Maven Capital Partners UK LLP

Group Members' Report for the Year Ended 31 March 2020

The members present their report and the consolidated financial statements for the year ended 31 March 2020.

Principal activities and review of the business

The principal activity of the group is the provision of private equity investment management services. There were no significant changes during the year. Total committed funds under management at 31 March 2020 were £640 million (2019 - £660 million). On 17 April 2020 a further £23.7m of funds under management was committed, effective 1 January 2020.

Results

The profit before members' remuneration and profit shares in the year to 31 March 2020 amounted to £8,099,478 (2019 - £9,588,613).

Principal risks and uncertainties

Our committed funds under management and ability to access both investment opportunities and additional funding requirements through our extensive network provides a stable foundation for our business in the current economic climate.

The members have considered the impact of Covid-19 on business performance and continue to perform ongoing risk assessments of the impact of the Pandemic on all revenue streams. Currently the members assess that revenues are likely to decrease by less than 10% in the short to medium term as a result of the pandemic and they will continue to monitor this closely.

Furthermore the members of the LLP have introduced a number of measures to safeguard the health and wellbeing of all their staff and other stakeholders. The members have tested the business continuity plans across their offices and taken steps to ensure the resilience of their systems and processes whilst working remotely. They are also monitoring the ability of our key third party providers to continue to provide an effective service.

As the Coronavirus pandemic develops the LLP will continue to monitor guidance from the government and relevant health authorities and during this period the Maven Risk Committee is convening on a regular basis to adjust its response and work practices where appropriate. The members are committed to doing the right thing with respect to their employees, the investee companies of the funds managed by the LLP, their clients and society at large during this challenging period.

Key performance indicators

The key financial performance indicators for the group are the level of funds under management and investment activity in relation to managed funds, both investment completions and realisations.

Designated members

Maven Capital Partners UK LLP

Group Members' Report for the Year Ended 31 March 2020 (continued)

Policy on Members' drawings, subscriptions and repayment of capital

The Partnership Agreement governs the allocation of profit among the members. The Agreement also governs policies for members' drawings, subscriptions and repayment of members' capital. Drawings are made on a monthly basis and from time to time as working capital permits subject to maintaining regulatory capital.

Political and charitable contributions

Neither the LLP nor any of its subsidiaries made any political donations or incurred any political expenditure during the year. Charitable donations in the year totalled £2,955 (2019 - £6,750).

Members and officers insurance

Members benefited from qualifying third party members and officers liability insurance in place during the financial year and at the date of this report.

Disclosure of information to the auditors

So far as the members are aware, there is no relevant audit information of which the limited liability partnership's auditors are unaware. Additionally, the members have taken all the necessary steps that they ought to have taken as members in order to make themselves aware of all relevant audit information and to establish that the limited liability partnership's auditors are aware of that information.

Reappointment of auditors

In accordance with section 485 of the Companies Act 2006, as applied to limited liability partnerships, a resolution for the re-appointment of Morris & Young, Statutory Auditor as auditors of the limited liability partnership is to be proposed at the forthcoming Annual General Meeting.

Approved by the Board on 21 September 2020 and signed on its behalf by:

Maven Capital Partners UK LLP

Statement of Members' Responsibilities for the Year Ended 31 March 2020

The members are responsible for preparing the Members' Report and the financial statements in accordance with applicable law and regulations.

The Limited Liability Partnerships (Accounts & Audit) (Application of Companies Act 2006) Regulations 2008 require the members to prepare financial statements for each financial year. Under that law the members have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under Company law as applied to LLPs the members must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the limited liability partnership and of the profit or loss of the limited liability partnership for that year. In preparing these financial statements, the members are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Partnership will continue in business.

