- The Bank will hold this Standard Security as security for all debts owed to the Bank by the person (or persons) named in the Standard Security as the Borrower.

- The debts may include overdrafts, loans or money due under any other facilities that the Bank has granted to the Borrower or grants to the Borrower in the future, whether or not you know about or agree to them. Normally, the Bank will not inform you of existing or future debts or liabilities of the Borrower.
