For the financial year ending 31 March 2023 the Company was entitled to exemption from audit under section 477 of the Companies Act 2006 relating to small companies.

Directors' responsibilities:

- The members have not required the Company to obtain an audit of its financial statements for the financial year in accordance with section 476;
- The directors acknowledge their responsibilities for complying with the requirements of the Companies Act 2006 with respect to accounting records and the preparation of financial statements; and
- These financial statements have been prepared and delivered in accordance with the provisions applicable to companies subject to the small companies regime and a copy of the Profit and Loss Account has not been delivered.

The financial statements of 37 Corstorphine Road Limited (registered number: SC584308) were approved and authorised for issue by the Director on 30 November 2023. They were signed on its behalf by:

Mr S Cook  
Director

**37 CORSTORPHINE ROAD LIMITED**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE FINANCIAL YEAR ENDED 31 MARCH 2023**

**1. Accounting policies**

The principal accounting policies are summarised below. They have all been applied consistently throughout the financial year and to the preceding financial year, unless otherwise stated.

**General information and basis of accounting**

37 Corstorphine Road Limited (the Company) is a private company, limited by shares, incorporated in the United Kingdom under the Companies Act 2006 and is registered in Scotland. The address of the Company's registered office is 18 Walker Street, Edinburgh, EH3 7LP, Scotland, United Kingdom.

The financial statements have been prepared under the historical cost convention and in accordance with Section 1A of Financial Reporting Standard 102 (FRS 102) 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' issued by the Financial Reporting Council and the requirements of the Companies Act 2006 as applicable to companies subject to the small companies regime.

The financial statements are presented in pounds sterling which is the functional currency of the Company and rounded to the nearest £.

**Going concern**

The financial statements have been prepared on the going concern basis. In coming to this conclusion, the directors have sought assurances from the related party creditors that the liabilities will not be made payable until such a time that the payment would not have a detrimental effect on the business. The related parties will continue to finance the company for the foreseeable future until such a point that the business becomes self sufficient.

**Taxation**

*Current tax*

Current tax is provided at amounts expected to be paid (or recoverable) using the tax rates and laws that have been enacted or substantively enacted at the Balance Sheet date.

*Deferred tax*

Deferred tax arises as a result of including items of income and expenditure in taxation computations in periods different from those in which they are included in the Company's financial statements. Deferred tax is provided in full on timing differences which result in an obligation to pay more or less tax at a future date, at the average tax rates that are expected to apply when the timing differences reverse, based on current tax rates and laws. Deferred tax assets and liabilities are not discounted.

The carrying amount of deferred tax assets are reviewed at each reporting date and a valuation allowance is set up against deferred tax assets so that the net carrying amount equals the highest amount that is more likely than not to be recovered based on current or future taxable profit.

**Stocks**

Work in progress is stated at the lower of cost and estimated selling price less costs to sell, which is equivalent to the net realisable value. Cost includes professional fees and architecture fees in relation to the project.

At each reporting date, an assessment is made for impairment. Any excess of the carrying amount of work in progress over the estimated selling price less costs to complete and sell is recognised as an impairment loss in profit or loss.

**Cash and cash equivalents**

Cash and cash equivalents are basic financial assets and include cash in hand and bank overdrafts. Bank overdrafts are shown within borrowings in creditors: amounts falling due within one year.

**37 CORSTORPHINE ROAD LIMITED**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE FINANCIAL YEAR ENDED 31 MARCH 2023**

**Financial instruments**

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument.

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into. An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities.

Financial assets and liabilities are only offset in the Balance Sheet when, and only when there exists a legally enforceable right to set off the recognised amounts and the Company intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

*Basic financial assets*

Basic financial assets, which include debtors, cash and bank balances, are initially measured at transaction price including transaction costs.

*Basic financial liabilities*

Basic financial liabilities, including creditors and loans from fellow group companies are initially recognised at transaction price.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less.

*Equity instruments*

Equity instruments issued by the Company are recorded at the fair value of cash or other resources received or receivable, net of direct issue costs. Dividends payable on equity instruments are recognised as liabilities once they are no longer at the discretion of the Company.
