Objectives and activities

The objectives of Mellow Parenting as set out in its governing documents (Memorandum and Articles of Association) are:

- The advancement of the mental health and development of children.
- Education, training and research to enhance the capabilities, skills and understanding
 of parents and carers to enable them to support the mental health and development of
 children.
- Provision of training and support for families where parents or carers or children have or are at risk of experiencing difficulties in parents/carer and child relationships or mental health difficulties.

Report of the Trustees for the year ended 31 March 2023

Our Vision

We want every child, wherever they are in the world, to be part of a safe and nurturing family that will allow them and future generations the best possible start in life.

Our Mission

Our mission is to make a difference. We do this by:

- 1) Creating, researching, developing and sharing attachment-based parenting programmes which reflect universal principles in local contexts;
- 2) Providing families with the opportunity to make positive change in their life and build better relationships, benefitting future generations;
- 3) Gathering evidence of all our work in order to ensure that our programmes are improving lives;
- 4) Using our experience and expertise to influence and participate in local and national policy making.

Our Values

The decisions we make will be guided by our core values:

We will **nurture** and support each other, our practitioners, organisations and families who encounter us.

We will strive to be as inclusive, accessible and open as possible.

We will make decisions to be the best at what we do. **High quality and high standards** are important to us.

We want everyone we come across to have the best possible experience of Mellow Parenting.

Achievements and Performance

Mellow Parenting is delighted to present a review of achievements and performance in the year 1st April 2022 to 31st March 2023.

Governance

We completed a Board Members Skills Analysis which highlighted that we lacked support in Marketing. After working with a young entrepreneur via the Skills Support Base from Inspiring Scotland to create a marketing plan, we were very fortunate to welcome Sam Marriot-Dowding to the Board as a Marketing Specialist in October 2022.

The Board continues to review good governance using SCVO's guidelines, and continues with the Charity Excellence Framework Quality Award, promoting our due diligence and good governance.

Lynn Campbell retired from the Board in May 2022, and we thank her for her valued community support over the years she was with us.

Report of the Trustees for the year ended 31 March 2023

Achievements and Performance (continued)

Organisational

Every member of staff works with full commitment to the organisation, sometimes way out with their comfort zone to promote and continue both our face to face and online programmes. Feedback from families attending the online groups is proving extremely positive, encouraging us to deliver our own online groups under a grant from the Perinatal Infant Mental Health Fund managed by Inspiring Scotland.

In April, we lost our Training Co-ordinator to a higher paying position elsewhere. It was an interesting process for our CEO who went back to her roots covering the administration of Mellow Training until we could appoint a replacement, Caitlin O'Rourke. Our attention to detail through marrying the monitoring of our financial situation to the strategic and operational activities resulted in a more positive financial outlook for the organisation at the end of last year, despite the new challenging circumstances which were somewhat forced upon us. The staff's ability to continue to work through this environment of change is testament to their dedication and appreciation of everyone in the team and we are delighted to once again be reporting a positive financial outlook at the end of this financial year.

Staff report to the board via reports on a quarterly basis, permitting the board to:

- 1. receive information on the financial situation of the organisation.
- 2. receive information on the fund raising activity of the organisation.
- 3. consider the organisation's on going activities via the Action Plan.
- recommend any change in activity.
- 5. be alert to any major changes affecting possible contingencies.

Activities

- A new hybrid style of working was introduced in April 2022, combining office and home based working which continues to this day. The office is closed on Mondays and Fridays, and open for all staff Tuesday, Wednesday and Thursday.
- Ensured strict financial recording and monitoring of activities and striving towards breaking even.
- Continuance of CPD Accreditation UK as an Accredited Organisation, although we stopped this in March 2023 and moved towards CPD with AlMuk.
- Nominated for and shortlisted as a Scottish Social Enterprise of the Year 2022.
- Continuance of the Business Continuity plan.
- Success in monitoring and achieving Action Plan targets.
- Continuance of Charity Excellence Framework Quality Mark.
- Supported Mellow Practitioners through their training, group delivery, reflective consultation, evaluation and accreditation.
- Continued with Programme Development, and in particular added a range of new online programmes to the Mellow Family of Programmes as well as Modified Mellow which is being piloted by Tree Top Nursery in Fife April 2023.