The members are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the limited liability partnership and enable them to ensure that the financial statements comply with the Companies Act 2006, as applicable to limited liability partnerships, and in accordance with the requirements of the Statement of Recommended Practice Accounting by Limited Liability Partnerships (issued December 2018). They are also responsible for safeguarding the assets of the limited liability partnership and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Independent Auditor's Report to the Members of Maven Capital Partners UK LLP

Opinion

We have audited the financial statements of Maven Capital Partners UK LLP (the 'limited liability partnership') for the year ended 31 March 2020, which comprise the Consolidated Income Statement, Consolidated Statement of Comprehensive Income, Consolidated Statement of Financial Position, Statement of Changes in Members' Interests, Consolidated Cash Flow Statement, and Notes to the Financial Statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

Opinion on the financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the Group and the limited liability partnership's affairs as at 31 March 2020 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006, as applied to limited liability partnerships.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the limited liability partnership in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Maven Capital Partners UK LLP

Independent Auditor's Report to the Members of Maven Capital Partners UK LLP (continued)

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the members' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the members have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the limited liability partnership's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other information

The members are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept by the Group and the limited liability partnership, or returns adequate for our audit have not been received from branches not visited by us; or
- the Group and the limited liability partnership financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of members

As explained more fully in the Statement of Members' Responsibilities [set out on page 4], the members are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the members determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the members are responsible for assessing the Group and the limited liability partnership's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the members either intend to liquidate the Group or the limited liability partnership or to cease operations, or have no realistic alternative but to do so.

Maven Capital Partners UK LLP

Independent Auditor's Report to the Members of Maven Capital Partners UK LLP (continued)

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs (UK), we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group and the limited liability partnership's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the members.
- Conclude on the appropriateness of the members' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group and the limited liability partnership's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and the limited liability partnership to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and event in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the limited liability partnership to express an opinion on the financial statements. We are responsible for the direction, supervision and performance of the limited liability partnership audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Maven Capital Partners UK LLP

Independent Auditor's Report to the Members of Maven Capital Partners UK LLP (continued)

Use of our report

This report is made solely to the Group and the limited liability partnership's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006, as applied to limited liability partnerships by the Limited Liability Partnerships (Accounts & Audit) (Application of Companies Act 2006) Regulations 2008. Our audit work has been undertaken so that we might state to the Group and the limited liability partnership's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Group, the limited liability partnership, and the limited liability partnership members as a body, for our audit work, for this report, or for the opinions we have formed.

Maven Capital Partners UK LLP

Notes to the Financial Statements for the Year Ended 31 March 2020

1 LLP information

The Limited Liability Partnership was incorporated in England and Wales under the Limited Liability Partnership Act 2000.

The address of its registered office is:

Fifth Floor
1-2 Royal Exchange Buildings
LONDON
EC3V 3LF

These financial statements were authorised for issue by the members on 21 September 2020.

2 Basis of preparation

These financial statements have been prepared in accordance with applicable United Kingdom accounting standards, including Financial Reporting Standard 102 - 'The Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland' ('FRS 102'), Companies Act 2006 as applied by LLPs and the Statement of Recommended Practice (SORP), Accounting by Limited Liability Partnerships, issued in December 2018. The group financial statements have been prepared on the historical cost basis except for the modification to a fair value basis for certain financial instruments as specified in the accounting policies below.

The financial statements are presented in Sterling (£). The financial statements are rounded to the nearest £1.

The group financial statements consolidate the financial statements and its subsidiary undertakings drawn up to 31 March 2020.

Subsidiary undertakings are included using the acquisition method of accounting. Under this method the group profit and loss account and statement of cashflows include the results and cashflows of subsidiaries from the date of acquisition and to the date of sale outside the group in the case of disposals of subsidiaries. The purchase consideration has been allocated to the assets and liabilities on the basis of fair value at the date of acquisition. Associate undertakings are held as part of an investment portfolio therefore the associate is measured at fair value with changes in fair value recognised through the profit and loss. Joint ventures are included using the equity method of accounting.

