- (iii) how the money deducted has been applied.

4.9. Article 31(1) of the Model Articles shall be amended by:

- (a) the replacement of the words “either in writing or as the directors may otherwise decide” at the end of paragraphs (a), (b) and (c) of that article 31(1) with the words “in writing”; and
- (b) the replacement of the words “either in writing or by such other means as the directors decide” from the end of paragraph (d) of that article 31(1) with the words “in writing”.

4.10. The Company will, without any need for a resolution of the Company but subject to the approval of the Board and the Founder in their sole discretion, and before application of any profits to reserve or for any other purpose, pay in respect of each Series A Share a fixed non-cumulative cash preferential dividend (the “**Preference Dividend**”) at the annual rate of 8 per cent of the Starting Price per Series A Share and in accordance with such terms as approved by the Board in its sole discretion. For the avoidance of doubt, the Company will pay an 8 per cent dividend as long as dividends are paid out. Whether to make dividend payments are at the sole discretion of the Board.

4.11. Articles 30(2) and 32 of the Model Articles shall not apply to the Preference Dividend.

5. **Liquidation preference**

5.1. Subject to the Subscription and Shareholders’ Agreement, on a distribution of assets on any liquidation, dissolution, winding up of the Company (a “**Liquidation Event**”) or a return of capital (other than a conversion, redemption or purchase of Shares) the surplus assets of the Company remaining after payment of its liabilities shall be applied (to the extent that the Company is lawfully permitted to do so):

- (a) first in paying to each of the Series A Shareholders, in priority to the holders of any other classes of Shares, an amount per share held equal to the Preference Amount (provided that if there are insufficient surplus assets to pay the amounts per share equal to the Preference Amount, the remaining surplus assets shall be distributed to the Series A Shareholders pro rata to their respective holdings of Series A Shares) (the “**Initial Payment**”); and

- (b) the balance of the surplus assets (if any) shall be distributed among the holders of the Ordinary Shares pro rata (as if the Ordinary Shares constituted one and the same class) to the number of Shares held,

provided that a Series A Shareholder receiving an Initial Payment pursuant to clause 5(a) shall not be entitled to the balance under clause 5(b).

6. Exit provisions

- 6.1. On a Company Sale the Proceeds of Sale shall be distributed in the order of priority set out in Article 5 and the Directors shall not register any transfer of Shares if the Proceeds of Sale are not so distributed save in respect of any Shares not sold in connection with that Company Sale provided that if the Proceeds of Sale are not settled in their entirety upon completion of the Company Sale:
 - (a) the Directors shall not be prohibited from registering the transfer of the relevant Shares so long as the Proceeds of Sale that are settled have been distributed in the order of priority set out in Article 5; and
 - (b) the Shareholders shall take any action required by an Investor Majority to ensure that the Proceeds of Sale in their entirety are distributed in the order of priority set out in Article 5.

In the event that the Proceeds of Sale are distributed on more than one occasion (for any deferred or contingent consideration or otherwise), the consideration so distributed on any further occasion shall be paid by continuing the distribution from the previous distribution of consideration in the order of priority set out in Article 5.

- 6.2. On an Asset Sale the surplus assets of the Company remaining after payment of its liabilities shall be distributed (to the extent that the Company is lawfully permitted to do so) in the order of priority set out in Article 5 provided always that if it is not lawful for the Company to distribute its surplus assets in accordance with the provisions of these Articles, the Shareholders shall take any action required by an Investor Majority (including, but without prejudice to the generality of this Article 6.2, actions that may be necessary to put the Company into voluntary liquidation) so that Article 5 applies.
- 6.3. In the event of an Exit approved by the Board and the Selling Shareholders (as defined in Article 22.1) in accordance with the terms of these Articles (the “**Proposed Exit**”), all Shareholders shall consent to, vote for, raise no objections to and waive any applicable rights in connection with the Proposed Exit (“**Actions**”). The Shareholders shall be required to take all Actions with respect to the Proposed Exit as are required by the Board to facilitate the Proposed Exit. If any Shareholder fails to comply with the provisions of this Article, the Company shall be constituted the agent of each defaulting Shareholder for taking the Actions as are necessary to effect the Proposed Exit and the majority of the Board of Directors may authorise an officer or member to execute and deliver on behalf of such defaulting Shareholder the necessary documents and the Company may receive any purchase money due to the defaulting Shareholder in trust for each of the defaulting Shareholders.

7. Votes in general meeting and written resolutions

- 7.1. The Series A Shares shall confer on each holder of Series A Shares the right to receive notice of and to attend, speak and vote at all general meetings of the Company and to receive and vote on proposed written resolutions of the Company.
- 7.2. The Ordinary A Shares shall confer on each holder of Ordinary A Shares the right to receive notice of and to attend, speak and vote at all general meetings of the Company and to receive and vote on proposed written resolutions of the Company.
- 7.3. The Ordinary B Shares (if any) shall not entitle the holders of them to receive notice of, to attend, to speak or to vote at any general meeting of the Company nor to receive or vote on, or otherwise constitute an eligible member for the purposes of, proposed written resolutions of the Company.
- 7.4. Where Ordinary Shares confer a right to vote, on a show of hands each holder of such shares who (being an individual) is present in person or by proxy or (being a corporation) is present by a duly authorised representative or by proxy shall have one vote and on a poll each such holder so present shall have one vote for each Ordinary Share held by him.
- 7.5. Where Series A Shares confer a right to vote, on a show of hands each holder of such shares who (being an individual) is present in person or by proxy or (being a corporation) is present by a duly authorised representative or by proxy shall have one vote and on a poll each such holder so present shall have one vote for each Ordinary Share then issuable upon conversion of the holder's Series A Shares.
- 7.6. No voting rights attached to a share which is nil paid or partly paid may be exercised:
- (a) at any general meeting, at any adjournment of it or at any poll called at or in relation to it; or
 - (b) on any proposed written resolution,
- unless all of the amounts payable to the Company in respect of that share have been paid.
- 7.7. No voting rights attached to a share which is held, indirectly or directly, by Take-Two Interactive Software, Inc., Rockstar Games, Inc., Rockstar North Ltd or any respective successor thereof or any person who is or was within the two years prior to such persons acquiring the shares, an Affiliate, executive employee, board member, or officer of Take-Two Interactive Software, Inc., Rockstar Games, Inc., Rockstar North Ltd or any respective successor thereof may be exercised:
- (a) at any general meeting, at any adjournment of it or at any poll called at or in relation to it; or
 - (b) on any proposed written resolution,

in each case whether such voting rights are exercised indirectly or directly, by proxy or by an agreement providing the same or otherwise in respect of any Shares or a director appointed by the Series A Shareholders.

8. Consolidation of Shares

- 8.1. Whenever as a result of a consolidation of Shares any Shareholders would become entitled to fractions of a Share, the majority of the Board of Directors may, on behalf of those Shareholders, sell the Shares representing the fractions for the best price reasonably obtainable to any person (including, subject to the provisions of the Act, the Company) and distribute the net proceeds of sale in due proportion among those Shareholders, and the majority of the Board of Directors may authorise any person to execute an instrument of transfer of the Shares to, or in accordance with the directions of, the purchaser. The transferee shall not be bound to see to the application of the purchase money nor shall his title to the Shares be affected by any irregularity in or invalidity of the proceedings in reference to the sale.

9. Conversion of Series A Shares

- 9.1. Any holder of Series A Shares shall be entitled, by notice in writing to the Company, to require conversion into Ordinary A Shares of all of the fully paid Series A Shares held by them at any time and those Series A Shares shall convert automatically on the date of such notice (the “**Conversion Date**”), provided that the holder may in such notice, state that conversion of its Series A Shares into Ordinary A Shares is conditional upon the occurrence of one or more events (the “**Conditions**”).
- 9.2. All of the fully paid Series A Shares shall automatically convert into Ordinary A Shares:
- (a) on the date of a notice given by the Investor Majority (which date shall be treated as the Conversion Date); or
 - (b) immediately upon the occurrence of a Qualifying Public Offering.
- 9.3. In the case of (i) Articles 9.1 and 9.2(a), not more than five Business Days after the Conversion Date or (ii) in the case of Article 9.2(b), at least five Business Days prior to the occurrence of the Qualifying Public Offering, each holder of the relevant Series A Shares shall deliver the certificate (or an indemnity for lost certificate in a form acceptable to the Board) in respect of the Series A Shares being converted to the Company at its registered office for the time being.
- 9.4. Where conversion is mandatory on the occurrence of a Qualifying Public Offering, that conversion will be effective only immediately prior to and conditional upon such Qualifying Public Offering (and “**Conversion Date**” shall be construed accordingly) and, if such Qualifying Public Offering does not become effective or does not take place, such conversion shall be deemed not to have occurred. In the event of a conversion under Article 9.1, if the Conditions have not been satisfied or waived by the relevant holder by the Conversion Date such conversion shall be deemed not to have occurred.
- 9.5. On the Conversion Date, the relevant Series A Shares shall without further authority than is contained in these Articles stand converted into Ordinary A Shares on the basis of one Ordinary A Share for each Series A Share held (the “**Conversion Ratio**”), and the Ordinary A Shares resulting from that conversion shall in all other respects rank pari passu with the existing issued Ordinary A Shares.

