

Company Name ADVANTEST (EUROPE) GMBH
Company Number SF543

The Overseas Companies Regulations 2009 amended the law to apply a single company law regime to overseas companies, meaning they cannot be registered in more than one jurisdiction. This company was identified as having multiple registrations for the same company. For this reason Company FC15087 has been closed and all UK Establishment information has been transferred to this remaining company. Historical information filed against the closed company will remain for search purposes.
