The members are responsible for preparing the strategic report and the members' report and the financial statements in accordance with applicable law and regulations.

The Limited Liability Partnerships (Accounts and Audit)(Application of Companies Act 2006) Regulations 2008 ("the Regulations") require the designated members to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the LLP and the Group and of the profit or loss of the Group for that year. INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF GENERATION IM CLIMATE SOLUTIONS I (SCOTLAND) LLP

REPORT ON THE FINANCIAL STATEMENTS

OUR OPINION

In our opinion, Generation IM Climate Solutions I (Scotland) LLP's financial statements (the "financial statements"):

- > give a true and fair view of the state of the limited liability partnership's affairs as at 31 December 2015 and of its profit for the 13 month period (the "period") then ended;
- > have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- > have been prepared in accordance with the requirements of the Companies Act 2006 as applied to limited liability partnerships by the Limited Liability Partnerships (Accounts and Audit) (Application of Companies Act 2006) Regulations 2008.

WHAT WE HAVE AUDITED

The financial statements, included within the Members' Report and Financial Statements (the "Annual Report"), comprise:

- > the balance sheet as at 31 December 2015;
- > the statement of comprehensive income for the period then ended;
- > the statement of changes in equity for the period then ended; and
- > the notes to the financial statements, which include a summary of significant accounting policies and other explanatory information.

The financial reporting framework that has been applied in the preparation of the financial statements is United Kingdom Accounting Standards, comprising FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland", and applicable law (United Kingdom Generally Accepted Accounting Practice).

In applying the financial reporting framework, the members have made a number of subjective judgements, for example in respect of significant accounting estimates. In making such estimates, they have made assumptions and considered future events.

OTHER MATTERS ON WHICH WE ARE REQUIRED TO REPORT BY EXCEPTION

ADEQUACY OF ACCOUNTING RECORDS AND INFORMATION AND EXPLANATIONS RECEIVED

Under the Companies Act 2006 as applicable to limited liability partnerships we are required to report to you if, in our opinion:

- > we have not received all the information and explanations we require for our audit; or
- > adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- > the financial statements are not in agreement with the accounting records and returns.

We have no exceptions to report arising from this responsibility.

RESPONSIBILITIES FOR THE FINANCIAL STATEMENTS AND THE AUDIT

OUR RESPONSIBILITIES AND THOSE OF THE MEMBERS

As explained more fully in the Statement of Members' Responsibilities, the members are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view.

Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland) ("ISAs (UK & Ireland)"). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

This report, including the opinion, has been prepared for and only for the members of the partnership as a body in accordance with the Companies Act 2006 as applied to limited liability partnerships by the Limited Liability Partnerships (Accounts and Audit) (Application of Companies Act 2006) Regulations 2008 and for no other purpose. We do not, in giving this opinion, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

WHAT AN AUDIT OF FINANCIAL STATEMENTS INVOLVES

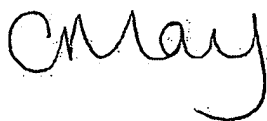

We conducted our audit in accordance with ISAs (UK & Ireland). An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of:

- > whether the accounting policies are appropriate to the limited liability partnership's circumstances and have been consistently applied and adequately disclosed;
- > the reasonableness of significant accounting estimates made by the members; and
- > the overall presentation of the financial statements.

We primarily focus our work in these areas by assessing the members' judgements against available evidence, forming our own judgements, and evaluating the disclosures in the financial statements.

We test and examine information, using sampling and other auditing techniques, to the extent we consider necessary to provide a reasonable basis for us to draw conclusions. We obtain audit evidence through testing the effectiveness of controls, substantive procedures or a combination of both.

In addition, we read all the financial and non-financial information in the Annual Report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE PERIOD 25 NOVEMBER 2014 TO 31 DECEMBER 2015

1. ACCOUNTING POLICIES

1.1. BASIS OF ACCOUNTING

The financial statements have been prepared in compliance with United Kingdom Accounting Standards, including Financial Reporting Standard 102 ("FRS 102") and the Companies Act 2006 as applied to Limited Liability Partnerships unless specified otherwise. The financial statements have also been prepared in accordance with the Statement of Recommended Practice 'Accounting by Limited Liability Partnerships' (SORP) issued in 2015. These financial statements are prepared on a going concern basis under the historical cost convention.

A Statement of Cash Flows has not been presented as the LLP is a qualifying entity. A qualifying entity is a member of a group where the parent of that group prepares publicly available consolidated financial statements which are intended to give a true and fair view (of the assets, liabilities, financial position and profit or loss) and that member is included in the consolidation.

The principal accounting policies, which have been applied consistently throughout the period, are set out below.

1.2. GOING CONCERN

The Partnership has adequate financial resources and as a consequence, the members believe that the Partnership is well placed to manage its business risks successfully. After making inquiries, the members have a reasonable expectation that the Partnership has adequate resources to continue in operational existence and meet its liabilities as they fall due for the foreseeable future. Accordingly, they continue to adopt the going concern basis in preparing the financial statements.

1.3. FOREIGN CURRENCIES

The presentational and functional currency of the LLP is pound sterling. Monetary assets and liabilities in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are translated into sterling at the rate of exchange ruling at the date of the transaction. Exchange differences are taken into account in arriving at the operating profit and included in administrative expenses.

1.4. CRITICAL ACCOUNTING JUDGEMENTS AND ESTIMATION UNCERTAINTY

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. There are no balances including a higher degree of judgement or estimation uncertainty that are significant to the financial statements.

1.5. TURNOVER

The LLP is a general partner of Generation IM Climate Solutions (Scotland), L.P. The turnover shown in the Statement of Comprehensive Income represents the General Partner's share. The General Partner's share is based on a value equal to a fixed annual fee plus administrative expenses as detailed in the Limited Partnership Agreement of Generation IM Climate Solutions (Scotland), L.P (the "LPA").

1.6. TAXATION

Income tax payable on the LLP's profits is solely the personal liability of the individual members and consequently is not dealt with in these financial statements.

1.7. CURRENT ASSETS

Current assets include receivables which are non-derivative financial assets with fixed or determinable payments not quoted on an active market. The Partnership's current assets comprise trade and other debtors and cash and cash equivalents in the balance sheet.

An assessment is made at the end of each reporting period whether there is objective evidence that a financial asset is impaired.

1.8. ALLOCATION OF PROFITS AND DRAWINGS

The profits and losses of the LLP are allocated to the members in proportion to their respective capital contributions. In respect of each financial year, the member shall specify how much of the Profits are available for distribution and to what extent a distribution should be made. Profits are allocated at a duly constituted Members' Meeting or by Members' written resolution.

To the extent that interim or final profit allocations exceed drawings then the excess profit is included in the balance sheet under amounts due to members. Where drawings exceed the allocated profits then the excess is deducted from capital. Unallocated profits and losses are included in "other reserves" within members' other interests.

Distributions may be paid net of a tax retention which is released to members to pay tax as required. The balance of tax retained from members is shown within amounts due to members.

1.9. FINANCIAL INSTRUMENTS

Financial assets

Basic financial assets, including debtors, are initially recognised at transaction price, unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Such assets are subsequently carried at amortised cost using the effective interest rate method. At the end of each reporting period financial assets measured at amortised cost are assessed for objective evidence of impairment.

Financial Liabilities

Basic financial liabilities, including creditors, are initially recognised at transaction price, unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future receipts discounted at a market rate of interest. Debt instruments are subsequently carried at amortised cost, using the effective interest method.
