- (f) make and effect all repairs, renewals and improvements to any of the Charged Property and maintain, renew, take out or increase insurances;
- (g) exercise all voting and other rights attaching to the shares, investments, stocks and other securities owned by the Chargor and comprised in the Charged Property, but only following a written notification from either the Receiver or the Security Agent to the Chargor stating that the Security Agent shall exercise all voting rights in respect of the shares or investments and stocks and other securities owned by the Chargor and comprised in the Charged Property;
- (h) redeem any prior Security on or relating to the Charged Property and settle and pass the accounts of the person entitled to that prior Security, so that any accounts so settled and passed shall (subject to any manifest error) be conclusive and binding on the Chargor and the money so paid shall be deemed to be an expense properly incurred by the Receiver;
- (i) appoint and discharge officers and others for any of the purposes of this Supplemental Floating Charge and/or to guard or protect the Charged Property upon terms as to remuneration or otherwise as he may think fit;
- (j) settle any claims, accounts, disputes, questions and demands with or by any person who is or claims to be a creditor of the Chargor or relating to any of the Charged Property;

11. POWER OF ATTORNEY

Appointment and Powers

- 11.1 The Chargor irrevocably appoints the Security Agent and any Receiver independently to be its attorney and in its name, on its behalf and as its act and deed to:

- 11.1.2 execute, deliver and perfect all other documents and do all things which the attorney may consider to be required or desirable for:
- (a) carrying out any obligation imposed on the Chargor by this Supplemental Floating Charge or any other agreement binding on the Chargor to which the Security Agent is party (including the execution and delivery of any deeds, charges, assignments or other security and any transfers of the Charged Property and perfecting and/or releasing the Security created or intended to be created in respect of the Charged Property); and

12. PROTECTION OF PURCHASERS

Consideration

- 12.1 The receipt of the Security Agent or any Receiver shall be a conclusive discharge to a purchaser and, in making any sale or other disposal of any of the Charged Property (including a disposal by a Receiver to any subsidiary of the Chargor) or in making any acquisition in the exercise of their respective powers, the Security Agent and every Receiver may do so for such consideration, in such manner and on such terms as it or he thinks fit.

Protection of Third Parties

- 12.2 No purchaser or other person dealing with the Security Agent or any Receiver shall be bound to inquire whether the right of the Security Agent or such Receiver to exercise any of its powers has arisen or become exercisable or be concerned with any propriety or regularity on the part of the Security Agent or such Receiver in such dealings.

Primary Liability of Chargor

- 12.3 The Chargor shall be deemed to be a principal debtor and the sole, original and independent obligor for the Secured Obligations and the Charged Property shall be deemed to be a principal security for the Secured Obligations. The liability of the Chargor under this Supplemental Floating Charge and the charges contained in this Supplemental Floating Charge shall not be impaired by any forbearance, neglect, indulgence, abandonment, extension of time, release, surrender or loss of securities, dealing, variation or arrangement by the Security Agent or any other Secured Party, or by any other act, event or matter whatsoever whereby the liability of the Chargor (as a surety only) or the charges contained in this Supplemental Floating Charge (as secondary or collateral charges only) would, but for this provision, have been discharged.

13. APPLICATION OF PROCEEDS

Order of Application

- 13.1 All monies received or recovered by the Security Agent or any Receiver pursuant to this Supplemental Floating Charge or the powers conferred by it shall be applied in the order and manner specified in the Intercreditor Agreement.

New Accounts

- 13.2 If the Security Agent at any time receives or is deemed to have received notice of any subsequent Security, assignment or transfer affecting all or any part of the Charged Property which is prohibited by the terms of any Secured Debt Document, all payments thereafter by or on behalf of the Chargor to the Security Agent will (in the absence of any express contrary appropriation by the Chargor) be treated as having been credited to a new account of the Chargor and not as having been applied in reduction of the Secured Obligations at the time that notice was received.

14. NO LIABILITY

- 14.1 Neither the Security Agent nor any Receiver shall in any circumstances (either by reason of entering into or taking possession of any Charged Property or for any other reason and whether as creditor, heritable creditor, mortgagee in possession or on any other basis) be liable to account to the Chargor for anything, except actual receipts, or be liable to the Chargor for any losses arising from the realisation of any Charged Property or from any neglect or default of the Security Agent or any Receiver in relation to the Charged Property or taking possession of or realising all or any part of the Charged Property, except in the case of gross negligence or wilful default upon its part.
- 14.2 If the Security Agent or any Receiver enters into or takes possession of the Charged Property, it or he may at any time relinquish possession.

15. SET-OFF

- 15.1 The Chargor authorises the Security Agent (but the Security Agent shall not be obliged to exercise such right), after the occurrence of an Acceleration Event, to set off against the Secured Obligations any amount or other obligation (contingent or otherwise) owing by the Security Agent to the Chargor and apply any credit balance to which the Chargor is entitled on any account with the Security Agent in accordance with Clause 13 (*Application of Proceeds*) (notwithstanding any specified maturity of any deposit standing to the credit of any such account).

