Structure, Governance and Management

The voluntary committee of trustees meets every 3 months to set the policy and long term aims for the organisation. In addition to the management committee there are also standing sub-committees which deal with matters in more detail; finance, employment and marketing, there are also ad hoc committees such as the 'Investing in Volunteers', this sub-committee also includes staff and operational volunteers.

The Volunteer Centre has a 'drop in to volunteer' office in Kilmarnock town centre and Cumnock. Both offices are open to the public on a part-time basis. The administration office is in a separate building in Kilmarnock. Outreach services are also offered in Jobcentres in Kilmarnock and Cumnock, and the Ayrshire College, Kilmarnock Campus.

Recruitment and Appointment of Trustees

The voluntary committee of trustees is elected at the Annual General Meeting to serve for a single year. Membership is open to anyone who supports the aims and objectives of the Volunteer Centre East Ayrshire. The majority of the current trustees have all served for more than 3 years. Many of the trustees also serve as trustees to other organisations and have a depth of experience within the voluntary sector. The organisation is actively seeking additional members with a diversity of experiences and backgrounds. Potential trustees are invited to attend management committee meetings as observers to help decide whether to join the committee.

DIRECTORS' REPORT FOR THE YEAR ENDED 31 MARCH 2019

Induction and Training of Trustees

All new trustees receive induction training and a manual which gives an overview of the work of the Volunteer Centre. Trustees keep up to date with changes in the legislation which affect the Volunteer Centre and training on the responsibilities of trustees is available to all trustees.

Organisational Structure

The Management Committee is responsible for policy decisions and ensuring that the organisation operates within its constitution. Regular meetings are held to effect policy decisions. Committee members are Trustees in law for the charity and have a fiduciary responsibility over its assets and finances.

The organisation has a full time manager who is responsible for the day to day operation of the Volunteer Centre and manages the staff on behalf of the trustees. The manager reports directly to the committee. There are also 2-part time volunteer development workers and a full time information worker. In addition to the core functions of a Volunteer Centre, there is a befriending project which employs a full time coordinator. The key management personnel of the charity is the manager, Alice McArdle. The work of the group is assisted by 3 volunteer administrators and around 55 project volunteers mainly involved in befriending. The Trustees recognise the significant contribution of both paid and voluntary staff.

The Volunteer Centre East Ayrshire is an independent organisation. It works in partnership with a range of organisations including Voluntary Action Scotland, Voluntary Action South Ayrshire, Volunteer Scotland, East Ayrshire Council, and Generations Working Together. It has a formal partnership agreement with the Council of Voluntary Organisations (East Ayrshire) Ltd to form Voluntary Action East Ayrshire which is recognised as the Third Sector Interface for East Ayrshire.

Pay Policy for Senior Staff

The pay of senior staff is reviewed annually by the Board with reference to pay scales for similar organisations within the sector.

Voluntary Help and Gifts in Kind

Volunteer Centre East Ayrshire recognises and values the work of volunteers who have helped achieve the result of the past year. The Volunteer Centre East Ayrshire also recognises the value of gifts in kind from the local authority such as rates relief on property.

Risk Management

The trustees try to identify all major risks which could affect operation, performance and the needs of the funders. This includes changes in legislation, funding and financial procedures.

A key risk to the organisation regarding the uncertainty of core Scottish Government funding beyond September 2018 has been removed with the conclusion of the Scottish Government Review. Funding will be on initially an annual basis before moving to a 3-year funding cycle - expected in 2020.

The Scottish Government Review removed funding to the umbrella TSI body, Voluntary Action Scotland which coordinated information, training and policy matters. New arrangements will require to be established.

An application to the Big Lottery for work in the Shortlees area of Kilmarnock has been achieved, started in May 2018. This will employ 1.3 staff to encourage community involvement in the area.

Funding additional to core in the current year includes Integrated Care Fund for a befriending project – this has now been 'mainstreamed'.

Additional identified risk areas which are being investigated include; the introduction of the new GDPR (The General Data Protection Regulation), the impact of Freedom of Information Act. GDPR has already involved the organisation in additional expenses and time in terms of staff training and checking of all relevant policies.

VOLUNTEER CENTRE EAST AYRSHIRE

DIRECTORS' REPORT FOR THE YEAR ENDED 31 MARCH 2019

Reserves policy and Going Concern

The main reason for holding reserves is to ensure that the Volunteer Centre has enough resources to fund the core programme. It is policy not to commit funds that it does not have.

The Volunteer Centre is working towards a reserve level of 6 month's unrestricted reserves in the long term; this to include redundancy payments as well as a buy-out of all contracts and leases.

The unrestricted general fund balance at 31 March 2019 was £10,775. The directors previously established a designated contingency fund and the balance of this fund at 31 March 2019 was £12,500 which represents approximately one month's running costs at current operating levels. The trustees recognise that it is difficult to build reserves at a time of uncertainty for funding but will establish a committee to develop a strategy.

