**WIGAN FOOTBALL CLUB LIMITED**  
**DIRECTORS' REPORT**  
**FOR THE YEAR ENDED 31 MAY 1994**

The Directors present their annual report on the affairs of the Company, together with the financial statements for the year ended 31 May 1994.

**PRINCIPAL ACTIVITY AND BUSINESS REVIEW**

The principal activity of the Company continues to be that of a professional Rugby League Football Club.

The club has again had a very successful season with the first team winning the Stones Bitter First Division Championship, the Silk Cut Challenge Cup, the Premiership competition and being runners up in the Regal Trophy in the season 1993/94. In addition to the foregoing the first team produced a magnificent victory in Brisbane on 1 June 1994 to secure the World Club Challenge. The Alliance team had a more difficult season to those enjoyed recently and were unlucky to only finish with the First Division Championship runners up place for their efforts.

The Directors will continue with the long established policy of attracting the most promising players to the club. The high standard of coaching and administration staff combined with a commitment to improve facilities will, it is hoped, ensure the future success on the field and increased support and sponsorship off it.

The financial results show a small loss for the year but consideration should be given to the commitment to improve the strength of the playing squad. This has resulted in a sharp decline in the profit on the transfer of players and the increase in the wages compared to the previous year.

**RESULTS AND DIVIDENDS**

The results for the year and recommended transfer to Reserves of losses of £72,166 (1993 - profit of £145,826) are set out on page 6 to the financial statements.

The Directors do not recommend the payment of a dividend (1993 - £Nil).

WIGAN FOOTBALL CLUB LIMITED  
 DIRECTORS' REPORT (continued)  
 FOR THE YEAR ENDED 31 MAY 1994

**DIRECTORS' RESPONSIBILITIES**

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**DIRECTORS AND THEIR INTERESTS**

The Directors who served during the year, together with their beneficial interests in the shares and debentures of the Company were as follows:

	£1 Ordinary Shares		5% Debenture Stock 1995

DIRECTORS' REPORT (continued)  
FOR THE YEAR ENDED 31 MAY 1994

**FIXED ASSETS**

The changes in tangible and intangible fixed assets, details of which are set out in the notes to the financial statements arose out of normal business requirements.

The Directors have valued the first team playing squad to reflect their opinion of the present transfer values at 31 May 1994 at a total of £2,472,500 (1993 - £2,017,000) and this valuation has been included in the Balance Sheet at that date.

The freehold and long leasehold property was revalued on 31 May 1991 and is included in these financial statements at a value of £1,832,460 greater than its former net book value.

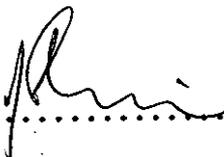

**AUDITORS**

A resolution to reappoint John Fairhurst & Co as auditors will be proposed at the forthcoming Annual General Meeting.

AUDITORS' REPORT TO THE MEMBERS OF WIGAN FOOTBALL CLUB LIMITED

We have audited the financial statements on pages 6 to 18 which have been prepared under the historical cost convention as modified by the revaluation of certain fixed assets and the accounting policies set out in note 1.

**Respective responsibilities of directors and auditors**

As described on page 3 the company's directors are responsible for the preparation of financial statements. It is our responsibility to form an independent opinion, based on our audit, on those statements and to report our opinion to you.

**Basis of opinion**

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

**Opinion**

In our opinion the financial statements give a true and fair view of the state of the company's affairs as at 31 May 1994 and of its loss for the year then ended and have been properly prepared in accordance with the Companies Act 1985.

WIGAN FOOTBALL CLUB LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MAY 1994

1. ACCOUNTING POLICIES

A summary of the principal Accounting Policies adopted by the Company and applied consistently during the year is set out below:

**Accounting Convention**

The financial statements have been prepared under the historical cost convention, as modified by the revaluation of certain Tangible and Intangible Fixed Assets, and in accordance with applicable Accounting Standards.

The financial statements include the results of the Company's activities described in the Directors' Report, all of which are continuing.

**Playing Staff**

In line with the alternative valuation rules under Schedule 4 of the Companies Act 1985, the Directors are to value the first team playing squad on an annual basis to reflect their opinion of the present transfer values at the year end.

Where the cost of Players' Registration Fees has been previously written off in the Profit and Loss Account (ie those players bought pre-31 May 1992) then any change in valuation of the player is treated as a movement on Reserves. For those players bought post-31 May 1992 whose valuation is less than cost, the difference is written off directly to Profit and Loss Account as Amortisation of Players' Registration Fees.

Amounts payable in respect of signing on fees are written off as incurred.

**Turnover**

Turnover represents sales and receipts, excluding VAT, of goods and services in the normal course of business, and arose wholly in the United Kingdom.

**Depreciation**

Depreciation of Tangible Fixed Assets has been calculated so as to write off the cost or revalued amount of each asset over its estimated useful life as follows:

Freehold & Long Leasehold Land	-	Nil
Freehold & Long Leasehold Buildings	-	2% per annum on a straight line basis
Motor Vehicles	-	25% per annum on a reducing balance basis
Tools & Equipment	-	20% per annum on a reducing balance basis

**Repairs and Renewals and Ground Upkeep**

All expenditure is written off as incurred.

**Stock**

Stock is valued at the lower of cost and net realisable value after making due allowance for obsolete and slow moving items.

**Deferred Taxation**

Provision is made for deferred taxation using the liability method to take account of timing differences between the incidence of income and expenditure for taxation and accounting purposes except to the extent that the Directors consider that a liability to taxation is unlikely to crystallise.

The Bank Loan and Overdraft is secured by a legal mortgage dated 9 March 1981 over freehold and long leasehold land situated at Powell Street, Hilton Street and Colinfield House, Wigan known as Central Park, and also a mortgage debenture dated 17 December 1992.

The 5% Debenture Stock 1995 is secured by a floating charge over the assets of the Company subject to other fixed charges held by National Westminster Bank PLC. The Directors have waived their right to interest on their holding of Debenture Stock.

Included within Directors' and Other Loans is an amount of £100,000 which is secured by way of a promissory note creating an equitable charge over the land at Central Park. The remainder of the Directors' and Other Loans are unsecured, non-interest bearing and have no fixed repayment date.

The Loans from the Rugby Football League are unsecured.

14. DEFERRED TAXATION

No provision has been made on the revaluation of the Land and Buildings as there is no intention to dispose of them in the foreseeable future.

No provision has been made on the revaluation of the Players' Registration Fees as it is the Directors' intention to maintain the strength and quality of the first team playing squad. Also there are sufficient losses to cover any provision.