The year end for twelve subsidiary companies are not coterminous with the year end of the parent limited liability partnership. Maven (CL) Limited's year end is 31 January 2020, GMLF GP Limited's year end is 30 June 2020, HDF General Partner II Limited and Dvest Nominees Limited's year end is 31 October 2020, Maven Property (Inverness Campus) Ltd and Maven Property (Charing Cross) Ltd's year end is 30 November 2020 and Maven UK Regional Buyout I GP LLP, Maven Co-Invest GP A LLP, SLF GP A LLP, GMLF GP A LLP, Maven UK Regional Buyout I Founder Partner GP LLP and Maven Capital (Fairview Edinburgh) Limited's year end is 31 December 2020. There is little trading activity with these companies therefore it has not been deemed necessary to adjust the year end.

The LLP has taken advantage of section 408 of the Companies Act 2006 as applied by the Limited Liability Partnerships (Accounts and Audit) (Application of Companies Act 2006) Regulations 2008 and has not included its own Profit and Loss Account in these financial statements. The LLP's profit for the year was £6,658,890 (2019 - £8,579,311).

Maven Capital Partners UK LLP

Notes to the Financial Statements for the Year Ended 31 March 2020 (continued)

3 Accounting policies

Revenue recognition

Turnover represents amounts derived from the provision of services that fall within the LLP's ordinary activities, stated net of value added tax. Turnover is recognised as earned on an accrual basis.

Tangible fixed assets

Tangible fixed assets are stated at cost, net of depreciation and any provision for impairment.

Depreciation is provided at rates calculated to write off the cost less any estimated residual value, over their expected useful economic life, as follows:

Asset class	Depreciation method and rate
IT systems	20% per annum straight line
Property improvements	20% per annum straight line
Fixtures, fittings & equipment	25% per annum straight line

IT systems depreciation will commence when the system is live.

Fixed asset investments

Fixed asset investments are stated at valuation less provision for any diminution in value.

Investments held in subsidiary companies are stated at cost.

Investments held in associate companies are stated at cost.

Investments held in jointly controlled entities are stated at cost.

Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

Leasing

Rentals payable under operating leases are charged against income on a straight line basis over the lease term.

Pensions

The group operates a defined contribution scheme for the benefit of its employees. Contributions payable are charged to the profit and loss account in the year they are payable.

Revaluation Reserve

As at 31 March 2019 the temporary diminution in value of the tradeable investments of £83,282 was held as a negative balance in the Revaluation Reserve. There was a further diminution in value of £260,255 in the year to 31 March 2020. The members hold the view that these investments are subject to volatility, the investments will continue to be held and therefore the unrealised loss is not expected to crystallise. Nonetheless the total movement in market value of £343,537 has been adjusted through the Consolidated Income statement for the year ended 31 March 2020. The Revaluation Reserve is no longer being utilised.

Financial instruments

The LLP only has assets and liabilities of a kind that would qualify as basic financial instruments which are recognised at their transaction value and subsequently remeasured at their settlement value.

Maven Capital Partners UK LLP

Notes to the Financial Statements for the Year Ended 31 March 2020 (continued)

4 Turnover

The total turnover of the group for the year has been derived from its principal activity wholly undertaken in the United Kingdom.

The analysis of the group's revenue for the year is as follows:

	2020 £	2019 £
Rendering of services	<u>17,794,204</u>	<u>17,883,718</u>

5 Operating profit

Operating profit is stated after:

9 Information in relation to members

LLP

	2019	2019
	£	£
Remuneration paid under an employment contract	1,115,931	793,230

The remuneration above is that paid to the members under an employment contract. Remuneration representing a division of profit is included in the allocation of profit figures on page 13.

	2020	2019
	Number	Number
The average number of designated members during the year was:	5	5

	2020	2019
	£	£
The share of remuneration to the member with the largest entitlement was:	160,000	160,000

The remaining £6,983,547 is attributable to all of the members. The LLP retains an unconditional right to determine the amount of profit to be distributed and how that is to be allocated. This is done by a formal Remuneration Committee. As at the year end, no allocations of the current year's profit had been determined. It is therefore concluded that the disclosable amount is the amount of members' remuneration as detailed above.
