Statement of director's responsibilities

The director is responsible for preparing the director's report and the financial statements in accordance with applicable law and regulations.

Company law requires the director to prepare financial statements for each financial year. Under that law the director has elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the director must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period in preparing these financial statements, the director is required to:

- Select suitable accounting policies and then apply them consistently,
- Make judgements and estimates that are reasonable and prudent,
- State whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business

The director is responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable him to ensure that the financial statements comply with the Companies Act 2006. He is also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Notes to the financial statements

1. Accounting policies

1.1. Basis of preparation of financial statements:

The financial statements have been prepared under the historical cost convention and in accordance with applicable United Kingdom generally accepted accounting practices.

1.2. Financial Assets

Investments in participating interests are valued at cost less provision for impairment.

An increase in investment property value is recognised in equity through the revaluation reserve. If there is a decrease in value of investment properties which is considered temporary, this is also recognised in equity through the revaluation reserve. If any decrease is considered permanent, an impairment is recognised through the profit and loss account.

Receivables are valued at cost less provision for impairment.

1.3. Taxation

Taxation for the year is based on the profit/(loss) for the period.

Full provision is made for deferred tax assets and liabilities arising from all timing differences between the recognition of gains and losses in the financial statements and recognition in the tax computation.

A net deferred tax asset is recognised only if it can be regarded as more likely than not there will be a suitable taxable profit from which the future reversal of the underlying timing differences can be deducted.

Deferred tax assets and liabilities are calculated at the tax rates expected to be effective the time the timing differences are expected to reverse.

Deferred tax assets and liabilities are not discounted.

2. Staff costs

2.1. The company has no employees other than the directors who did not receive any remuneration.