16. EFFECTIVENESS OF SECURITY

Continuing Security

- 16.1 The security constituted by this Supplemental Floating Charge shall remain in full force and effect as a continuing security for the Secured Obligations, unless and until discharged by the Security Agent, and will extend to the ultimate balance of all the Secured Obligations, regardless of any intermediate payment or discharge in whole or in part.

Cumulative Rights

- 16.2 The security constituted by this Supplemental Floating Charge and all rights, powers and remedies of the Security Agent provided by or pursuant to this Supplemental Floating Charge or by law shall be cumulative and in addition to, and independent of, any other guarantee or Security now or subsequently held by the Security Agent for the Secured Obligations or any other obligations or any rights, powers and remedies provided by law. No prior Security held by the Security Agent over the whole or any part of the Charged Property shall be superseded by, or supersede or merge into, the security constituted by this Supplemental Floating Charge.

Reinstatement

- 16.3 If any discharge, release or arrangement (whether in respect of the obligations of the Chargor or any Security for those obligations or otherwise) is made by the Security Agent in whole or in part on the faith of any payment, Security or other disposition which is avoided or must be restored in insolvency, liquidation, administration or otherwise, without limitation, then the liability of the Chargor under, the security constituted by this Supplemental Floating Charge will continue or be reinstated as if the discharge, release or arrangement had not occurred.

Appropriations

- 16.4 All monies received, recovered or realised by the Security Agent under this Supplemental Floating Charge (including the proceeds of any conversion of currency) may in the discretion of the Security Agent be credited to any interest bearing suspense or impersonal account(s) maintained with any bank, building society, financial institution or other person which the Security Agent considers appropriate (including itself) for so long as it may think fit (the interest being credited to the relevant account) pending their application from time to time at the Security Agent's discretion, in or towards the discharge of any of the Secured Obligations and save as provided herein no party will be entitled to withdraw any amount at any time standing to the credit of any suspense or impersonal account referred to above.

17. EXPENSES, STAMP TAXES AND INDEMNITIES

Expenses

- 17.1 The Chargor shall, from time to time on demand of the Security Agent, reimburse the Security Agent for all the costs and expenses (including legal fees) on a full indemnity basis together with any VAT thereon incurred by it in connection with the exercise, preservation and/or enforcement of any of the Collateral Rights or the Security contemplated by this Supplemental Floating Charge or any proceedings instituted by or against the Security Agent as a consequence of taking or holding the Security or of enforcing the Collateral Rights, and shall carry interest from the date of such demand until so reimbursed in accordance with Clause 2.2 (*Interest*) of the Amended Floating Charge.

Stamp Taxes

- 17.2 The Chargor shall pay all stamp, registration, notarial and other taxes and fees to which this Supplemental Floating Charge, the Security contemplated in this Supplemental Floating Charge or any judgment given in connection with it is or at any time may be subject and shall, from time to time, indemnify the Security Agent on demand against any liabilities, costs, claims and expenses resulting from any failure to pay or delay in paying any such tax.

Indemnity

- 17.3 The Chargor shall, notwithstanding any release or discharge of all or any part of the Security, indemnify the Security Agent, its agents, attorneys and any Receiver against any action, proceeding, claims, losses, liabilities and costs which it may sustain as a consequence of any breach by the Chargor of the provisions of this Supplemental Floating Charge, the exercise or purported exercise of any of the rights and powers conferred on them by this Supplemental Floating Charge or otherwise relating to the Charged Property.

Value Added Tax

- 17.4 Any cost or expense referred to in this clause 17 is exclusive of any VAT that might be chargeable in connection with that cost or expense. If any VAT is so chargeable, it shall be paid by the Chargor at the same time as it pays the relevant cost or expense.

18. PARTIAL INVALIDITY

- 18.1 If, at any time, any provision of this Supplemental Floating Charge is or becomes illegal, invalid or unenforceable in any respect under any law of any jurisdiction, neither the legality, validity or enforceability of the remaining provisions of this Supplemental Floating Charge nor the legality, validity or enforceability of such provision under the law of any other jurisdiction will in any way be affected or impaired and, if any part of the security constituted, or intended to be constituted, by this Supplemental Floating Charge is invalid, unenforceable or ineffective for any reason, that shall not affect or impair any other part of the security.

19. REMEDIES AND WAIVERS

- 19.1 No failure to exercise, nor any delay in exercising, on the part of the Security Agent, any right, remedy or power under this Supplemental Floating Charge shall operate as a waiver, nor shall any single or partial exercise of any right, remedy or power prevent any further or other exercise or the exercise of any other right, remedy or power. The rights, remedies and powers provided in this Supplemental Floating Charge are cumulative and not exclusive of any rights, remedies or powers provided by law.
- 19.2 Any waiver or consent shall be effective only in the instance and for the purpose for which it is given.
