consider there to be any future realisations, with the exception of nominal bank interest.

### **2.3 Costs**

Payments made in this period are set out in the attached receipts and payments account (Appendix 2).

There have been no costs paid during the period although legal costs have been incurred in relation to the extension of the administration. These will be detailed in our next / final progress report.

## **3 Dividend prospects and dividends paid**

### **3.1 Secured creditors**

As advised in our Proposals, we understand that the principal debt due to the Bank is from Homes, however, the Company will be liable for any shortfall via cross guarantees. At the date of appointment, the total indebtedness to the Bank, taking into account the cross guarantees, was £4,013,053.

It should be noted that interest continues to accrue on this debt until repaid in full and other charges may also apply.

The Bank will not receive a distribution from the Company due to the level of realisations. Accordingly, the Bank will suffer a shortfall on its overall indebtedness, receiving only secured creditor dividends from Homes.

### **3.2 Preferential creditors**

The preferential claims have been agreed at £15,548.

The preferential creditors have been repaid in full.

### **3.3 Unsecured creditors**

Based on current estimates, it is highly unlikely that there will be a dividend to unsecured creditors

## **4 Joint Administrators' remuneration and expenses**

### Time costs

From 4 January 2023 to 3 July 2023, we have incurred time costs of £16,403.10. These represent 30.60 hours at an average rate of £536.05 per hour.

A detailed analysis of the time spent is provided at Appendix 3.

### Administrators' Remuneration

During the period we have not drawn any remuneration.

### Administrators' expenses

During the period, we have not incurred any expenses.

### Additional information

We have attached (Appendix 3) an analysis of the time spent, the charge-out rates for each grade of staff and the expenses paid directly by Interpath for the period from 4 January 2023 to 3 July 2023. We have also attached our charging and expenses policy.

# 5 Future strategy

## 5.1 Future conduct of the administration

We will continue to manage the affairs, the business and the property of the Company in order to achieve the purpose of the administration. This will include but not be limited to:

- Settling the outstanding costs of the Administration;
- Finalising all outstanding VAT and tax matters; and
- Attending to all statutory and administrative matters to allow the Administration to be progressed to a formal conclusion.

## 5.2 Extension of the administration

The duration of an administration is restricted to 12 months from the date of commencement unless it is extended with the permission of creditors or the Court.

granted a 12 month extension to the period of the administration.

The administration is currently due to end on 3 July 2024.

## 5.3 Discharge from liability

During the administration the Bank and preferential creditors have granted approval that we be discharged from liability in respect of any actions as Joint Administrators, upon the filing of our final receipts and payments account with the Registrar of Companies.

Discharge does not prevent the exercise of the Court's power in relation to any misfeasance action against us.

## 5.4 Future reporting

We will provide a further progress report within six weeks of 3 January 2024 or earlier if the administration has been completed prior to that time.

## Appendix 3      Joint Administrators' charging and expenses policy

### Joint Administrators' charging policy

The time charged to the administration is by reference to the time properly given by us and our staff in attending to matters arising in the administration. This includes work undertaken in respect of in-house Interpath Advisory tax, VAT and employee specialists.

Our policy is to delegate tasks in the administration to appropriate members of staff considering their level of experience and requisite specialist knowledge, supervised accordingly, so as to maximise the cost effectiveness of the work performed. Matters of particular complexity or significance requiring more exceptional responsibility are dealt with by senior staff or us.

A copy of "A Creditors' Guide to Administrators' Remuneration Scotland" from Statement of Insolvency Practice 9 ('SIP 9') produced by the Association of Business Recovery Professionals is available at:

[https://www.icas.com/\\_data/assets/pdf\\_file/0020/573221/SIP-9-Scot-April-2021.pdf](https://www.icas.com/_data/assets/pdf_file/0020/573221/SIP-9-Scot-April-2021.pdf)

If you are unable to access this guide and would like a copy, please contact Ross Penrose on 0131 385 7924.

### Hourly rates

Set out below are the relevant hourly charge-out rates for the grades of our staff actually or likely to be involved on this administration. Time is charged by reference to actual work carried out on the administration, using a minimum time unit of six minutes.

All staff who have worked on the administration, including cashiers and secretarial staff, have charged time directly to the administration and are included in the analysis of time spent. The cost of staff employed in central administration functions is not charged directly to the administration but is reflected in the general level of charge-out rates.

Managing Director	725	780
Director	675	725
Associate Director	590	635
Manager	495	530
Senior Associate	345	370
Associate	245	265
Support	155	165

The charge-out rates used by us might periodically rise (for example to cover annual inflationary cost increases) over the period of the administration. In our next statutory report, we will inform creditors of any material amendments to these rates.

#### Policy for the recovery of expenses

Where funds permit the officeholders will seek to recover both Category 1 and Category 2 expenses from the estate. For the avoidance of doubt, such expenses are defined within SIP 9 as follows:

*Expenses:* These are any payments which are neither an office holder's remuneration nor a distribution to a creditor or a member. Expenses also includes disbursements which are payments first met by the office holder, and then reimbursed to the office holder from the estate.

*Category 1 expenses:* These are payments to persons providing the service to which the expense relates who are not an associate of the office holder. These may include, for example, advertising, room hire, storage, postage, telephone charges, travel expenses, and equivalent costs reimbursed to the officeholder or his or her staff.

*Category 2 expenses:* These are payments to associates or which have an element of shared costs. They may include shared or allocated costs that can be allocated to the appointment on a proper and reasonable basis, for example, business mileage.

*Associates:* are defined in the insolvency legislation but also extends to parties where a reasonable and informed third party might consider there would be an association between the third party and the office holder or their firm.

Category 2 expenses charged by Interpath Advisory include mileage. This is calculated as follows:

Mileage claims fall into three categories:

- Use of privately-owned vehicle or car cash alternative – 45p per mile.

- Use of company car – 60p per mile.

- Use of partner's car – 60p per mile.

For all of the above car types, when carrying Interpath passengers an additional 5p per mile per passenger will also be charged where appropriate.

We have not incurred any expenses during the period.

We have the authority to pay Category 1 expenses without the need for any prior approval from the creditors of the Company.

The Category 2 expenses have not been approved.

The full text of the relevant rules can be provided on request by writing to Ross Penrose at Interpath Advisory, 5th Floor, 130 St Vincent Street, Glasgow G2 5HF, United Kingdom.
