To ensure sustainable management of the asset for the benefit of the Community.

To redistribute any surplus funds of the Company for the benefit of the Community.

Achievements and performance

During the year the company carried out refurbishment work to the shop, improving the electrics and purchasing new chiller cabinets. Landscaping work was also carried out outside the shop and decking was laid.

The business continues to trade successfully and we have excellent tenants in place.

Statement of directors' responsibilities

The directors (who are also trustees of Tayvallich Community Company under charity law) are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Generally Accepted Accounting Practice.

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

Tayvallich Community Company
(A company limited by guarantee)

Independent examiner's report to the directors on the unaudited financial statements of Tayvallich Community Company.

I report on the accounts for the year ended 31 October 2013 set out on pages 2 to 12.

This report is made to the charity's Trustees, who are also directors of the company, in accordance with the terms of my engagement. My work has been undertaken to enable me to prepare the financial statements on behalf of the charity's Trustees and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the charity and the charity's Trustees, as a body, for my work or this report.

Respective responsibilities of trustees and independent examiner

The charity's trustees (who are also the directors of the company for purposes of company law) are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 (the Act) and the Charities Accounts (Scotland) Regulations 2006. The charity's trustees consider that the audit requirement of Regulation 10(1) (a) to (c) of the Accounts Regulations does not apply. It is my responsibility to examine the accounts as required under section 44(1) (c) of the Act, and to state whether particular matters have come to my attention.

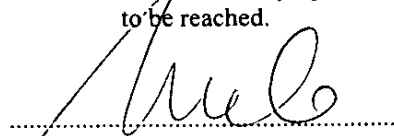

Basis of Independent examiner's statement

My examination is carried out in accordance with Regulation 11 of the Charities Accounts (Scotland) Regulations 2006. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeks explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

Independent examiner's statement

In the course of my examination, no matter has come to my attention:

1. which gives me reasonable cause to believe that in any material respect the requirements:
 - to keep accounting records in accordance with Section 44(1) (a) of the 2005 Act and Regulation 4 of the 2006 Regulations
 - to prepare accounts which agree with the accounting records, comply with Regulation 8 of the 2006 Regulationshave not been met, or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

1. Accounting policies

The principal accounting policies are summarised below. The accounting policies have been applied consistently throughout the year and the preceding year.

1.1. Basis of accounting

The financial statements are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008), the Statement of Recommended Practice 'Accounting and Reporting by Charities' issued in March 2005 (SORP 2005) and the Companies Act 2006.

1.2. Incoming resources

All incoming resources are included in the statement of financial activities when the charity is entitled to the income and the amount can be quantified with reasonable accuracy. The following specific policies are applied to particular categories of income:

Voluntary income is received by way of grants, donations and gifts and is included in full in the statement of financial activities when receivable. Grants where entitlement is not conditional on the delivery of a specific performance by the charity, are recognised when the charity becomes unconditionally entitled to the grant.

Donated services and facilities are included at the value to the charity where this can be quantified. The value of services provided by volunteers has not been included.

Gifts donated for resale are included as incoming resources within activities for generating funds when they are sold.

Grants, including grants for the purchase of fixed assets, are recognised in full in the statement of financial activities in the year in which they are receivable.

Income from investments is included in the year in which it is receivable.

1.3. Resources expended

Expenditure is recognised on an accrual basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is reported as part of the expenditure to which it relates.

Costs of generating funds comprise the costs associated with attracting voluntary income and the costs of trading for fundraising purposes.

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

1.4. Goodwill

Acquired goodwill is written off in equal annual instalments over its estimated useful economic life of 25 years.