- 9.6. The Company shall on the Conversion Date enter the holder of the converted Series A Shares on the register of members of the Company as the holder of the appropriate number of Ordinary A Shares and, subject to the relevant holder delivering its certificate(s) (or an indemnity for lost certificate in a form acceptable to the Board) in respect of the Series A Shares in accordance with this Article, the Company shall within 10 Business Days of the Conversion Date forward to such holder of Series A Shares by post to his address shown in the register of members, free of charge, a definitive certificate for the appropriate number of fully paid Ordinary A Shares.
- 9.7. On the Conversion Date (or as soon afterwards as it is possible to calculate the amount payable), the Company will, if it has sufficient Available Profits, pay to holders of the Series A Shares falling to be converted a dividend equal to all Arrears and accruals of dividends in relation to those Series A Shares to be calculated on a daily basis down to and including the day immediately preceding the Conversion Date. If the Company has insufficient Available Profits to pay all such Arrears and accruals of dividends in full then it will pay the same to the extent that it is lawfully able to do so and any Arrears and accruals of dividends that remain outstanding shall continue to be a debt due from and immediately payable by the Company. The Conversion Ratio shall from time to time be adjusted in accordance with the provisions of this Article:
- (a) if Series A Shares remain capable of being converted into new Ordinary A Shares and there is a consolidation and/or sub-division of Ordinary A Shares, the Conversion Ratio shall be adjusted by an amount which maintains the right to convert so as to ensure that each Series A Shareholder is in no better or worse position as a result of such consolidation or sub-division, such adjustment to become effective immediately after such consolidation or sub-division;
 - (b) if Series A Shares remain capable of being converted into Ordinary A Shares, on an allotment of fully-paid Ordinary A Shares pursuant to a capitalisation of profits or reserves to holders of Ordinary A Shares the Conversion Ratio shall be adjusted by an amount which maintains the right to convert so as to ensure that each Series A Shareholder is in no better or worse position as a result of such capitalisation of profits or reserves, such adjustment to become effective as at the record date for such issue.
- 9.8. If any Series A Shareholder becomes entitled to fractions of an Ordinary A Share as a result of conversion ("**Fractional Holders**"), the majority of the Board of Directors may (in their absolute discretion) deal with these fractions as they think fit on behalf of the Fractional Holders. In particular, the majority of the Board of Directors may aggregate and sell the fractions to a person for the best price reasonably obtainable and distribute the net proceeds of sale in due proportions among the Fractional Holders or may ignore fractions or accrue the benefit of such fractions to the Company rather than the Fractional Holder. For the purposes of completing any such sale of fractions, the chairman of the Company or, failing him, the secretary will be deemed to have been appointed the Fractional Holder's agent for the purpose of the sale.
- 9.9. If a doubt or dispute arises concerning an adjustment of the Conversion Ratio in accordance with Article 9.7, or if so requested by an Investor Majority, the Board

shall refer the matter to the Auditors for determination who shall make available to all Shareholders their report and whose certificate as to the amount of the adjustment is, in the absence of manifest error, conclusive and binding on all concerned and their costs shall be met by the Company.

10. Anti-Dilution protection

- 10.1. If New Securities are issued by the Company at a price per New Security which equates to less than the Starting Price (a “**Qualifying Issue**”) (which in the event that the New Security is not issued for cash shall be a price certified by the Auditors acting as experts and not as arbitrators as being in their opinion the current cash value of the new consideration for the allotment of the New Securities), the Company shall, unless the Investor Majority shall have specifically waived the rights of all the holders of Series A Shares, issue to each holder of Series A Shares (the “**Exercising Investor**”) a number of new Series A Shares determined by applying the following formula (and rounding the product, N, down to the nearest whole share) (the “**Anti-Dilution Shares**”):

$$N = \left(\left(\frac{SIP}{WA} \right) \times Z \right) - Z$$

Where:

N= Number of Anti-Dilution Shares to be issued to the Exercising Investor

$$WA = \frac{(SIP \times ESC) + (QISP \times NS)}{(ESC + NS)}$$

SIP = Starting Price

ESC = the number of Shares in issue plus the aggregate number of shares in respect of which options to subscribe have been granted, or which are subject to convertible securities (including but not limited to warrants) in each case immediately prior to the Qualifying Issue

QISP = the lowest per share price of the New Securities issued pursuant to the Qualifying Issue (which in the event that that New Security is not issued for cash shall be the sum certified by the Auditors acting as experts and not arbitrators as being in their opinion the current cash value of the non-cash consideration for the allotment of the New Security)

NS = the number of New Securities issued pursuant to the Qualifying Issue

Z = the number of Series A Shares held by the Exercising Investor prior to the Qualifying Issue.

- 10.2. The Anti-Dilution Shares shall:

- (a) be paid up by the automatic capitalisation of available reserves of the Company, unless and to the extent that the same shall be impossible or unlawful or a majority of the Exercising Investors shall agree otherwise, in which event the Exercising Investors shall be entitled to subscribe for the

Anti-Dilution Shares in cash at par (being the par value approved in advance by Series A Director Consent) and the entitlement of such Exercising Investors to Anti-Dilution Shares shall be increased by adjustment to the formula set out in Article 10.1 so that the Exercising Investors shall be in no worse position than if they had not so subscribed at par. In the event of any dispute between the Company and any Exercising Investor as to the effect of Article 10.1 or this Article 10.2, the matter shall be referred (at the cost of the Company) to the Auditors for certification of the number of Anti-Dilution Shares to be issued. The Auditor's certification of the matter shall in the absence of manifest error be final and binding on the Company and the Exercising Investor; and

- (b) subject to the payment of any cash payable pursuant to Article 10.2(a) (if applicable), be issued, credited fully paid up in cash and shall rank pari passu in all respects with the existing Series A Shares, within five Business Days of the expiry of the offer being made by the Company to the Exercising Investor and pursuant to Article 10.2(a).

10.3. The following issuances of New Securities shall not trigger an issuance of Anti-Dilution Shares pursuant to Article 10.1:

- (a) the issuance of Ordinary Shares to employees, consultants, officers or directors of the Company pursuant to bona fide employee-type share option plans approved by the Board;
- (b) the issuance of securities in connection with any arm's length acquisition by the Company approved by the Board, including the Series A Director;
- (c) the issuance of securities to financial institutions or lessors in connection with arm's length commercial credit arrangements, equipment financings or similar transactions approved by the Board, including the Series A Director;
- (d) the issuance of Ordinary A Shares upon conversion of the Series A Shares;
- (e) the issuance of securities pursuant to options, warrants, notes or other rights to acquire securities of the Company outstanding as at the date of Adoption;
- (f) the issuance of securities in share splits, share dividends or similar transactions;
- (g) the issuance of securities in transactions consummated principally for non-financing purposes pursuant to joint ventures, strategic transactions, licensing arrangements or similar transactions entered into by the Company, in each case approved by the Board, including the Series A Director; and
- (h) an issuance of securities which has been approved by the Investor Majority as not requiring an adjustment,

(each of (a) through (h) being "**Permitted Additional Securities**").

10.4. For the purposes of this Article 10 any Shares held as Treasury Shares by the Company shall be disregarded when calculating the number of Anti-Dilution Shares to be issued.

11. [RESERVED]

12. Variation of rights

12.1. Whenever the share capital of the Company is divided into different classes of shares, the special rights attached to any such class may only be varied or abrogated (either whilst the Company is a going concern or during or in contemplation of a winding-up) with the consent in writing of the holders of more than 75 per cent in nominal value of the issued shares of that class.

12.2. Without prejudice to the generality of Article 12.1, whenever the share capital of the Company is divided into different classes of shares, the special rights attached to any such class may only be varied or abrogated (either whilst the Company is a going concern or during or in contemplation of a winding-up) with the consent in writing of the holders of more than 75 per cent in nominal value of the issued shares of that class, provided however that where specific provisions of the Subscription and Shareholders' Agreement contemplate the variation of any reserved matter upon Investor Majority Consent, then Investor Majority Consent shall suffice and the consent in writing of more than 75 per cent of the Series A Shareholders shall not be required.

12.3. The creation of a new class of shares which has preferential rights to one or more existing classes of shares shall not constitute a variation of the rights of those existing classes of shares.

