CHAIRMAN'S STATEMENT

The Directors have pleasure in submitting their 78th Annual Report to the Members together with the addited accounts for the year ended 31 May 1988.

It is pleasing to report the continued increase in our attendances which rose to an average of 20.911. Strangely enough, our run in the Cup Competitions was very similar to that of the previous season, when we reached the 6th round of the FA cup and again appeared at Wembley in the Final of the Littlewoods Challenge Cup, where success on this occasion was to clude us, losing to Luton 3 2.

The trophies this year went to the youth side who proudly won the FA Youth Cup by beating Doncaster Rovers on aggregate 6.1. A fine achievement, and we congratulate Pat Rice and all of those involved. The future prospects of some of these lads look very encouraging, and hopefully we will continue to produce players who will represent the Club at senior level.

During the season, George Graham strengthened the squad by signing Kevin Richardson from Watford, Lee Dixon from Stoke City and Brian Marwood from Sheffield Wednesday. In June, Steve Bould, the young centreback was purchased from Stoke City and further signings are planned.

Charlie Nicholas was transferred to Aberdeen and Graham Rix was granted a free transfer at the end of his long career with the Club and has now joined the French side, FC Caen. We wish them both well in their new careers and send with them our sincere thanks for the valuable contributions they have each made to the fortunes of the Club

As you may know, the Board decided to proceed with the development of our South Terrace and we now have under construction 53 Executive Boxes which we feel will be unequalled in British football at the present time hach will accommodate a minimum of 8 persons with all of the facilities that one might expect from a development of this nature. The Boxes are being sold on a 10 year agreement and I am happy to report that a large number have already been sold or are under offer. Although this will not produce immediate income, the initial amounts received will be used to repay the capital commitment, and profits will be generated through to the revenue account upon renewals in future years. This method of funding should ensure that our ordinary revenues will remain available for the normal trading requirements and of course for further player acquisition

Turning to the Accounts, I am again pleased to report a continuing increase in our turnover. The increased attendances during our Cup runs and in the League were extremely good. An attendance in excess of \$11,000 was reached at Highbury on no less than 4 occasions which is quite remarkable, in that this figure occurred only 5 times in the whole of British football last season. Despite a deficit on transfer fees of £587,500 comprofit for the year was £617,822, taking into account a provision for taxation of £249,370.

CHAIRMAN'S STATEMENT (Cont.)

Those figures are satisfactory, but it is assential that we maintain profitability if we are to compete in the

transfer market which has seen all previous domestic records exceeded in recent months.

Much has been written about the Television negotiations which the media and various other parties have briked with a break-away from the Football League by the major Clubs. It has never been the Clubs' wish to leave the

Football I eague, although we recognise that a restructure within the League is essential if British football is to

progress

The TV negotiations have been very fruitful, and we anticipate a very considerable increase in our future income

from this source. Fortunately we will be able to retain a far greater proportion of the momes that we are

responsible for generating than was the case in previous years.

The future of our industry relies upon our supporters and it is gratifying to know that membership of our

Jumor Gunners, Cannon Club and Family Enclosure now exceeds 7,000.

On behalf of the Board I would like to place on record our sincere thanks for the loyalty of our supporters and

of course to the many members of our staff both on and off the field for their efforts on our behalf.

PETER HILL-WOOD

Chairman
