FINAL ACCOUNT

STRATHCLYDE ROOFING LTD - IN CREDITORS' VOLUNTARY LIQUIDATION

INTRODUCTION

Dean Andrew Smith, of Revolution RTI Limited, 30 Lathom Road, Southport, Merseyside, PR9 0JP was appointed Liquidator on 23 November 2022.

The principal role as liquidator is to realise the company's assets and if sufficient funds are received, to agree creditors' claims and distribute the proceeds in accordance with their legal priorities. The Liquidator's receipts and payments account to date is attached to this report.

ASSETS & INVESTIGATIONS

The Directors Statement of Affairs dated 16 November 2022 showed that the company had no realisable assets. The Liquidator subsequently undertook an assessment of whether there were any matters which may have led to any recoveries for the benefit of creditors notwithstanding the stated position at the outset. Regrettably, no further assets or legal actions were identified that led to a recovery for creditors.

CREDITOR CLAIMS AND DIVIDEND PROSPECTS

Irrespective of whether sufficient realisations are achieved to pay a dividend to creditors, the Liquidator has had to carry out key tasks in relation to creditor reporting, liaising and collating claims made. The following sections explain the expected outcomes to creditors by their respective class.

Secured creditors

The Company had not granted any charges over its assets, accordingly there are no secured creditors.

Preferential creditors

I am not aware of any preferential claims in this matter.

Unsecured creditors

Where a floating charge is created after 15 September 2003 a prescribed part of the company's net property shall be made available to unsecured creditors. As the Company had not granted a floating charge to any creditor after 15 September 2003 there was no prescribed part applicable in this Liquidation.

The initial Statement of Affairs showed estimated unsecured claims of £144,842

Dividends

There were insufficient realisations within the Liquidation to enable a distribution to unsecured creditors.

FEES AND EXPENSES

Pre-Liquidation Costs

A fixed fee of **£2,400** was agreed to be paid by the director in respect of the assistance given with placing the company into Liquidation.

The Liquidator's fees and Disbursements

The Liquidator has not drawn any fees in this matter. The Liquidator is entitled to pay Category 1 disbursements from the funds held in the liquidation estate without creditor approval. These are payable in addition to approved Liquidators fees. The costs incurred, but not paid, to are summarised below:

Statutory Advertising	182.16
Statutory Insurance Bond	75.90
	<u>£258.06</u>

No category 2 disbursements have or will be charged by Revolution RTI Limited.

Information about this insolvency process may be found on the R3 website at "A Creditors' Guide to Liquidators' Fees" is available for download at:

Should you require a paper copy, please send your request in writing to the Liquidator at the address on the front of this report and this will be provided to you at no cost.

CONCLUSION

There are no other matters outstanding and the affairs of the company have been fully wound up. If you require any further information, please contact this office.