13. Allotment of new shares or other securities: pre-emption

13.1. Subject to the remaining provisions of this Article 13, the majority of the Board of Directors are generally and unconditionally authorised for the purpose of section 551 of the Act to exercise any power of the Company to:

- (a) allot Shares; or
- (b) grant rights to subscribe for or convert any securities into Shares,

to any persons, at any times and subject to any terms and conditions as the majority of the Board of Directors think proper, provided that:

- (i) this authority shall only apply insofar as the Company has not by resolution waived or revoked it;
- (ii) this authority may only be exercised for a period of five years commencing upon the Date of Adoption, save that the majority of the Board of Directors may make an offer or agreement which would or might require Shares to be allotted or rights granted to subscribe for or convert any security into Shares after the expiry of such authority (and the majority of the Board of Directors may allot Shares or grant such

rights in pursuance of an offer or agreement as if such authority had not expired).

This authority is in addition to all subsisting authorities to the extent unused.

- 13.2. Sections 561(1) and 562(1) to (5) (inclusive) of the Act do not apply to an allotment of Equity Securities made by the Company.
- 13.3. Unless otherwise agreed with Investor Majority Consent, if the Company proposes to allot any New Securities those New Securities shall not be allotted to any person unless the Company has in the first instance offered to each Series A Shareholders and Ordinary Shareholders holding more than 1.3% of the Shares of the Company then in issue (the “**Subscribers**”) their Pro Rata Share on the same terms and at the same price as those New Securities are being offered to other persons on a pari passu and pro rata basis to the number of Shares (as if the Shares constituted one and the same class) held by those holders (as nearly as may be without involving fractions). The offer:
 - (a) shall be in writing, be open for acceptance from the date of the offer to the date 10 Business Days after the date of the offer (inclusive) (the “**Subscription Period**”) and give details of the number and subscription price of the New Securities; and
 - (b) may stipulate that any Subscriber who wishes to subscribe for a number of New Securities in excess of the proportion to which each is entitled shall in their acceptance state the number of excess New Securities for which they wish to subscribe.
- 13.4. If, at the end of the Subscription Period, the number of New Securities applied for (including any excess requested in accordance with Article 13.3(b)) is equal to or exceeds the number of New Securities, the New Securities offered to subscribers under Article 13.3 above shall be allotted to the Subscribers who have applied for New Securities on a pro rata basis to the number of Series A Shares held by such Subscribers which procedure shall be repeated until all New Securities offered to subscribers under class 13.3 above have been allotted (as nearly as may be without involving fractions or increasing the number allotted to any Subscriber beyond that applied for by him).
- 13.5. If, at the end of the Subscription Period, the number of New Securities applied for is less than the number of New Securities, the New Securities shall be allotted to the Subscribers in accordance with their applications and any remaining New Securities shall be offered, to any other person as the majority of the Board of Directors may determine, including holders of Ordinary B Shares, at the same price and on the same terms as the offer to the Subscribers.
- 13.6. Subject to the requirements of Articles 13.3 to 13.5 (inclusive) and to the provisions of section 551 of the Act, any New Securities shall be at the disposal of the Board who may allot, grant options over or otherwise dispose of them to any persons at those times and generally on the terms and conditions they think proper.
- 13.7. The provisions of Articles 13.3 to 13.6 (inclusive) shall not apply to:

- (a) options to subscribe for Shares under the Share Option Plans;
 - (b) New Securities issued or granted in order for the Company to comply with its obligations under these Articles including, but not limited to the Anti-Dilution Shares, and issued in accordance with Article 4.5;
 - (c) New Securities issued in consideration of acquisition transactions approved by the Board, including the Series A Director;
 - (d) New Securities which the Investor Majority have agreed in writing should be issued without complying with the procedure set out in this Article 13;
 - (e) Shares or options for Shares issued or granted to the Investors in accordance with the terms of the Subscription and Shareholders' Agreement;
 - (f) New Securities issued to financial institutions or lessors in connection with commercial credit arrangements, equipment financings or similar transactions approved by the Board, including the Series A Director;
 - (g) Shares issued in share splits, share dividends or similar transactions; and
 - (h) New Securities issued in transactions consummated principally for non-financing purposes pursuant to joint ventures, strategic transactions, licensing arrangements or similar transactions, in each case approved by the Board, including the Series A Director.
- 13.8. Any New Securities offered under this Article 13 to an Investor may be accepted in full or part only by a Member of the same Fund Group as that Investor or a Member of the same Group as that Investor in accordance with the terms of this Article 13.
- 13.9. No Shares shall be allotted (nor any Treasury Shares be transferred) to any Employee, Director, prospective Employee or prospective director of the Company, who in the opinion of the Board is subject to taxation in the United Kingdom, unless such person has entered into a joint section 431 ITEPA election with the Company if so required by the Company.
- 13.10. This Article 13 shall cease to be in full force and effect and shall no longer apply immediately prior to the earlier of an IPO or Corporate Event.
- 14. Transfers of Shares – general**
- 14.1. In Articles 14 to 21 inclusive, reference to the transfer of a Share includes the transfer or assignment of a beneficial or other interest in that Share or the creation of a trust or Encumbrance over that Share and reference to a Share includes a beneficial or other interest in a Share.
- 14.2. No Share may be transferred unless the transfer is made in accordance with these Articles.
- 14.3. If a Shareholder transfers or purports to transfer a Share otherwise than in accordance with these Articles he will be deemed immediately to have served a Transfer Notice in respect of all Shares held by him.

- 14.4. Any transfer of a Share by way of sale which is required to be made under Articles 16 to 21 (inclusive) will be deemed to include a warranty that the transferor sells with full title guarantee.
- 14.5. The majority of the Board of Directors may refuse to register a transfer if:
- (a) it is a transfer of a Share to a bankrupt, a minor or a person of unsound mind;
 - (b) the transfer is to an Employee, Director or prospective Employee or prospective director of the Company, who in the opinion of the Board is subject to taxation in the United Kingdom, and such person has not entered into a joint section 431 ITEPA election with the Company, if required;
 - (c) it is a transfer of a Share which is not fully paid:
 - (i) to a person of whom the majority of the Board of Directors do not approve; or
 - (ii) on which Share the Company has a lien;
 - (d) the transfer is not lodged at the registered office or at such other place as the majority of the Board of Directors may appoint;
 - (e) the transfer is not accompanied by the certificate for the Shares to which it relates (or an indemnity for lost certificate in a form acceptable to the Board) and such other evidence as the majority of the Board of Directors may reasonably require to show the right of the transferor to make the transfer;
 - (f) the transfer is in respect of more than one class of Shares;
 - (g) the transfer is in favour of more than four transferees; or
 - (h) these Articles otherwise provide that such transfer shall not be registered.

If the majority of the Board of Directors refuse to register a transfer, the instrument of transfer must be returned to the transferee with the notice of refusal unless they suspect that the proposed transfer may be fraudulent.

- 14.6. The majority of the Board of Directors may, as a condition to the registration of any transfer of shares in the Company (whether pursuant to a Permitted Transfer or otherwise), require the transferee to execute and deliver to the Company a deed agreeing to be bound by the terms of any shareholders' agreement or similar document in force between some or all of the Shareholders and the Company in any form as the majority of the Board of Directors may reasonably require (but not so as to oblige the transferee to have any obligations or liabilities greater than those of the proposed transferor under any such agreement or other document) and if any condition is imposed in accordance with this Article 14.6 the transfer may not be registered unless that deed has been executed and delivered to the Company's registered office by the transferee.
- 14.7. To enable the Directors to determine whether or not there has been any disposal of shares in the capital of the Company (or any interest in shares in the capital of the

Company) in breach of these Articles the majority of the Board of Directors may, with Series A Director Consent, require any holder or the legal personal representatives of any deceased holder or any person named as transferee in any transfer lodged for registration or any other person who the Directors or Series A Director may reasonably believe to have information relevant to that purpose, to furnish to the Company that information and evidence the majority of the Board of Directors may request regarding any matter which they deem relevant to that purpose, including (but not limited to) the names, addresses and interests of all persons respectively having interests in the shares in the capital of the Company from time to time registered in the holder's name. If the information or evidence is not provided to enable the Directors to determine to their reasonable satisfaction that no breach has occurred, or where as a result of the information and evidence the Directors are reasonably satisfied that a breach has occurred, the Directors shall immediately notify the holder of such shares in the capital of the Company in writing of that fact and the following shall occur:

- (a) the relevant shares shall cease to confer upon the holder of them (including any proxy appointed by the holder) any rights to vote (whether on a show of hands or on a poll and whether exercisable at a general meeting or on a written resolution of the Company or at any separate meeting or written resolution of the class in question) provided that, at the election of the relevant Investor, such rights shall not cease if as a result of such cessation the Company shall become a Subsidiary of an Investor; or
- (b) the withholding of payment of all dividends or other distributions (other than the amount they may be entitled to pursuant to the application of Article 4.7 otherwise attaching to the relevant shares or to any further shares issued in respect of those shares; and
- (c) the holder may be required at any time following receipt of the notice to transfer some or all of its Shares to any person(s) at the price that the majority of the Board of Directors may require by notice in writing to that holder.

