NOTES TO THE ABBREVIATED FINANCIAL STATEMENTS

1. Accounting Policies

Basis of Accounting

The Financial Statements have been prepared under the historical cost convention.

The partnership has taken advantage of the exemptions in Financial Reporting Standard No. 1 from the requirement to produce a cash flow statement on the grounds that it is a small partnership.

Turnover

Turnover is the total amount receivable by the partnership for services provided excluding VAT.

Depreciation and amortisation

Depreciation is calculated to write down the cost or valuation less estimated residual value of all tangible fixed assets by reducing balance method over their expected useful lives. The rates and periods generally applicable are:

Computers, plant, machinery, fixtures and fittings 33% reducing balance basis

Intangible assets have been written down in accordance with an amortisation review and the expected useful life of the assets.

Deferred Taxation

It is considered that there is no need to provide for deferred tax as it is likely that no provision will crystallise.

2. Turnover

The turnover was derived from the partnership's principal activity which was carried out in the UK.

3. Tangible and Intangible Fixed Assets