Report of the Trustees for the year ended 31 March 2023

Achievements and Performance (continued)

- Continued with the Mellow Foundations Workshops: "Mellow Conversations" "What Children Need" and "Difficult Conversations with Carers". Introducing a different style of working, we have focussing on promoting these workshops as Workforce and Skills Development.
- Successfully completed the Seventh year of CYPFEIF funding, reaching new targets as set during discussion with CORRA and the Scottish Government. Received excellent feedback from the annual report submitted to CORRA in April 2022.
- Continued to use Mimeo digital printing on demand, thus reducing stock held in premises. All manuals were revised in February/March 2023 and uploaded to Mimeo., meaning that we can start April 2023 with a new baseline of dated manuals.
- "attended" various conferences and events to promote Mellow digitally, with presentations and leaflet inclusions.
- Submitted and had accepted abstracts to present at the World Association of Infant Health Congress in July 2023 in Dublin.
- Continued monthly staff "Mental Health" sessions, walks around the park, Pottery, Escape Rooms, Wild Water Swimming (!) and more.
- Mellow Babies qualitative research paper "There is more love between us" was published in the Infant Mental Health journal October 2022 edition.
- A detailed succession plan was put in place as the existing CEO retired. The new CEO was appointed with a full handover completed on 23 March 22.
- Completed the auto-enrolment and updated the pension regulator, which is required every three years.

Student Placements

- We have had the pleasure of offering placements to more students on a virtual basis since April 2022 from King College London, University of Edinburgh and Glasgow Caledonia University.
- A Final year Social Work student on placement with us from Glasgow Caledonia University graduated in June 2022, and commenced a part time post as Project Assistant with us in August 2022.

International Activities

- Mellow Parenting is based in the UK but has an international outreach: Over the last year we have been continuing to support practitioners in Australia, Moldova, North Macedonia, Tajikistan, New Zealand, Turkey and Ireland. We are also developing the capacity of key individuals in these nations supporting them on their journey to become Mellow Parenting Trainers.
- We have been working with colleagues in India, building up to creating a partnership agreement for them to coordinate and delivery Mellow in India, and we are working closely with other colleagues in Pakistan to create a pilot project delivering Mellow Programmes.

Report of the Trustees for the year ended 31 March 2023

Achievements and performance (continued)

- We continue to use virtual platforms to meet with trainers from different countries. We are able to share ideas and good practice, discussing the pros and cons of online groups and supporting vulnerable families at this time.
- We held an online international conference in January "Putting the pieces together" in partnership with Home Start worldwide. This was well attended and received positive feedback
- We are members of the Scottish International Development Alliance and benefit from the training and support that they offer. We are particularly involved with the Leave No One Behind group supporting online meetings and discussions.

Funders

Of course, thanks are due to our current funders:

- Scottish Government/Corra Foundation Children, Young People and Families Early Intervention Fund continued to March 2023
- · Adapt and Thrive II uplift
- Inspiring Scotland Perinatal and Infant Mental Health Programme

Thanks must also go to all Board members who give of their time voluntarily and in an exemplary fashion.

Sincere thanks are expressed to the Mellow staff team for their enthusiasm, fortitude and innovation during the Covid era which stands the organisation in very good stead for the future. The CEO is congratulated for her inspired leadership of the organisation who along with the rest of the staff, continue to show commitment, enthusiasm and compassion in their work for the organisation. The smooth running of the organisation is recognised by the Board and the CEO, and thanks must be recorded to them for their commitment to keeping going during the circumstances.

It is with sadness that we report the retirement of our current CEO, Rosemary Mackenzie. Rosemary has served Mellow since its inception, and we are sorry to see her go. We are incredibly grateful to her for her passion for all things Mellow and wish her well in her future journey. We hope to see her back in a voluntary capacity at some time. After extensive advertising and interviewing we will welcome Mr Raquib Ibrahim as incoming CEO in April 2023.

Report of the Trustees for the year ended 31 March 2023

Company law requires the charity trustees to prepare financial statements for each year, which give a true and fair view of the state of affairs of the charitable company and the group and of the incoming resources and application of resources, including the income and expenditure, of the charitable group for that period. In preparing the financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently
- · observe the methods and principles in the Charities SORP
- make judgements and estimates that are reasonable and prudent
- state whether applicable UK accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and the group and hence taking reasonable steps for the prevention and detection of fraud and other irregularities.

INDEPENDENT EXAMINER'S REPORT TO THE MEMBERS OF MELLOW PARENTING LIMITED FOR THE YEAR ENDED 31 MARCH 2023

I report on the accounts of the charity for the year ended 31 March 2023, which are set out on pages 12 to 24.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006.

The charity trustees consider that the audit requirement of Regulation 10(1) (a) to (c) of the Accounts Regulations does not apply. It is my responsibility to examine the accounts as required under section 44(1) (c) of the Act and to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination is carried out in accordance with Regulation 11 of the Charities Accounts (Scotland) Regulations 2006. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeks explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

Independent examiner's statement

In the course of my examination, no matter has come to my attention

- 1. which gives me reasonable cause to believe that in any material respects the requirements:
 - to keep accounting records in accordance with Section 44 (1) (a) of the 2005
 Act and Regulation 4 of the 2006 Accounts Regulations, and
 - to prepare accounts which accord with the accounting records and comply with Regulation 8 of the 2006 Accounts Regulations

have not been met, or

2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

NOTES TO THE ACCOUNTS FOR THE YEAR ENDED 31 MARCH 2023

1. Accounting Policies

(a) Basis of preparation and assessment of going concern

The accounts (financial statements) have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant note(s) to these accounts.

