Statement of Directors' responsibilities

The Directors are responsible for preparing the Directors' Report and the Company financial statements ("the financial statements") in accordance with applicable United Kingdom law and regulations.

Company law requires the Directors to prepare financial statements for each financial year. Under the law the Directors have elected to prepare those statements in accordance with UK adopted International Accounting Standards. Under company law, the Directors must not approve the financial statements unless they are satisfied that they present fairly the financial performance, financial position and cash flows of the Company for the accounting period. A fair presentation of the financial statements in accordance with International Financial Reporting Standards ("IFRS") requires the Directors to:

- select suitable accounting policies in accordance with IAS 8: *Accounting Policies, Changes in Accounting Estimates and Errors* and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- present information, including accounting policies, in a manner that provides relevant, reliable, comparable and understandable information;
- provide additional disclosures when compliance with the specific requirements in IFRS is insufficient to enable users to understand the impact of particular transactions, other events and conditions on the Company's financial position and financial performance;
- state that the Company has complied with UK adopted international accounting standards, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence taking reasonable steps for the prevention and detection of fraud and other irregularities.

Notes to the financial statements**1. Accounting policies****(a) Basis of preparation**

The financial statements have been prepared on a historical cost basis.

The Directors do not consider the Company to be a going concern as there is an intention to liquidate. The financial statements as prepared are not materially different from those prepared on a break-up basis.

Statement of compliance

The financial statements have been prepared in accordance with UK adopted International Accounting Standards.

The financial statements are presented in sterling (£) rounded to the nearest £.

Assets and liabilities are offset and the net amount reported in the statement of financial position only when there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis, or to realise the assets and settle the liability simultaneously.

Critical estimates and judgements

The preparation of financial statements in conformity with IFRS requires management to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of the judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

Critical accounting estimates are those which involve the most complex or subjective judgements or assessments. No significant judgements or estimates have been made in determining the financial position of the Company.

(b) Share capital

The Company is limited by guarantee and therefore has no share capital.

(c) Events after the reporting period

The financial statements are adjusted to reflect significant events that have a material effect on the financial results and that have occurred between the period end and the date when the financial statements are authorised for issue, provided they give evidence of conditions that existed at the period end. Events that are indicative of conditions that arise after the period end that do not result in an adjustment to the financial statements are disclosed.

2. Financial information

The financial statements for the year ended 31 December 2021, set out on pages 4 to 6, were authorised by the Board of Directors for issue on 1 July 2022.

There have been no transactions during the current or prior year and therefore no statement of comprehensive income and no statement of changes in equity have been prepared.

The Company held no cash balances during the current or prior year and accordingly no statement of cash flows has been prepared.

The financial statements have not been affected by any new standards, amendments or interpretations effective from 1 January 2021.

3. Directors' remuneration

The Directors are employed by another Group company. The Directors received no remuneration in respect of their services to the Company (2020: £nil).

4. Related party transactions**Key management compensation**

The compensation payable to employees classified as key management, which comprises the Directors, is disclosed in note 3.

Key management personnel and their close family members had no other transactions with the Company in either the current or prior year.

Parent and ultimate parent entity

Information on the Company's parent and ultimate parent is given in note 5.
