Rubyblue Travel Ltd. Notes to the Financial Statements For The Year Ended 30 November 2021

1. Accounting Policies

1.1. Basis of Preparation of Financial Statements

The financial statements are prepared under the historical cost convention and in accordance with the FRS 102 Section 1A Small Entities - The Financial Reporting Standard applicable in the UK and Republic of Ireland and the Companies Act 2006.

1.2. Going Concern Disclosure

The directors have not identified any material uncertainties related to events or conditions that may cast significant doubt about the company's ability to continue as a going concern.

The financial statements have been prepared on a going concern basis, despite the fact that liabilities exceed assets. The directors have given an undertaking to support the company until it returns to a net assets position. The director therefore considers that it is appropriate to prepare the accounts on the going concern basis.

1.3. Turnover

Turnover is measured at the fair value of the consideration received or receivable, net of discounts and value added taxes. Turnover includes revenue earned from the sale of goods and from the rendering of services. Turnover is reduced for estimated customer returns, rebates and other similar allowances.

Sale of goods

Turnover from the sale of goods is recognised when the significant risks and rewards of ownership of the goods has transferred to the buyer. This is usually at the point that the customer has signed for the delivery of the goods.

Rendering of services

Turnover from the rendering of services is recognised by reference to the stage of completion of the contract. The stage of completion of a contract is measured by comparing the costs incurred for work performed to date to the total estimated contract costs. Turnover is only recognised to the extent of recoverable expenses when the outcome of a contract cannot be estimated reliably.

1.4. Tangible Fixed Assets and Depreciation

Tangible fixed assets are measured at cost less accumulated depreciation and any accumulated impairment losses. Depreciation is provided at rates calculated to write off the cost of the fixed assets, less their estimated residual value, over their expected useful lives on the following bases:

Fixtures & Fittings 25% straight line Computer Equipment 25% straight line

1.5. Pensions

The company operates a defined pension contribution scheme. Contributions are charged to the income statement as they become payable in accordance with the rules of the scheme.

1.6. Registrar Filing Requirements

The company has taken advantage of Companies Act 2006 section 444(1) and opted not to file the income statement, directors report, and notes to the financial statements relating to the income statement. The notes which are not included have been hidden but original note numbering has remained the same for those that are present.

3. Average Number of Employees

Average number of employees, including directors, during the year was as follows:
