## NOTES TO THE ABBREVIATED ACCOUNTS

### FOR THE YEAR ENDED 31 DECEMBER 2013

---

#### 1 Accounting policies

##### 1.1 Accounting convention

The financial statements are prepared under the historical cost convention, in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008) and in accordance with the Statement of Recommended Practice: 'Accounting by Limited Liability Partnerships'.

Castle Stuart Golf LLP continues to strengthen its presence in the golf and leisure markets in a challenging economic period. Whilst the LLP has made losses to date, the members are confident of future progress in both the provision of golf and associated leisure and hospitality services. The members are presently funding the LLP through direct member balances, in addition to a formal banking loan facility.

The bank support is provided through a term loan and, due to the losses incurred in the early years of operation, the members have successfully renegotiated the underlying covenants to better reflect the nature of the LLP's corporate structure.

Members remain confident that there are sufficient cash resources available to the LLP to meet ongoing liabilities as they fall due and the accounts have therefore been prepared on a going concern basis.

##### 1.2 Turnover

Turnover represents amounts receivable for greenfees and related facility provision, merchandise sales and food and beverage sales net of VAT and trade discounts. Turnover is recognised at the point of sale for merchandise, food and beverage sales and on performance of the service for greenfees and related facility provision.

Turnover also includes the share of profits or losses arising from the investment in Castle Stuart Resort Ownership LLP.

##### 1.3 Tangible fixed assets and depreciation

Tangible fixed assets other than freehold land are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life, as follows:

Golf course development & coursebuilding	- 2%, 5% and 25% straight line
Clubhouse	- 2% and 10% straight line
Plant and machinery	- 25% reducing balance
Fixtures, fittings & equipment	- 25% straight line
Motor vehicles	- 25% reducing balance
Other assets	- 5% straight line

No depreciation has been charged on hotel and fractional development costs as the assets are still under construction.

### 1 Accounting policies

(continued)

#### 1.4 Leasing

Assets obtained under hire purchase contracts and finance leases are capitalised as tangible assets and depreciated over the shorter of the lease term and their useful lives. Obligations under such agreements are included in creditors net of the finance charge allocated to future periods. The finance element of the rental payment is charged to the profit and loss account so as to produce a constant periodic rate of charge on the net obligation outstanding in each period.

Rentals payable under operating leases are charged against income on a straight line basis over the lease term or capitalised as part of the cost of construction.

#### 1.5 Investments

Fixed asset investments represent an interest in a limited liability partnership and has been accounted for using the equity method of accounting at cost plus any drawing met on behalf of the partnership and share of profits not drawn from the partnership.

#### 1.6 Pensions

The limited liability partnership operates a defined contribution scheme for the benefit of its employees. Contributions payable are charged to the profit and loss account in the year they are payable.

#### 1.7 Foreign currency translation

Monetary assets and liabilities denominated in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are recorded at the rate ruling at the date of the transaction. All differences are taken to profit and loss account.

#### 1.8 Group accounts

The financial statements present information about the limited liability partnership as an individual undertaking and not about its group because the limited liability partnership and its subsidiary undertaking comprise a small-sized group.