The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019) the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended).

The charitable company constitutes a public benefit entity as defined by FRS 102.

The trustees consider that there are no material uncertainties about the charitable company's ability to continue as a going concern.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

(b) Funds structure

Unrestricted income funds comprise those funds which the trustees are free to use for any purpose in furtherance of the charitable objects. Unrestricted funds include designated funds where the trustees, at their discretion, have created funds for specific purposes.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by the donor or trust deed, or through the terms of an appeal.

Further details of each fund are disclosed in note 18.

(c) Income recognition

Income is recognised once the charity has entitlement to the income, it is probable that the income will be received, and the amount of income receivable can be measured reliably.

Donations are recognised when the charity has been notified in writing of both the amount and settlement date. In the event that a donation is subject to conditions that require a level of performance before the charity is entitled to the funds, the income is deferred and not recognised until either those conditions are fully met, or the fulfilment of those conditions is wholly within the control of the charity and it is probable that those conditions will be fulfilled in the reporting period.

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the bank.

Income from government and other grants, whether 'capital' or 'revenue' grants, is recognised when the charity has entitlement to the funds, any performance conditions attached to the grants have been met, it is probable that the income will be received and the amount can be measured reliably and is not deferred.

NOTES TO THE ACCOUNTS FOR THE YEAR ENDED 31 MARCH 2023

1. Accounting Policies (continued)

(c) Income recognition (continued)

Income received in advance of the provision of a specified service deferred until the criteria for income recognition are met (see note 17).

(d) Expenditure recognition

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

All expenditure is accounted for on an accruals basis. All expenses including support costs and governance costs are allocated or apportioned to the applicable expenditure headings. For more information on this attribution refer to note (e) below.

- Costs of raising donations and legacies comprise expenditure incurred to attract voluntary income;
- Expenditure on charitable activities includes the direct costs incurred and other activities undertaken to further the purposes of the charity and their associated support costs;

Irrecoverable VAT is charged as a cost against the activity for which the expenditure is incurred.

(e) Allocation of support and governance costs

Support costs have been allocated between governance costs and other support costs. Governance costs comprise all costs involving the public accountability of the charity and its compliance with regulation and good practice. These costs include costs related to independent examination (and statutory audit) and legal fees together with an apportionment of overhead and support costs.

Governance costs and support costs relating to charitable activities have been apportioned based on the number of individual grant awards made in recognition that the administrative costs of awarding, monitoring and assessing research grants, salary support grants and postgraduate scholarships are broadly equivalent. The allocation of support and governance costs is analysed in note 7.

(f) Intangible assets

Intangible assets shown on the balance sheet relates to development of the charity's website. The website is not yet complete and therefore no amortisation has been accounted for in the accounts to 31st March 2023.

(g) Tangible fixed assets and depreciation

All assets costing more than £1,500 are capitalised and valued at historical cost. Depreciation is charged as follows:

Freehold and long leasehold buildings Plant and equipment

Basis 25% on cost 25% on cost

NOTES TO THE ACCOUNTS FOR THE YEAR ENDED 31 MARCH 2023

1. Accounting Policies (continued)

(h) Debtors

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

(i) Cash at bank and in hand

Cash at bank and cash in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

(i) Creditors and provisions

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

(k) Financial instruments

The company only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

(I) Employee Benefits

The costs of short-term employee benefits are recognised as a liability and an expense, unless those costs are required to be recognised as part of the cost of stock or fixed assets. The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received. Termination benefits are recognised immediately as an expense when the charity is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

(m) Pensions

Employees of the charity are entitled to join a defined contribution 'money purchase' scheme. The charity contribution is restricted to the contributions disclosed in note 9.

(n) Taxation

The company is a charitable company within the meaning of Paragraph 1 Schedule 6 of the Finance Act 2010. Accordingly, the company is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 of Part 11 of the Corporation Tax act 2010 and section 256 of the Taxation of Chargeable Gains Act 1992 to the extent that such income or gains are applied for charitable purposes only.

NOTES TO THE ACCOUNTS FOR THE YEAR ENDED 31 MARCH 2023

1. Accounting Policies (continued)

(o) Judgements and key sources of estimation uncertainty

In the application of the company's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised, if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

The trustees are satisfied that the accounting policies are appropriate and applied consistently. Key sources of estimation have been applied as follows;

<u>Estimate</u>
Depreciation and
amortisation of fixed and
intangible assets

Basis of estimation

Assets are depreciated and amortised over the useful life of the asset. The useful lives of fixed assets are based on the knowledge of the operations team, with reference to assets expected life cycle.