Principal Funding Sources

Volunteer Centre East Ayrshire receives a grant from the Scottish Government which is significantly higher than any other sources of income.

Review of Financial Year

The excess of income over expenditure for the year was £19,783 (2018: excess expenditure over income £6,862). The statement of financial activities is included at page 2 of the financial statements, which shows the restricted and unrestricted funds. A further detailed analysis of restricted and unrestricted funds is shown at note 12 to the financial statements.

Investment Policy and Objectives

The Volunteer Centre East Ayrshire aims to maximise the value of all monies and therefore trustees have the power to invest in such assets as they see fit.

Plans for Future Periods

Within the Third Sector Interface East Ayrshire, the Volunteer Centre will continue to promote and develop volunteering as well as supporting the Bee Busy Project to combat loneliness and isolation. The core work of the Volunteer Centre is reviewed on a regular basis by the Scottish Government which has just completed a review of the TSI function and working towards a new collaborative framework which reflects the new Scottish Government Performance Framework.

Volunteering and active citizenship continue to be an integral part of the strategy of the Scottish Government and also an underlying method of delivery of the East Ayrshire Single Outcome Agreement, the Community Plan, Local Community Action Plans.

The Volunteer Centre is also the main source of information and help to voluntary organisations which seek help and information on registering for Disclosures through Volunteer Scotland Disclosure Services and is an intermediary organisation able to accept Disclosures on behalf of other groups.

It is recognised that there is a need to strengthen the committee and recruit more Trustees with specific skills as well as raising the skill of existing trustees by offering additional training, particularly with regard to recent legislation.

DIRECTORS' REPORT FOR THE YEAR ENDED 31 MARCH 2019

Statement of Directors'/Trustees' Responsibilities

The trustees (who are also directors of Volunteer Centre East Ayrshire for the purposes of company law) are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for the year. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

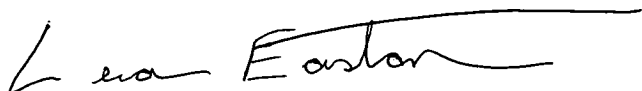

The trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006, the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended). They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

This report has been prepared in accordance with the special provisions for small companies under Part 15 of the Companies Act 2006.

Annual Report

In addition to the formal Trustees' report, an annual report is produced by the Trustees containing more detailed information on the operational activities of the project. This annual report will be publicly available on request following the forthcoming AGM.

Approved by the Trustees on 27 December, 2019 and signed on their behalf by:

VOLUNTEER CENTRE EAST AYRSHIRE

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF VOLUNTEER CENTRE EAST AYRSHIRE

I report on the accounts of the charity for the year ended 31 March, 2019 which are set out on pages 2 to 10.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended). The charity trustees consider that the audit requirement of Regulation 10(1) (a) – (c) of the Accounts Regulations does not apply. It is my responsibility to examine the accounts as required under section 44(1) (c) of the Act and to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination is carried out in accordance with Regulation 11 of the Charities Accounts (Scotland) Regulations 2006. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeks explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

Independent examiner's statement

In the course of my examination, no matter has come to my attention:

- 1 which gives me reasonable cause to believe that in any material respect the requirements:
 - to keep accounting records in accordance with Section 44(1) (a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations; and
 - to prepare accounts which accord with the accounting records and comply with Regulation 9 of the 2006 Accounts Regulations;have not been met; or
- 2 to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2019**

1 Accounting policies

The principal accounting policies are summarised below. The accounting policies have been applied consistently throughout the year.

(a) Basis of accounting

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) - (Charities SORP (FRS 102), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102), the Companies Act 2006, the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended). Volunteer Centre East Ayrshire meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note(s).

(b) Preparation of accounts on a going concern basis

The financial statements have been prepared on a going concern basis which assumes that the charity will continue to operate for a period of 12 months from the date of approval by the Board. The charity is no longer as reliant on external grant funding and there are more than sufficient unrestricted funds (refer to Directors Report), in conjunction with known grant funding, to enable activities to continue for at least another 12 months.

(c) Fund accounting

Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objectives of the charity.

Designated funds are unrestricted funds earmarked by the Board for particular purposes.

Restricted funds are subjected to restrictions on their expenditure imposed by the donor or grantor.

(d) Income

All income is included in the statement of financial activities when the charity is entitled to the income, Income from donations & legacies is received by way of grants, donations and gifts and is included in full in the Statement of Financial Activities when receivable. Grants, where entitlement is not conditional on the delivery of a special performance by the charity, are recognised when the charity becomes unconditionally entitled to the grant.

Donated services and facilities are included at the value to the charity where this can be quantified.

Investment income is included when received.

(e) Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Governance costs includes those costs associated with meeting the constitutional and statutory requirements of the charity and include the examiner's fees and costs linked to the strategic management of the charity which are voluntary other than trustees' travelling expenses reimbursed. Although disclosed separately at note 12, governance costs now form part of charitable expenditure (page 3) under the current SORP.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)
FOR THE YEAR ENDED 31 MARCH 2019
