### **Members' drawings, contributions and repayments**

The members' drawing policy allows each member to draw a proportion of their profit share, subject to the cash requirements of the business.

A member's capital requirement is linked to their share of profit and the financing requirement of the limited liability partnership. There is no opportunity for appreciation of the capital subscribed. No distribution or withdrawal of capital may take place without the consent of all the Members at a duly convened Members' meeting or by Members' Written Resolution.

### **Statement of members' responsibilities**

The members are responsible for preparing the members' report and the financial statements in accordance with applicable law and regulations.

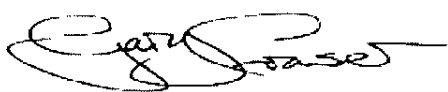

The Limited Liability Partnerships (Accounts and Audit) (Application of the Companies Act 2006) Regulations 2008 require the members to prepare financial statements for each financial year. Under these regulations the members have elected to prepare the Limited Liability Partnership financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law), including Financial Reporting Standard 101 'Reduced Disclosure Framework'. Under these regulations the members must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Limited Liability Partnership and of the profit or loss for that period.

In preparing these financial statements, the members are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Limited Liability Partnership will continue in business.

The members are responsible for keeping adequate accounting records that are sufficient to show and explain the Limited Liability Partnership's transactions, disclose with reasonable accuracy at any time the financial position of the Limited Liability Partnership, and enable them to ensure that the financial statements comply with the Limited Liability Partnerships (Accounts and Audit) (Application of the Companies Act 2006) Regulations 2008. They are also responsible for safeguarding the assets of the Limited Liability Partnership and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

On behalf of the members
