INDUSTRIAL HYGIENE SERVICES LIMITED (REGISTERED NUMBER: SC533053)

NOTES TO THE FINANCIAL STATEMENTS
for the year ended 30 APRIL 2022

1. STATUTORY INFORMATION

Industrial Hygiene Services Limited is a private company, limited by shares, registered in Scotland, registration number SC533053. The registered office is 52c Cleveden Drive, Glasgow, City Of Glasgow, G12 0NU.

The principal activity of the company is consultancy services in relation to industrial hygiene.

2. ACCOUNTING POLICIES

Basis of preparing the financial statements

These financial statements have been prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" including the provisions of Section 1A "Small Entities" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

The presentational and functional currency of the financial statements is Pounds Sterling (£).

Significant judgements and estimates

In preparing these financial statements, the director is required to make judgements, estimates and assumptions that affect the application of the Company's accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to estimates are recognised prospectively.

There are no significant judgements or estimates used in the preparation of these accounts.

Turnover

Turnover is measured at the fair value of consideration received or receivable, taking into account the amount of any discounts and rebates allowed by the entity, but excluding value added tax and other sales taxes.

Services

Income from services is recognised when performed, such that risks and rewards have been transferred.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off the cost less estimated residual value of each asset over its estimated useful life.

Plant and machinery etc - 33% on cost and 20% on cost

Financial instruments

The company has financial assets and financial liabilities of a kind that qualify as basic financial instruments.

Debtors

Short term debtors are measured at transaction price, less any impairment.

Cash and cash equivalents

Cash and cash equivalents comprises cash balances.

Creditors

Short term trade creditors are measured at the transaction price.

Provisions

Provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The unwinding of the discount is recognised as finance cost.

for the year ended 30 APRIL 2022

2. ACCOUNTING POLICIES - continued

Taxation

Taxation for the year comprises current and deferred tax. Tax is recognised in the Income Statement, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Current or deferred taxation assets and liabilities are not discounted.

Current tax is recognised at the amount of tax payable using the tax rates and laws that have been enacted or substantively enacted by the statement of financial position date.

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the statement of financial position date.

Timing differences arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in financial statements. Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the year end and that are expected to apply to the reversal of the timing difference.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

Pension costs and other post-retirement benefits

The company operates a defined contribution pension scheme. Contributions payable to the company's pension scheme are charged to profit or loss in the period to which they relate.
