 - 13.1.2 in or towards payment of all other Expenses;
 - 13.1.3 in or towards payment of all other Secured Liabilities or such part of them as is then due and payable in such order as the Lender may select; and
 - 13.1.4 in payment of the surplus (if any) to the Assignor or other person entitled to it.
- 13.2 Clause 13.1 (*Order of Application*) will override any appropriation made by the Assignor.

New Accounts

- 13.3 If the Lender at any time receives, or is deemed to have received, notice of any subsequent Security Interest or other interest affecting any Charged Assets, the Lender may open a new account with the Assignor.
- 13.4 If the Lender does not open a new account, it shall nevertheless be treated as if it had done so at the time when it received, or was deemed to have received, such notice. As from that time all payments made by or on behalf of the Assignor to the Lender shall be credited or be treated as having been credited to the new account of the Assignor and not as having been applied in reduction of the Secured Liabilities.

Currency Conversion

- 13.5 For the purpose of or pending the discharge of any of the Secured Liabilities, the Lender may (in its absolute discretion) convert any moneys received or recovered by the Lender or any Delegate pursuant to this Assignment or any moneys subject to application by the Lender or

Delegate pursuant to this Assignment from one currency to another and any such conversion shall be made at the Lender's Spot Rate of Exchange for the time being for obtaining such other currency with the first currency and the Secured Liabilities shall be discharged only to the extent of the net proceeds of such conversion realised by the Lender. Nothing in this Assignment shall require the Lender to make, or shall impose any duty of care on the Lender in respect of, any such currency conversion.

14. No Liability

- 14.1 Neither the Lender nor any Delegate shall in any circumstances (either by reason of entering into or taking possession of any Charged Assets or for any other reason) be liable to account to the Assignor for anything, except actual receipts, or be liable to the Assignor for any costs, charges, losses, liabilities or expenses arising from the realisation of any Charged Assets or from any act, default or omission of the Lender, any Delegate or any of their respective officers, agents or employees in relation to the Charged Assets or from any exercise or purported exercise or non-exercise by the Lender or Delegate of any power, authority or discretion provided by or pursuant to this Assignment or by law or for any other loss of any nature whatsoever in connection with the Charged Assets, the Finance Documents or this Assignment.
- 14.2 If the Lender or any Delegate enters into or takes possession of any Charged Assets, it or he may, to the extent permitted by law and in accordance with applicable law, at any time relinquish possession.

15. Set-Off

- 15.1 Without limiting any other rights conferred on the Lender by law or by any other agreements entered into with the Assignor, the Lender may (but shall not be obliged to) set off any matured obligation due from the Assignor under this Assignment (to the extent beneficially owned by the Lender) or owed by the Assignor to any Affiliate of the Lender (to the extent beneficially owned by that Affiliate) against any obligation (whether matured or not) owed by the Lender to the Assignor, regardless of the place of payment, booking branch or currency of either obligation. If the obligations are in different currencies, the Lender may convert either obligation at a market rate of exchange in its usual course of business for the purpose of the set-off. If the obligation owed by the Lender is unliquidated or unascertained, the Lender may set off in an amount estimated by it in good faith to be the amount of that obligation.

16. Effectiveness of Security

Continuing Security

- 16.1 The security constituted by this Assignment shall remain in full force and effect as a continuing security for the Secured Liabilities, unless and until discharged by the Lender, and will extend to the ultimate balance of all the Secured Liabilities, regardless of any intermediate payment or discharge in whole or in part.

Cumulative Rights

- 16.2 The security constituted by this Assignment and all rights, powers and remedies of the Lender provided by or pursuant to this Assignment or by law shall be cumulative and in addition to, and independent of, any other guarantee or Security Interest now or subsequently held by the Lender for the Secured Liabilities or any other obligations or any rights, powers and remedies provided by law. No prior Security Interest held by the Lender over the whole or any part of the Charged Assets shall be superseded by, or supersede or merge into, the security constituted by this Assignment.

Reinstatement

- 16.3 If any discharge, release or arrangement (whether in respect of the obligations of the Assignor or any Security Interest for those obligations or otherwise) is made by the Lender in whole or in part on the faith of any payment, Security Interest or other disposition which is avoided or must be restored in insolvency, liquidation, administration or otherwise, without limitation, then the liability of the Assignor under, the security constituted by this Assignment will continue or be reinstated as if the discharge, release or arrangement had not occurred.
- 16.4 The Lender may concede or compromise any claim that any payment or any discharge is liable to avoidance or restoration.

Immediate Recourse

- 16.5 The Assignor waives any right it may have of first requiring the Lender to proceed against or enforce any other rights or Security Interest or claim payment from any person or file any proof or claim in any insolvency, administration, winding up or liquidation proceedings relating to any person before claiming from it under this Assignment. This waiver applies irrespective of any law or any provision of any agreement, account arrangement, transaction or engagement entered into by the Assignor with the Lender to the contrary.

Appropriations

- 16.6 Until all the Secured Liabilities which may be or become payable by the Assignor under or in connection with this Assignment have been irrevocably paid, performed and discharged in full, the Lender may:
- 16.6.1 without affecting the liability of the Assignor under this Assignment:
- (a) refrain from applying or enforcing any other moneys, Security Interest or rights held or received by it in respect of the Secured Liabilities; or
 - (b) apply and enforce the same in such manner and order as it sees fit (whether against the Secured Liabilities or otherwise) and the Assignor shall not be entitled to direct the appropriation of any such moneys, Security Interest or rights or to enjoy the benefit of the same; and/or
- 16.6.2 hold in a suspense account any moneys received from or on behalf of the Assignor or on account of the Assignor's liability in respect of the Secured Liabilities (amounts standing to the credit of any such suspense account to bear interest at a rate considered by the Lender to be a fair market rate).