The rights referred to in (a) and (b) above may be reinstated by the Board and shall in any event be reinstated upon the completion of any transfer referred to in (c) above.

- 14.8. In any case where the Board requires a Transfer Notice to be given in respect of any Shares, if a Transfer Notice is not duly given within a period of 10 Business Days of demand being made, a Transfer Notice shall be deemed to have been given at the expiration of that period.
- 14.9. If a Transfer Notice is required to be given by the Board or is deemed to have been given under these Articles, the Transfer Notice, unless otherwise specified in the Articles, will be treated as having specified that:
 - (a) the Transfer Price for the Sale Shares will be as agreed between the Board (including Series A Director Consent) (any director who is a Seller or with whom the Seller is connected (within the meaning of section 252 of the Act) not voting) and the Seller, or, failing agreement within five Business Days after the date on which the Board becomes aware that a Transfer Notice has

been deemed to have been given, will be the Fair Value of the Sale Shares;
and

- (b) it does not include a Minimum Transfer Condition (as defined in Article 16.2(d)); and
- (c) the Seller wishes to transfer all of the Shares held by it.

14.10. Shares may be transferred by means of an instrument of transfer in any usual form or any other form approved by the majority of the Board of Directors, which is executed by or on behalf of:

- (a) the transferor; and
- (b) (if any of the shares is partly or nil paid) the transferee.

14.11. Notwithstanding anything to the contrary herein, a majority of the Board of Directors may refuse in its sole discretion to register a transfer to any person who is or was within the two years prior to such persons acquiring the shares, an Affiliate, executive employee, board member, or officer of Take Two Interactive Software Inc., Rockstar Games Inc., Rockstar North Ltd or any respective successor thereof.

15. Permitted Transfers

15.1. A Shareholder (who is not a Permitted Transferee) (the “**Original Shareholder**”) may transfer all or any of his or its Shares to a Permitted Transferee without restriction as to price or otherwise.

15.2. Shares previously transferred as permitted by Article 15.1 may be transferred by the transferee to any other Permitted Transferee of the Original Shareholder without restriction as to price or otherwise.

15.3. Where under the provision of a deceased Shareholder’s will or laws as to intestacy, the persons legally or beneficially entitled to any Shares, whether immediately or contingently, are Permitted Transferees of the deceased Shareholder, the legal representative of the deceased Shareholder may transfer any Share to those Permitted Transferees, in each case without restriction as to price or otherwise.

15.4. If a Permitted Transferee who was a Member of the same Group as the Original Shareholder ceases to be a Member of the same Group as the Original Shareholder, the Permitted Transferee must not later than five Business Days after the date on which the Permitted Transferee so ceases, transfer the Shares held by it to the Original Shareholder or a Member of the same Group as the Original Shareholder (which in either case is not in liquidation) without restriction as to price or otherwise failing which it will be deemed to have given a Transfer Notice in respect of those Shares.

15.5. If no cash price is specified by the Seller, the price at which the Sale Shares are to be transferred (the “**Transfer Price**”) must be agreed by the Board including the Series A Director. In addition, if the price is not specified in cash, an equivalent cash value price must be agreed between the Seller and the Board including the Series A Director. In both cases, the price will be deemed to be the Fair Value of the Sale Shares if no price is agreed within 5 Business Days of the Company receiving the Transfer Notice.

- 16.3. Except with Series A Director Consent or as otherwise specified in these Articles, no Transfer Notice once given or deemed to have been given under these Articles may be withdrawn.

- (b) If the Sale Shares are subject to a Minimum Transfer Condition then any allocation made under this Article 16.7 will be conditional on the fulfilment of the Minimum Transfer Condition.
- (c) If, at the end of the Offer Period, the number of Sale Shares applied for is equal to or exceeds the number of Sale Shares, the Board shall allocate the Sale Shares to each Continuing Shareholder who has applied for Sale Shares in the proportion (fractional entitlements being rounded to the nearest whole number) which his existing holding of the relevant class(es) of Shares bears to the total number of the relevant class(es) of Shares held by those Continuing Shareholders who have applied for Sale Shares which procedure shall be repeated until all Sale Shares have been allocated but no allocation shall be

made to a Shareholder of more than the maximum number of Sale Shares which he has stated he is willing to buy.

the Board shall, when no further offers are required to be made under Article 16.7, give written notice of allocation (an “**Allocation Notice**”) to the Seller and each Shareholder to whom Sale Shares have been allocated (an “**Applicant**”) specifying the number of Sale Shares allocated to each Applicant and the place and time (being not less than 14 Business Days nor more than 21 Business Days after the date of the Allocation Notice) for completion of the transfer of the Sale Shares.

- (c) Upon service of an Allocation Notice, the Seller must, against payment of the Transfer Price, transfer the Sale Shares in accordance with the requirements specified in it.

 - (e) If an Allocation Notice does not relate to all the Sale Shares then, subject to Article 16.8(f), the Seller may, within eight weeks after service of the Allocation Notice, transfer the unallocated Sale Shares to any other person at a price at least equal to the Transfer Price.
 - (f) The right of the Seller to transfer Shares under Article 16.8(e) does not apply if the Board is of the opinion on reasonable grounds that:

 - (ii) the sale of the Sale Shares is not bona fide or the price is subject to a deduction, rebate or allowance to the transferee;
 - (iii) the Seller has failed or refused to provide promptly information available to it or him and reasonably requested by the Board for the purpose of enabling it to form the opinion mentioned above; or
 - (iv) the transferee is Take-Two Interactive Software, Inc., Rockstar Games, Inc., Rockstar North Ltd or any respective successor thereof or any person who is or was within the prior two years of such persons acquiring the shares an Affiliate, executive employee, board member, or officer of Take-Two Interactive Software, Inc., Rockstar Games, Inc., Rockstar North Ltd or any respective successor thereof.

- 17.1. If no Transfer Price can be agreed between the Seller and the Board in accordance with provisions of Articles 14.10, 16.2 or 19.1 or otherwise then, on the date of failing agreement, the Board shall either:
- (a) appoint an expert valuer in accordance with Article 17.2 (the "**Expert Valuer**") to certify the Fair Value of the Sale Shares; or
 - (b) (if the Fair Value has been certified by an Expert Valuer within the preceding 12 weeks) specify that the Fair Value of the Sale Shares will be calculated by

dividing any Fair Value so certified by the number of Sale Shares to which it related and multiplying such Fair Value by the number of Sale Shares the subject of the Transfer Notice.

- 17.2. The Expert Valuer will be:
- (a) Such person as is agreed between and appointed by the Board and the Seller; or
 - (b) failing agreement between the Board and the Seller not later than the date 10 Business Days after the date of service of the Transfer Notice, such person as is nominated by the then President of the Institute of Chartered Accountants in Scotland on the application of either party and approved by the Company.
- 17.3. The “Fair Value” of the Sale Shares shall be determined by the Expert Valuer on the following assumptions and bases:
- (a) valuing the Sale Shares as on an arm’s-length sale between a willing seller and a willing buyer;
 - (b) if the Company is then carrying on business as a going concern, on the assumption that it will continue to do so;
 - (c) that the Sale Shares are capable of being transferred without restriction;
 - (d) valuing the Sale Shares as a rateable proportion of the total value of all the issued Shares (excluding any Shares held as Treasury Shares) without (except for the Ordinary B Shares) any premium or discount being attributable to the percentage of the issued share capital of the Company which they represent but taking account of the rights attaching to the Sale Shares; and
 - (e) reflect any other factors which the Expert Valuer reasonably believes should be taken into account.
- 17.4. If any difficulty arises in applying any of these assumptions or bases then the Expert Valuer shall resolve that difficulty in whatever manner they shall in their absolute discretion think fit.
- 17.5. The Expert Valuer shall be requested to determine the Fair Value within 20 Business Days of their appointment and to notify the Board of their determination.
- 17.6. The Expert Valuer shall act as experts and not as arbitrators and their determination shall be final and binding on the parties (in the absence of fraud or manifest error).
- 17.7. The Board will give the Expert Valuer access to all accounting records or other relevant documents of the Company subject to them agreeing to such confidentiality provisions as the Board may reasonably impose.
- 17.8. The Expert Valuer shall deliver their certificate to the Company. As soon as the Company receives the certificate it shall deliver a copy of it to the Seller. Unless the Sale Shares are to be sold under a Transfer Notice, which is deemed to have been served, the Seller may by notice in writing to the Company within five Business Days

of the service on him of the copy certificate, cancel the Company's authority to sell the Sale Shares.

- 17.9. The cost of obtaining the certificate shall be paid by the Company unless:
- (a) the Seller cancels the Company's authority to sell; or
 - (b) the Fair Value certified by the Expert Valuer is less than the price (if any) offered by the directors to the Seller for the Sale Share before Expert Valuer was instructed,

in which case the Seller shall bear the cost.

- 18.1. A person entitled to a Share in consequence of the bankruptcy of a Shareholder shall be deemed to have given a Transfer Notice in respect of that Share at a time determined by the majority of the Board of Directors.

 - (b) to show to the satisfaction of the majority of the Board of Directors that a Permitted Transfer will be effected before or promptly upon the completion of the administration of the estate of the deceased Shareholder.

- 18.4. If there is a change in control (as control is defined in section 1124 of the CTA 2010) of any Shareholder which is a company, it shall be bound at any time, if and when required in writing by the Directors to do so, to give (or procure the giving in the case of a nominee) a Transfer Notice in respect of all the Shares registered in its and their names and their respective nominees' names save that, in the case of the Permitted Transferee, it shall first be permitted to transfer those Shares back to the Original Shareholder from whom it received its Shares or to any other Permitted Transferee before being required to serve a Transfer Notice. This Article 18.4 shall not apply to a member that is an Investor.

 - (i) nominal value or Fair Value where the Employee Shareholder is a Bad Leaver; or
 - (ii) Fair Value where the Employee Shareholder is a Good Leaver.

for such Ordinary B Shares (the “**Ordinary B Shares Purchase Price**”);

- b) if it is permitted to do so under the Act, purchase all of the Ordinary B Shares itself (buyback) held by the Ordinary B Shares Leaver for an amount equal to the Ordinary B Shares Purchase Price, and the Company shall then forthwith cancel such B Shares;

- d) direct that such Ordinary B Shares are offered to and transferred to an Employee Benefit Trust established by the Company or any Member of the same Group of the Company at the Ordinary B Shares Purchase Price; or
- e) direct that such Ordinary B Shares are offered to and transferred to any other Shareholder or third person approved by the board in advance and in writing and willing to purchase the Ordinary B Shares at the Ordinary B Shares Purchase Price.

20.2. A Proposed Seller must, before making a Proposed Transfer procure the making by the Proposed Purchaser of an offer (the “**Offer**”) to any Shareholders who have not taken up their pre-emptive rights under Article 16 to acquire all of the Shares for a consideration per share the value of which is at least equal to the Specified Price (as defined in Article 20.7).

- 20.3. The Offer must be given by written notice (a “**Proposed Sale Notice**”) at least 10 Business Days (the “**Offer Period**”) prior to the proposed sale date (“**Proposed Sale Date**”). The Proposed Sale Notice must set out, to the extent not described in any accompanying documents, the identity of the Proposed Purchaser, the purchase price and other terms and conditions of payment, the Proposed Sale Date and the number of Shares proposed to be purchased by the Proposed Purchaser (the “**Proposed Sale Shares**”).
- 20.4. If any other holder of Shares is not given the rights accorded him by this Article, the Proposed Sellers will not be entitled to complete their sale and the Company will not register any transfer intended to carry that sale into effect.
- 20.5. If the Offer is accepted by any Shareholder (an “**Accepting Shareholder**”) within the Offer Period, the completion of the Proposed Transfer will be conditional upon the completion of the purchase of all the Shares held by Accepting Shareholders.
- 20.6. The Proposed Transfer is subject to the pre-emption provisions of Article 16 but the purchase of the Accepting Shareholders’ shares shall not be subject to Article 16.
- 20.7. For the purpose of this Article:
- (a) the expression “**Specified Price**” shall mean in respect of each Share a sum in cash equal to the highest price per Share offered or paid by the Proposed Purchaser:

- (ii) in any related or previous transaction by the Proposed Purchaser or any person Acting in Concert with the Proposed Purchaser in the 12 months preceding the date of the Proposed Transfer,
- plus an amount equal to the Relevant Sum, as defined in Article 20.7(b), of any other consideration (in cash or otherwise) paid or payable by the Proposed Purchaser or any other person Acting in Concert with the Proposed Purchaser, which having regard to the substance of the transaction as a whole, can reasonably be regarded as an addition to the price paid or payable for the Shares (the “**Supplemental Consideration**”) provided that the total consideration paid by the Proposed Purchaser in respect of the Proposed Transfer is distributed to the Proposed Seller and the Accepting Shareholders in accordance with the provisions of Articles 5 and 6;
- (b) **Relevant Sum** = $C \div A$
- where: A = number of Shares being sold in connection with the relevant Proposed Transfer;
- C = the Supplemental Consideration.

21. Co-Sale right

- 21.1. No transfer (other than a Permitted Transfer) of any of the Ordinary B Shares or Ordinary A Shares may be made or validly registered unless the relevant Founder or

Employee and any Permitted Transferee of that Founder or Employee (each a “**Selling Holder**”) shall have observed the following procedures of this Article unless the Investor Majority has determined that this Article 21 shall not apply to such transfer.

- 21.2. After the Selling Holder has gone through the pre-emption process set out in Article 16, the Selling Holder shall give to each holder of Shares who has not taken up their pre-emptive rights under Article 16 (an “**Equity Holder**”) not less than 15 Business Days’ notice in advance of the proposed sale (a “**Co-Sale Notice**”). The Co-Sale Notice shall specify:

 - (b) the price per share which the Buyer is proposing to pay;
 - (c) the manner in which the consideration is to be paid;
 - (d) the number of Ordinary Shares which the Selling Holder proposes to sell; and
 - (e) the address where the counter-notice should be sent.
- 21.3. For the purposes of this Article 21, it is acknowledged that Shares of different classes will be transferable at different prices, such price per class of Share being a sum equal to that to which they would be entitled if the consideration payable by the Buyer to the Selling Holder were used to determine the valuation of the entire issued share capital of the Company and such valuation was then allocated as between the Shares in accordance with Articles 5 and 6.
- 21.4. Each Equity Holder shall be entitled within five Business Days after receipt of the Co-Sale Notice, to notify the Selling Holder that they wish to sell a certain number of Ordinary Shares held by them at the proposed sale price, by sending a counter-notice which shall specify the number of Ordinary Shares which such Equity Holder wishes to sell. The maximum number of shares which an Equity Holder can sell under this procedure shall be:

$$\left(\frac{X}{Y} \right) \times Z$$

where:

- X is the number of Ordinary Shares the Selling Holder proposes to sell;
- Y is the total number of Shares held by the Selling Holder, as applicable;
- Z is the number of Shares held by the Equity Holder.

- 21.5. Any Equity Holder who does not send a counter-notice within such 20 Business Day period shall be deemed to have specified that they wish to sell no shares.
- 21.6. Following the expiry of five Business Days from the date the Equity Holders receive the Co-Sale Notice, the Selling Holder shall be entitled to sell to the Buyer on the terms notified to the Equity Holders a number of shares not exceeding the number specified in the Co-Sale Notice, provided that at the same time the Buyer (or another

person) purchases from the Equity Holders the number of shares they have respectively indicated they wish to sell on terms no less favourable than those obtained by the Selling Holder from the Buyer.

- 21.7. No sale by the Selling Holder shall be made pursuant to any Co-Sale Notice more than three months after service of that Co-Sale Notice.
- 21.8. Sales made in accordance with this Article 21 shall not be subject to Article 16.
- 21.9. This Article 21 shall cease to be in full force and effect and shall no longer apply immediately prior to the earlier of a Qualifying Public Offering or Corporate Event.

22. Drag along

- 22.1. If the holders of both (i) 50 per cent of the Series A Shares and, (ii) 70 per cent of the Ordinary Shares (the “**Selling Shareholders**”) wish to transfer all their interest in Shares (the “**Sellers’ Shares**”) to a Proposed Purchaser, the Company and the Selling Shareholders shall have the option (the “**Drag Along Option**”), subject to obtaining Series A Director Consent, to compel each holder of Shares (each a “**Called Shareholder**”) and together the “**Called Shareholders**”) to sell and transfer all their Shares to the Proposed Purchaser or as the Proposed Purchaser shall direct (the “**Drag Purchaser**”) in accordance with the provisions of this Article (the “**Proposed Drag Sale**”).
- 22.2. A Drag Along Notice shall specify that:
 - (a) the Called Shareholders are required to transfer all their Shares (the “**Called Shares**”) under this Article;
 - (b) the person to whom they are to be transferred;
 - (c) the consideration (whether in cash or otherwise) for which the Called Shares are to be transferred (calculated in accordance with this Article);
 - (d) the proposed date of transfer, and
 - (e) the form of any sale agreement or form of acceptance or any other document of similar effect that the Called Shareholders are required to sign in connection with such sale (the “**Sale Agreement**”)

(and, in the case of clauses (b) to (d) above, whether actually specified or to be determined in accordance with a mechanism described in the Drag Along Notice). No Drag Along Notice or Sale Agreement may require a Called Shareholder to agree to any terms except those specifically provided for in this Article.
- 22.3. Drag Along Notices shall be irrevocable but will lapse if for any reason there is not a sale of the Sellers’ Shares by the Selling Shareholders to the Drag Purchaser within 60 Business Days after the date of service of the Drag Along Notice. The Selling

Shareholders shall be entitled to serve further Drag Along Notices following the lapse of any particular Drag Along Notice.

- 22.4. The consideration (in cash or otherwise) for which the Called Shareholders shall be obliged to sell each of the Called Shares shall be that to which they would be entitled if the total consideration proposed to be paid, allotted or transferred by the Drag Purchaser were distributed to the holders of the Called Shares and the Sellers' Shares in accordance with the provisions of Articles 5 and 6 (the "**Drag Consideration**").
- 22.5. In respect of a transaction that is the subject of a Drag Along Notice and with respect to any Drag Document (as defined below):
- (a) any warranties to be made by any Called Shareholder in connection with the Proposed Drag Sale are limited to warranties related to authority, ownership and the ability to convey title to their Called Shares, including, but not limited to, warranties that (i) such Called Shareholder holds all right, title and interest in and to the Called Shares such Called Shareholder purports to hold, free and clear of all liens and encumbrances and shall sell the same with full title guarantee, (ii) the obligations / undertakings of the Called Shareholder in connection with the Proposed Drag Sale have been duly authorised, if applicable, and (iii) the documents to be entered into by such Called Shareholder have been duly executed by such Called Shareholder and delivered to the acquirer and are enforceable against the Called Shareholder in accordance with their respective terms, and (iv) neither the execution and delivery of documents to be entered into in connection with the Proposed Drag Sale, nor the performance of the Called Shareholder's obligations thereunder, will cause a breach or violation of the terms of any agreement, law, or judgment, order or decree of any court or governmental agency;
 - (b) the liability, if any, of any Called Shareholder in the Proposed Drag Sale and for the inaccuracy of any warranties and covenants made by such Called Shareholder or by the persons giving such warranties and covenants in connection with such Proposed Drag Sale, is several and not joint with any other person (except to the extent that funds may be paid out of an escrow or holdback established to cover breach of warranties and covenants of the persons giving such warranties and covenants under the Sale Agreement in respect of the Proposed Drag Sale), and is pro rata in proportion to, and does not exceed, the amount of consideration paid to a Called Shareholder in connection with the Proposed Drag Sale (except with respect to claims related to fraud, the liability for which need not be limited as to such individual Shareholder), taking into consideration the distributions under Articles 4 and 5 and any other waterfall or other liquidation preferences in these Articles or otherwise that exist with respect to any Shares (a "**Distribution Preference**");
 - (c) neither a Called Shareholder nor any of its Permitted Transferees shall be required to enter into any operating covenants, including but not limited to, restrictive covenants relating to engaging in business with a competitor of the Company or non-solicitation of Company employees;
 - (d) when paid to the Called Shareholders pursuant to completion of the Proposed Drag Sale each holder of Called Shares will receive the same form of

consideration per Share as is received by the Selling Shareholders in respect of their Sellers' Shares (taking into consideration any Distribution Preference), provided, however, that, notwithstanding the foregoing, if the consideration to be paid in exchange for any Shares on a Proposed Drag Sale includes any securities, due receipt thereof by any Shareholder would require under applicable law (x) the registration or qualification of such securities or of any person as a broker or dealer or agent with respect to such securities; or (y) the provision to any Shareholder of any information other than such information as a prudent issuer would generally furnish in an offering made solely to accredited investors, as defined in Regulation D promulgated under the United Securities Act of 1933, the Company may cause to be paid to any such Shareholder in lieu thereof, against surrender of the Shares held by them which would have otherwise been sold by such Shareholder, an amount in cash equal to the Fair Value of the securities which such Shareholder would otherwise receive as of the date of the issuance of such securities in exchange for the Shares held by such Shareholder; and

- (e) subject to the aforementioned Article requiring the same form of consideration to be available to the holders of any single class of Shares, if the Selling Shareholders are given an option as to the form and amount of consideration to be received as a result of the Proposed Drag Sale, all Called Shareholders will be given the same option; provided, however, that nothing in this Article shall entitle any Called Shareholder to receive any form of consideration that such Called Shareholder would be ineligible to receive as a result of such Called Shareholder's failure to satisfy any condition, requirement or limitation that is generally applicable to the Called Shareholders, and any failure of a Called Shareholder to respond to such option shall result in them receiving the form of consideration as is determined by the Board in its sole discretion.

22.6. Within five Business Days of the Company copying the Drag Along Notice to the Called Shareholders (or such later date as may be specified in the Drag Along Notice) (the "**Drag Completion Date**"), each Called Shareholder shall deliver:

- (a) duly executed stock transfer form(s) for its Shares in favour of the Drag Purchaser;
- (b) the relevant share certificate(s) (or a duly executed indemnity for lost certificate in a form acceptable to the Board) to the Company; and
- (c) duly executed Sale Agreement, if applicable, in the form specified in the Drag Along Notice or as otherwise specified by the Company, (together the "**Drag Documents**").

22.7. On the Drag Completion Date, the Company shall pay or transfer to each Called Shareholder, on behalf of the Drag Purchaser, the Drag Consideration that is due to the extent the Drag Purchaser has paid, allotted or transferred such consideration to the Company. The Company's receipt of the Drag Consideration shall be a good discharge to the Drag Purchaser. Following the Company's receipt of the Drag Consideration, but pending its payment or transfer to the Called Shareholder, the Company shall hold the Drag Consideration in trust for each of the Called Shareholders without any obligation to pay interest.

- 22.8. To the extent that the Drag Purchaser has not, on the Drag Completion Date, paid, allotted or transferred the Drag Consideration that is due to the Company, the Called Shareholders shall be entitled to the immediate return of the Drag Documents for the relevant Shares and the Called Shareholders shall have no further rights or obligations under this Article 22 in respect of their Shares.
- 22.9. If a Called Shareholder fails to deliver the Drag Documents for its Shares to the Company by the Drag Completion Date, the Company and each Director shall be constituted the agent of such defaulting Called Shareholder to take such actions and enter into any Drag Document or such other agreements or documents as are necessary to effect the transfer of the Called Shareholder's Shares pursuant to this Article 22 and the Directors shall, if requested by the Drag Purchaser, authorise any Director to transfer the Called Shareholder's Shares on the Called Shareholder's behalf to the Drag Purchaser to the extent the Drag Purchaser has, by the Drag Completion Date, paid, allotted or transferred the Drag Consideration to the Company for the Called Shareholder's Shares offered to him. The Board shall then authorise registration of the transfer once appropriate stamp duty (if any is required) has been paid. The defaulting Called Shareholder shall surrender his share certificate for his Shares (or suitable executed indemnity) to the Company. On surrender, he shall be entitled to the Drag Consideration due to him.
- 22.10. Any transfer of Shares to a Drag Purchaser pursuant to a sale in respect of which a Drag Along Notice has been duly served shall not be subject to the provisions of Article 16.
- 22.11. On any person, following the issue of a Drag Along Notice, becoming a Shareholder pursuant to the exercise of a pre existing option or warrant to acquire shares in the Company or pursuant to the conversion of any convertible security of the Company (a "New Shareholder"), a Drag Along Notice shall be deemed to have been served on the New Shareholder on the same terms as the previous Drag Along Notice who shall then be bound to sell and transfer all Shares so acquired to the Drag Purchaser and the provisions of this Article shall apply with the necessary changes to the New Shareholder except that completion of the sale of the Shares shall take place immediately on the Drag Along Notice being deemed served on the New Shareholder.

23. Asset Sale

In the event that an Asset Sale is approved by the Board, Series A Director Consent and the holders of 50 per cent of the Series A Shares and 70 per cent of the Ordinary Shares, such consenting Shareholders shall have the right, by notice in writing to all other Shareholders, to require such Shareholders to take any and all such actions as it may be necessary for Shareholders to take in order to give effect to or otherwise implement such Asset Sale, subject always to the proceeds from such Asset Sale being distributed to Shareholders in accordance with the provisions of Articles 5 and 6.

24. General meetings

- 24.1. If the Directors are required by the Shareholders under section 303 of the Act to call a general meeting, the Directors shall convene the meeting for a date not later than

28 days after the date on which the Directors became subject to the requirement under section 303 of the Act.

- 24.2. The provisions of section 318 of the Act shall apply to the Company, save that if a quorum is not present at any meeting adjourned for the reason referred to in article 41 of the Model Articles, then, provided that the Qualifying Person present holds or represents the holder of at least 25 per cent in nominal value of the Ordinary Shares (excluding Treasury Shares and provided that valid notice in accordance with these Articles has been provided to the Series A Shareholders), any resolution agreed to by such Qualifying Person shall be as valid and effectual as if it had been passed unanimously at a general meeting of the Company duly convened and held.
- 24.3. If any two or more Shareholders (or Qualifying Persons representing two or more Shareholders) attend the meeting in different locations, the meeting shall be treated as being held at the location specified in the notice of the meeting, save that if no one is present at that location so specified, the meeting shall be deemed to take place where the largest number of Qualifying Persons is assembled or, if no such group can be identified, at the location of the chairman.
- 24.4. A Shareholder shall be deemed to be present at a meeting if he, she or it participates by telephone or other electronic means and all Shareholders participating in the meeting are able to hear or otherwise acknowledge each other.

