## Notes to the Financial Statements for the period ended 31 March 2022

### 1. Statutory information

The company is a private company limited by shares and registered in Scotland. The company's registered number and registered office address can be found on the Company Information page.

### 2. Compliance with applicable reporting framework

The financial statements have been prepared in compliance with FRS 102 Section 1A as it applies to the financial statements for the period and there were no material departures from the reporting standard.

### 3. Change in reporting period and impact on comparability

These are the first statutory accounts of the company. These financial statements cover the period from incorporation date 14 July 2021 to 31 March 2022 and therefore cover a period of less than one year.

### 4. Principal activities

The principal activity of the company is that of electrical fittings & supplies.

### 5. Basis of measurement used in financial statements

The accounts have been prepared under the historical cost convention and in accordance with FRS 102, the financial reporting standard applicable in the UK and Republic of Ireland (as applied to small entities by section 1A of the standard).

### 6. Accounting policies

#### Functional and presentation currency policy

The financial statements are presented in sterling and this is the functional currency of the company.

#### Turnover policy

Turnover is measured at the fair value of the consideration received or receivable, net of discounts and value added taxes. Turnover includes revenue earned from the sale of goods and from the rendering of services.

#### Revenue recognition policy

Turnover from the sale of goods is recognised when the significant risks and rewards of ownership of the goods have transferred to the buyer. Turnover from the rendering of services is recognised by reference to the stage of completion of the contract. The stage of completion of a contract is measured by comparing the costs incurred for work performed to date to the total estimated contract costs.

## 7. Employee information

	2022
Average number of employees during the year	1

## 8. Debtors within one year

	2022
	£
Trade debtors / trade receivables	5,646
Total	<u>5,646</u>

Short term debtors are measured at transaction price (which is usually the invoice price), less any impairment losses for bad and doubtful debts. Loans and other financial assets are initially recognised at transaction price including any transaction costs and subsequently measured at amortised cost determined using the effective interest method, less any impairment losses for bad and doubtful debts.

## 9. Creditors within one year

	2022
	£
Taxation and social security	1,799
Other creditors	3,330
Accrued liabilities and deferred income	1,200
Total	<u>6,329</u>

Short term creditors are measured at transaction price (which is usually the invoice price). Loans and other financial liabilities are initially recognised at transaction price net of any transaction costs and subsequently measured at amortised cost determined using the effective interest method.
