Report of the Directors For the year ended 31st May, 1995 (continued)

Statement of Directors' Responsibility

The Directors are required by the Companies Act 1985 to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Company as at the end of the financial year, and of the profit or loss for the financial year.

The Directors confirm that appropriate accounting policies have been used and applied — consistently and reasonable and prudent judgements and estimates have been made, in the preparation of the financial statements for the year ended 31st May, 1995. The Directors also confirm that applicable accounting standards have been followed and that the financial statements have been prepared on the going concern basis.

The Directors have responsibility for ensuring that the Company keeps accounting records which disclose with reasonable accuracy the financial position of the Company and which enable them to ensure that the financial statements comply with the Companies Act 1985.

The Directors have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the Company and to prevent and detect fraud and other irregularities.

Tangible Fixed Assets

The movements in tangible fixed assets during the year are set out in Note 6 to the accounts.

Auditors

The auditors, Price Waterhouse, are willing to continue in office and resolutions as to their reappointment and remuneration will be proposed at the Annual General Meeting.

Roker Park Ground, SUNDERLAND. 2nd November 1995 By Order of the Board P. FIDDAMAN Secretary

Auditors' Report to the Members of The Sunderland Association Football Club Limited

We have audited the financial statements on pages 6 to 14 which have been prepared under the historical cost convention and the accounting policies set out on page 9.

Respective responsibilities of directors and auditors

As described on page 4 the Company's directors are responsible for the preparation of financial statements. It is our responsibility to form an independent opinion, based on our audit, on those statements and to report our opinion to you.

Basis of opinion

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the Company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion the financial statements give a true and fair view of the state of affairs of the company as at 31st May, 1995 and of its loss for the year then ended, and have been properly prepared in accordance with the Companies Act 1985.

Notes to the Accounts — 31st May, 1995

1. Accounting Policies

(a) Basis of Preparation

The accounts have been prepared in accordance with applicable accounting standards.

(b) Depreciation

Depreciation has been calculated to write down the cost or valuation of tangible fixed assets over their expected useful lives at the following rates:

Freehold property NIL

Furniture, fixtures and equipment

Tractors

3-10 years in equal annual instalments
8 years on the reducing balance method

Motor vehicles 4 years in equal annual instalments

It is the Company's policy to maintain its properties in good repair, the costs of maintenance being charged to the profit and loss account. Consequently, the directors consider the lives of the freehold properties to be so long that there is no significant annual depreciation.

(c) Intangible Assets

The directors consider that the Balance Sheet should include the transfer value of those players whose registration is held by the Club. Accordingly the directors have valued the playing squad at 31st May, 1995, and the value of £7,033,750 has been included in the balance sheet at that date. Any increase in valuation is dealt with in the transfer to Revaluation Reserve.

All transfer fees payable in the year have been shown as additions to Intangible Assets and any resultant profit or loss on sale is reflected in the profit and loss account.

(d) Stocks

Stocks are valued at the lower of cost and net realisable value.

(e) Expenditure under the Safety of Sports Grounds Act 1975
Expenditure under the Safety of Sports Grounds Act 1975 and as recommended by Lord
Justice Taylor's final report on the Hillsborough Stadium disaster, is charged to the profit and
loss account. Grants from the Football Trust (1990) Limited, based on this expenditure are
also dealt with in the profit and loss account.

(f) Lease Rentals

Assets acquired under finance leases are capitalised and depreciated over their estimated useful lives. The interest element of the rental obligations is charged to the profit and loss account over the period of the lease. Operating lease rentals are charged to the profit and loss account on a straight-line basis over the lease term.

(g) Turnover

Turnover comprises net gate and ticket receipts, sports contracts and sponsorship revenue, ground catering and shops income.