The demand for a poll shall not prevent the continuance of a meeting for the transaction of any business other than the question on which the poll was demanded.
- 24.7. No notice need be given of a poll not held immediately if the time and place at which it is to be taken are announced at the meeting at which it is demanded. In any other case at least seven clear days' notice shall be given specifying the time and place at which the poll is to be taken.
- 24.8. If the poll is to be held more than 48 hours after it was demanded the Shareholders shall be entitled to deliver proxy notices in respect of the poll at any time up to 24 hours before the time appointed for taking that poll. In calculating that period, no account shall be taken of any part of a day that is not a working day.

27.9. An alternate Director's appointment as an alternate shall terminate:

- (a) when the alternate's Appointor revokes the appointment by notice to the Company in writing specifying when it is to terminate;

Where the Company is able to show that any notice or other document given or sent under these Articles by electronic means was properly addressed with the electronic address supplied by the intended recipient, the giving or sending of that notice or other document shall be effective notwithstanding any receipt by the Company at any time of notice either that such method of communication has failed or of the intended recipient's non-receipt.

Notice by means of a website

33.7. Subject to the provisions of the Act, any notice or other document or information to be given, sent or supplied by the Company to Shareholders under these Articles may be given, sent or supplied by the Company by making it available on the Company's website.

General

33.8. In the case of joint holders of a share all notices shall be given to the joint holder whose name stands first in the register of members of the Company in respect of the joint holding (the "**Primary Holder**"). Notice so given shall constitute notice to all the joint holders.

33.9. Anything agreed or specified by the Primary Holder in relation to the service, sending or supply of notices, documents or other information shall be treated as the agreement or specification of all the joint holders in their capacity as such (whether for the purposes of the Act or otherwise).

34. Indemnities and insurance

34.1. Subject to the provisions of and so far as may be permitted by, the Act:

(a) every Director or other officer of the Company (excluding the Company's auditors) shall be entitled to be indemnified by the Company (and the Company shall also be able to indemnify directors of any associated company (as defined in section 256 of the Act)) out of the Company's assets against all liabilities incurred by him in the actual or purported execution or discharge of his duties or the exercise or purported exercise of his powers or otherwise in relation to or in connection with his duties, powers or office, provided that no current or former Director or current or former director of any associated company is indemnified by the Company against:

(i) any liability incurred by the director to the Company or any associated company; or

(ii) any liability incurred by the director to pay a fine imposed in criminal proceedings or a sum payable to a regulatory authority by way of a penalty in respect of non-compliance with any requirements of a regulatory nature; or

(iii) any liability incurred by the director:

- (A) in defending any criminal proceedings in which he is convicted;
- (B) in defending civil proceedings brought by the Company or any associated company in which final judgment (within the meaning set out in section 234 of the Act) is given against him; or
- (C) in connection with any application under sections 661(3) or 661(4) or 1157 of the Act (as the case may be) for which the court refuses to grant him relief,

save that, in respect of a provision indemnifying a director of a company (whether or not the Company) that is a trustee of an occupational pension scheme (as that term is used in section 235 of the Act) against liability incurred in connection with that company's activities as trustee of the scheme, the Company shall also be able to indemnify any such director without the restrictions in Articles 34.1(a)(i), 34.1(a)(iii)(B) and 34.1(a)(iii)(C) applying;

- (b) the Directors may exercise all the powers of the Company to purchase and maintain insurance for any such current or former Director or other officer against any liability which by virtue of any rule of law would otherwise attach to him in respect of any negligence, default, breach of duty or breach of trust of which he may be guilty in relation to the Company, or any associated company including (if he is a director of a company which is a trustee of an occupational pension scheme) in connection with that company's activities as trustee of an occupational pension scheme.

34.2. The Company shall (at the cost of the Company) effect and maintain for each current or former Director or current or former director of any associated company policies of insurance insuring each such director against risks in relation to his office as each director may reasonably specify including without limitation, any liability which by virtue of any rule of law may attach to him in respect of any negligence, default of duty or breach of trust of which he may be guilty in relation to the Company.

35. Data Protection

35.1. The Company, the Shareholders and Directors (each a "**Recipient**") may process the personal data of the Shareholders and Directors for the purpose of due diligence exercises, compliance with applicable laws, regulations and procedures and the exchange of information among themselves. The applicable Recipients shall at all times comply with applicable laws relating to data protection and data privacy. A Recipient may process the personal data either electronically or manually. The personal data which may be processed under this Article shall include any information which may have a bearing on the prudence or commercial merits of investing, or disposing of any shares (or other investment or security) in the Company. Other than as required by law, court order or other regulatory authority, that personal data may not be disclosed by a Recipient or any other person except to a Member of the same Group ("**Recipient Group Companies**") and to employees, directors and professional advisers of that Recipient or the Recipient Group Companies and funds managed by any of the Recipient Group Companies. Such processing may include the transfer of

relevant personal data to persons acting on behalf of the Recipient and to the offices of any Recipient both within and outside the European Economic Area for the purposes stated above, where it is in the Company's or the applicable Shareholder's or Director's legitimate interest to do so.

36. Secretary

Subject to the provisions of the Act, the majority of the Board of Directors may appoint a secretary for such term, at such remuneration and upon such conditions as they may think fit; and any secretary so appointed may be removed by them.

37. Lien

37.1. The Company shall have a first and paramount lien (the "**Company's Lien**") over every Share (not being a fully paid share) for all moneys (whether presently payable or not) payable at a fixed time or called in respect of that Share.

37.2. The Company's Lien over a Share:

- (a) shall take priority over any third party's interest in that Share; and
- (b) extends to any dividend or other money payable by the Company in respect of that Share and (if the lien is enforced and the Share is sold by the Company) the proceeds of sale of that Share.

The majority of the Board of Directors may at any time decide that a Share which is, or would otherwise be, subject to the Company's Lien shall not be subject to it, either wholly or in part.

37.3. Subject to the provisions of this Article 37, if:

- (a) a notice complying with Article 37.4 (a "**Lien Enforcement Notice**") has been given by the Company in respect of a Share; and
- (b) the person to whom the notice was given has failed to comply with it,

the Company shall be entitled to sell that Share in such manner as the majority of the Board of Directors decide.

37.4. A Lien Enforcement Notice:

- (a) may only be given by the Company in respect of a Share which is subject to the Company's Lien, in respect of which a sum is payable and the due date for payment of that sum has passed;
- (b) must specify the Share concerned;
- (c) must require payment of the sum payable within 14 days of the notice;
- (d) must be addressed either to the holder of the Share or to a person entitled to it by reason of the holder's death, bankruptcy or otherwise; and

- (e) must state the Company's intention to sell the Share if the notice is not complied with.

37.5. Where any Share is sold pursuant to this Article 37:

- (a) the majority of the Board of Directors may authorise any person to execute an instrument of transfer of the Share to the purchaser or a person nominated by the purchaser; and
- (b) the transferee shall not be bound to see to the application of the consideration, and the transferee's title shall not be affected by any irregularity in or invalidity of the process leading to the sale.

37.6. The net proceeds of any such sale (after payment of the costs of sale and any other costs of enforcing the lien) must be applied:

- (a) first, in payment of so much of the sum for which the lien exists as was payable at the date of the Lien Enforcement Notice;
- (b) secondly, to the person entitled to the Share at the date of the sale, but only after the certificate for the Share sold has been surrendered to the Company for cancellation or an indemnity for lost certificate in a form acceptable to the Board has been given for any lost certificate, and subject to a lien equivalent to the Company's Lien for any money payable (whether or not it is presently payable) as existing upon the Share before the sale in respect of all Shares registered in the name of that person (whether as the sole registered holder or as one of several joint holders) after the date of the Lien Enforcement Notice.

37.7. A statutory declaration by a Director or the company secretary that the declarant is a Director or the company secretary and that a Share has been sold to satisfy the Company's Lien on a specified date:

- (a) shall be conclusive evidence of the facts stated in it as against all persons claiming to be entitled to the Share; and
- (b) subject to compliance with any other formalities of transfer required by these Articles or by law, shall constitute a good title to the Share.

38. Call Notices

38.1. Subject to these Articles and the terms on which Shares are allotted, the Directors may send a notice (a "Call Notice") to a Shareholder who has not fully paid for that Shareholder's Share(s) requiring the Shareholder to pay the Company a specified sum of money (a "call") which is payable to the Company by that Shareholder when the Directors decide to send the Call Notice.

