14 Avoidance of Payments

No assurance, security or payment which may be avoided or adjusted under the law, including under any statute relating to bankruptcy or insolvency and no release, settlement or discharge given or made by the Security Trustee on the faith of any such assurance, security or payment, shall prejudice or affect the right of the Security Trustee to recover the Secured

19.2 Ruling off

If the Security Trustee does not open any such new account then, unless it gives express written notice to the Chargor to the contrary, the Security Trustee will be treated as if it had in fact opened such account or accounts at the time when it became so aware and as from that time all payments by or on behalf of the Chargor to the Security Trustee will be credited or

treated as having been credited to a new account of the Chargor and not as having been applied in reduction of the Secured Obligations then outstanding.

20 Suspense Accounts

All monies received, recovered or realised by the Security Trustee under this Assignment (including the proceeds of any conversion of currency) may in the discretion of the Security Trustee be credited to any interest bearing suspense or impersonal account maintained with any bank, building society or financial institution as it considers appropriate and may be held in such account for so long as the Security Trustee may think fit pending their application from time to time (as the Security Trustee is entitled to do in its discretion) in or towards the discharge of any of the Secured Obligations and save as provided herein no party will be entitled to withdraw any amount at any time standing to the credit of any suspense or impersonal account referred to above.

21 Power of Attorney

By way of security for the obligations of the Chargor under this Assignment, the Chargor irrevocably appoints the Security Trustee to be its attorney on its behalf or in its name or otherwise to execute and do all such assurances, acts and things which the Chargor is required to do under this Assignment and generally in its name and on its behalf to exercise all or any of the powers conferred by or pursuant to this Assignment or by statute on the Security Trustee and to sign, execute, seal and deliver and otherwise perfect any deed, assurance, agreement, instrument or act which it or he may reasonably deem proper in or for the purpose of exercising any such powers, authorities and discretions. Provided that the Security Trustee shall not be entitled to exercise its powers under this Clause 21.1 prior to the date on which the security created by this Assignment has become enforceable in accordance with Clause 9 (*When security becomes enforceable*).

21.1 Ratification

The Security Trustee may (without prejudice to its right to appoint any joint trustee) assign and transfer all or any of its rights and obligations under this Assignment to any person appointed as its successor as Security Trustee (or any joint trustee). The Security Trustee shall be entitled to disclose such information concerning the Chargor and this Assignment as the Security Trustee considers appropriate to any actual or proposed direct or indirect successor or to any person to whom information may be required to be disclosed by any applicable law.