Waiver of Defences

- 16.7 Neither the obligations of the Assignor under this Assignment nor the security constituted by this Assignment nor the rights, powers and remedies of the Lender provided by or pursuant to this Assignment or by law will be affected by an act, omission, matter or thing which, but for this Clause 16.7 (*Waiver of Defences*), would reduce, release or prejudice any of its obligations under this Assignment, any of that security or any of those rights, powers and remedies (without limitation and whether or not known to it or the Lender) including:
- 16.7.1 any time, waiver or consent granted to, or composition with, any person;
- 16.7.2 the release of any person under the terms of any composition or arrangement with any creditor of any person;

- 16.7.3 the taking, variation, compromise, exchange, renewal or release of, or refusal or neglect to perfect, take up or enforce, any rights against, or Security Interest over assets of, any person or any non-presentation or non-observance of any formality or other requirement in respect of any instrument or any failure to realise the full value of any Security Interest;
- 16.7.4 any incapacity or lack of power, authority or legal personality of, or dissolution or change in the members or status of, any person;
- 16.7.5 any variation, amendment, novation, supplement, extension (whether of maturity or otherwise), substitution, restatement (in each case, however fundamental and of whatsoever nature and whether or not more onerous) or replacement of any Finance Document or any other document or Security Interest including without limitation any change in the purpose of, any extension of or any increase in, any facility or the addition of any new facility under any Finance Document or other document or Security Interest;
- 16.7.6 any unenforceability, illegality or invalidity of any obligation of any person under any Finance Document, agreement, account arrangement, transaction, engagement or any other document or Security Interest; or
- 16.7.7 any insolvency or similar proceedings.

17. Certificates and Determinations

- 17.1 Any certificate or determination by the Lender of a rate or an amount under this Assignment is, in the absence of manifest error, conclusive evidence of the matters to which it relates.

18. Partial Invalidity

- 18.1 If, at any time, any provision of this Assignment is or becomes illegal, invalid or unenforceable in any respect under any law of any jurisdiction, neither the legality, validity or enforceability of the remaining provisions of this Assignment nor the legality, validity or enforceability of such provision under the law of any other jurisdiction will in any way be affected or impaired and, if any part of the security constituted, or intended to be constituted, by this Assignment is invalid, unenforceable or ineffective for any reason, that shall not affect or impair any other part of the security.

19. Remedies and Waivers

- 19.1 No failure to exercise, nor any delay in exercising, on the part of the Lender, any right or remedy under this Assignment shall operate as a waiver, nor shall any single or partial exercise of any right, remedy or power prevent any further or other exercise or the exercise of any other right, remedy or power. The rights, remedies and powers provided in this Assignment are cumulative and not exclusive of any rights, remedies or powers provided by law.
- 19.2 Any amendment, waiver or consent by the Lender under this Assignment must be in writing and may be given subject to any conditions thought fit by the Lender. Any waiver or consent shall be effective only in the instance and for the purpose for which it is given.

20. Notices

Communications in writing

- 20.1 Any communication to be made under or in connection with this Assignment shall be made in accordance with clause 28 (*Notices, Certificates and Determination and Day Count*) of the Facility Agreement.

21. Assignment

- 21.1 The Lender may assign, charge or transfer all or any of its rights under this Assignment without the consent of the Assignor. The Lender may disclose any information about the Assignor and this Assignment as it shall consider appropriate to any actual or proposed direct or indirect successor or to any person to whom information is required to be disclosed by any applicable law or regulation. The Assignor may not assign, charge, transfer or otherwise dispose of any part of the benefit or burden of this Assignment or all or any of its rights under this Assignment without prior written consent of the Lender.

22. Consent to Registration

- 22.1 The Assignor consents to the registration of this Assignment and each certificate referred to in Clause 17 (*Certificates and Determinations*) for preservation and execution.

23. Governing Law and Jurisdiction

Governing law

- 23.1 This Assignment and any non-contractual obligations arising out of or in connection with it are governed by the law of Scotland.

Jurisdiction

- 23.2 The courts of Scotland have exclusive jurisdiction to settle any dispute arising out of or in connection with this Assignment (including a dispute relating to the existence, validity or termination of this Assignment or any non-contractual obligation arising out of or in connection with this Assignment) (a “Dispute”).
- 23.3 The Assignor agrees that the courts of Scotland are the most appropriate and convenient courts to settle Disputes and accordingly it will not argue to the contrary or take proceedings relating to a Dispute in any other courts.
- 23.4 Clauses 23.2 and 23.3 (*Jurisdiction*) above are for the benefit of the Lender only. As a result, the Lender shall not be prevented from taking proceedings relating to a Dispute in any other courts with jurisdiction. To the extent allowed by law, the Lender may take concurrent proceedings in any number of jurisdictions.
- 23.5 Without prejudice to Clauses 23.2 and 23.3 (*Jurisdiction*) above, the Assignor further agrees that proceedings relating to a Dispute may be brought in the courts of England and irrevocably submits to the jurisdiction of such courts.

Waiver of Immunity

- 23.6 To the extent that the Assignor may in any jurisdiction claim for itself or its assets immunity from suit, execution, attachment (whether in aid of execution, before judgment or otherwise) or other legal process and to the extent that in any such jurisdiction there may be attributed to itself or its assets such immunity (whether or not claimed), the Assignor irrevocably agrees not to

claim and irrevocably waives such immunity to the fullest extent permitted by the laws of that jurisdiction.