38.2. A Call Notice:

- (a) may not require a Shareholder to pay a call which exceeds the total sum unpaid on that Shareholder's Shares (whether as to the Share's nominal value or any sum payable to the Company by way of premium);

- (b) shall state when and how any call to which it relates it is to be paid; and
 - (c) may permit or require the call to be paid by instalments.
- 38.3. A Shareholder shall comply with the requirements of a Call Notice, but no Shareholder shall be obliged to pay any call before 14 days have passed since the notice was sent.
- 38.4. Before the Company has received any call due under a Call Notice the majority of the Board of Directors may:
 - (a) revoke it wholly or in part; or
 - (b) specify a later time for payment than is specified in the Call Notice, by a further notice in writing to the Shareholder in respect of whose Shares the call is made.
- 38.5. Liability to pay a call shall not be extinguished or transferred by transferring the Shares in respect of which it is required to be paid. Joint holders of a Share shall be jointly and severally liable to pay all calls in respect of that Share.
- 38.6. Subject to the terms on which Shares are allotted, the majority of the Board of Directors may, when issuing Shares, provide that Call Notices sent to the holders of those Shares may require them to:
 - (a) pay calls which are not the same; or
 - (b) pay calls at different times.
- 38.7. A Call Notice need not be issued in respect of sums which are specified, in the terms on which a Share is issued, as being payable to the Company in respect of that Share (whether in respect of nominal value or premium):
 - (a) on allotment;
 - (b) on the occurrence of a particular event; or
 - (c) on a date fixed by or in accordance with the terms of issue.
- 38.8. If the due date for payment of such a sum as referred to in Article 38.7 has passed and it has not been paid, the holder of the Share concerned shall be treated in all respects as having failed to comply with a Call Notice in respect of that sum, and shall be liable to the same consequences as regards the payment of interest and forfeiture.
- 38.9. If a person is liable to pay a call and fails to do so by the Call Payment Date (as defined below):
 - (a) the Directors may issue a notice of intended forfeiture to that person; and
 - (b) until the call is paid, that person shall be required to pay the Company interest on the call from the Call Payment Date at the Relevant Rate (as defined below).

38.10. For the purposes of Article 38.9:

- (a) the “**Call Payment Date**” shall be the time when the call notice states that a call is payable, unless the Directors give a notice specifying a later date, in which case the “**Call Payment Date**” is that later date;
- (b) the “**Relevant Rate**” shall be:
 - (i) the rate fixed by the terms on which the Share in respect of which the call is due was allotted;
 - (ii) such other rate as was fixed in the Call Notice which required payment of the call, or has otherwise been determined by the Directors; or
 - (iii) if no rate is fixed in either of these ways, five per cent a year,

provided that the Relevant Rate shall not exceed by more than five percentage points the base lending rate most recently set by the Monetary Policy Committee of the Bank of England in connection with its responsibilities under Part 2 of the Bank of England Act 1998(a).

38.11. The majority of the Board of Directors may waive any obligation to pay interest on a call wholly or in part.

38.12. The majority of the Board of Directors may accept full payment of any unpaid sum in respect of a Share despite payment not being called under a Call Notice.

39. Forfeiture of Shares

39.1. A notice of intended forfeiture:

- (a) may be sent in respect of any Share for which there is an unpaid sum in respect of which a call has not been paid as required by a Call Notice;
- (b) shall be sent to the holder of that Share or to a person entitled to it by reason of the holder’s death, bankruptcy or otherwise;
- (c) shall require payment of the call and any accrued interest and all expenses that may have been incurred by the Company by reason of such non-payment by a date which is not fewer than 14 days after the date of the notice;
- (d) shall state how the payment is to be made; and
- (e) shall state that if the notice is not complied with, the Shares in respect of which the call is payable will be liable to be forfeited.

39.2. If a notice of intended forfeiture is not complied with before the date by which payment of the call is required in the notice of intended forfeiture, then the majority of the Board of Directors may decide that any Share in respect of which it was given is forfeited, and the forfeiture is to include all dividends or other moneys payable in respect of the forfeited Shares and not paid before the forfeiture.

- 39.3. Subject to these Articles, the forfeiture of a Share extinguishes:
- (a) all interests in that Share, and all claims and demands against the Company in respect of it; and
 - (b) all other rights and liabilities incidental to the Share as between the person whose Share it was prior to the forfeiture and the Company.
- 39.4. Any Share which is forfeited in accordance with these Articles:
- (a) shall be deemed to have been forfeited when the majority of the Board of Directors decide that it is forfeited;
 - (b) shall be deemed to be the property of the Company; and
 - (c) may be sold, re-allotted or otherwise disposed of as the majority of the Board of Directors think fit.
- 39.5. If a person's Shares have been forfeited then:
- (a) the Company shall send that person notice that forfeiture has occurred and record it in the register of members;
 - (b) that person shall cease to be a Shareholder in respect of those Shares;
 - (c) that person shall surrender the certificate for the Shares forfeited to the Company for cancellation;
 - (d) that person shall remain liable to the Company for all sums payable by that person under the Articles at the date of forfeiture in respect of those Shares, including any interest (whether accrued before or after the date of forfeiture); and
 - (e) the Directors shall be entitled to waive payment of such sums wholly or in part or enforce payment without any allowance for the value of the Shares at the time of forfeiture or for any consideration received on their disposal.
- 39.6. At any time before the Company disposes of a forfeited Share, the majority of the Board of Directors shall be entitled to decide to cancel the forfeiture on payment of all calls and interest and expenses due in respect of it and on such other terms as they think fit.
- 39.7. If a forfeited Share is to be disposed of by being transferred, the Company shall be entitled to receive the consideration for the transfer and the majority of the Board of Directors shall be entitled to authorise any person to execute the instrument of transfer.
- 39.8. A statutory declaration by a Director or the company secretary that the declarant is a Director or the company secretary and that a Share has been forfeited on a specified date:

- (a) shall be conclusive evidence of the facts stated in it as against all persons claiming to be entitled to the Share; and
- (b) subject to compliance with any other formalities of transfer required by the articles or by law, constitutes a good title to the Share.

39.9. A person to whom a forfeited Share is transferred shall not be bound to see to the application of the consideration (if any) nor shall that person's title to the Share be affected by any irregularity in or invalidity of the process leading to the forfeiture or transfer of the Share.

39.10. If the Company sells a forfeited Share, the person who held it prior to its forfeiture shall be entitled to receive the proceeds of such sale from the Company, net of any commission, and excluding any sum which:

- (a) was, or would have become, payable; and
- (b) had not, when that Share was forfeited, been paid by that person in respect of that Share,

but no interest shall be payable to such a person in respect of such proceeds and the Company shall not be required to account for any money earned on such proceeds.

40. Surrender of Shares

40.1. A Shareholder shall be entitled to surrender any Share:

- (a) in respect of which the majority of the Board of Directors issue a notice of intended forfeiture;
- (b) which the majority of the Board of Directors forfeit; or
- (c) which has been forfeited.

The Directors shall be entitled to accept the surrender of any such Share.

40.2. The effect of surrender on a Share shall be the same as the effect of forfeiture on that Share.

40.3. The Company shall be entitled to deal with a Share which has been surrendered in the same way as a Share which has been forfeited.

41. Authority to capitalise and appropriation of capitalised sums

41.1. The Board may, if authorised to do so by an ordinary resolution (with Investor Majority Consent):

- (a) decide to capitalise any profits of the Company (whether or not they are available for distribution) which are not required for paying a preferential dividend, or any sum standing to the credit of the Company's share premium account or capital redemption reserve; and

- (b) appropriate any sum which they so decide to capitalise (a “**Capitalised Sum**”) to such Shareholders pro rata to their respective holdings of Shares (the “**Shareholders Entitled**”).

Article 36 of the Model Articles shall not apply to the Company.

- 41.2. Capitalised Sums may be applied on behalf of such Shareholders and in such proportions as the Board may (in its absolute discretion) deem appropriate.
- 41.3. Any Capitalised Sum may be applied in paying up new Shares up to the nominal amount (or such amount as is unpaid) equal to the Capitalised Sum, which are then allotted credited as fully paid to the Shareholders Entitled or as they may direct.
- 41.4. A Capitalised Sum which was appropriated from profits available for distribution may be applied in paying up new debentures of the Company which are allotted credited as fully paid to the Shareholders Entitled or as they may direct.
- 41.5. Subject to the Articles the Board may:
 - (a) apply Capitalised Sums in accordance with Articles 41.3 and 41.4 partly in one way and partly another;
 - (b) make such arrangements as they think fit to deal with Shares or debentures becoming distributable in fractions under this Article 41; and
 - (c) authorise any person to enter into an agreement with the Company on behalf of all of the Shareholders Entitled which is binding on them in respect of the allotment of Shares or debentures under this Article 41.
