#### Statement of members' responsibilities

The members are responsible for preparing the members' report and the financial statements in accordance with applicable law and regulations.

The *Limited Liability Partnerships (Accounts and Audit) (Application of the Companies Act 2006) Regulations 2008* require the members to prepare financial statements for each financial year. Under these regulations the members have elected to prepare the LLP financial statements in accordance with Financial Reporting Standard 101 'Reduced Disclosure Framework'. Under these regulations the members must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the LLP and of the profit or loss for that year.

In preparing these financial statements, the members are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the LLP will continue in business.

The members are responsible for keeping adequate accounting records that are sufficient to show and explain the LLP's transactions, disclose with reasonable accuracy at any time the financial position of the LLP, and enable them to ensure that the financial statements comply with the *Limited Liability Partnerships (Accounts and Audit) (Application of the Companies Act 2006) Regulations 2008*. They are also responsible for safeguarding the assets of the LLP and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
