# 3 Progress report

- 3 1 The parent company of the Group, CPC Packaging (UK) Limited (Packaging) converted to Creditors Voluntary Liquidation on 6 February 2012 As such the company is not part of this annual report, but as part of the overall Group has been included where necessary to provide a better understanding to the creditors
- 3 2 As previously reported the Royal Bank of Scotland (the Bank) hold security and cross guarantees between all the Group companies excluding Gravure. As the assets in each of the Group companies were realised the Bank was repaid in full from the first realisations available. As a result some Group companies repaid the Bank debt owed from other Group companies.
- 3 3 On 30 November 2011 the freehold property owned by Packaging was sold for £577,000
- 34 As Packaging had no funds to pay on-going property costs prior to the sale, these were paid by KL. Over the period from 25 August 2010 to 30 November 2011 KL paid £138,328 in property holding costs (including security, unoccupied property insurance premiums and utilities). Packaging has since reimbursed KL for these costs
- Following the sale of the freehold property, it was necessary to carry out a marshalling exercise to ensure that creditors in each company would receive a distribution that they were properly entitled to The exercise,
  - confirmed the level of Bank indebtedness in each of the group companies as at 25 August 2010,
  - determined the level of Bank debt that should have been repaid by each of the group companies,
  - allocated trading sales receipts and debtor receipts across each the group companies,
  - allocated property expenses against the relevant group companies,
  - · determined the level of inter-company indebtedness, and
  - reviewed the detail of the security held over the group companies and registered at Companies House by third parties
- 3 6 This marshalling exercise is now complete and funds have been transferred between the Group companies to correctly reflect the funds available for distribution to the creditors of each company

# **Assets**

# **Book Debts**

- Books debts totalling c£681,564 in Bristol and c£725,700 in KL remain outstanding. Both amounts are outstanding from one debtor
- 3 8 Clarke Willmott LLP (CW) was originally instructed to pursue the debts, however, CW has since been replaced by DJM Solicitors (DJM) DJM subsequently instructed Counsel to review the position and establish the collection options available

Where debts are irrecoverable I will submit a VAT bad debt relief claim to HM Revenue & Customs on behalf of each company in the Group if I am able to demonstrate that such VAT has been paid over to HM Revenue & Customs

# Liabilities

# **Secured Creditors**

- 3 10 As reported above, the Bank hold a debenture dated 31 January 2005. In addition to its security the Bank holds cross guarantees across the companies in the Group excluding Gravure.
- 3 11 RBS Invoice Finance (RBSIF) also hold a debenture dated 30 July 2008 in respect of the debtor ledger
- 3 12 Both charge holders have been paid in full

### **Preferential Creditors**

- 3 13 Preferential claims totalling £61,848 in Bristol and £114,784 in KL have been paid in full
- 3 14 There are no preferential claums in Stroud and Gravure

## **Unsecured Creditors**

- 3 15 Due to the ongoing litigation and outstanding VAT issues, the quantum and timing of any dividend currently available in Bristol and KL is currently unknown
- 3 16 A dividend will be available in Gravure to the unsecured creditors. Although there are no known trade creditors in the company there is a joint and several liability to HM Revenue & Customs in respect of VAT under the pre-administration Group VAT registration with Bristol and Stroud of £254,197
- 3 17 There are insufficient funds available to enable a distribution to the creditors of Stroud

# 4 Joint liquidators' remuneration and expenses

- 4 1 Resolutions were passed approving the basis of the joint administrators' remuneration to be on a time costs basis at reduced hourly rates for each of the group companies at creditors meetings held as follows,
  - 2 November 2010 for Bristol and KL Limited
  - 13 April 2011 for Stroud and Gravure
- 4 2 Pursuant to rule 4 127(5A) of the Insolvency Rules 1986, this basis applies also in the liquidations

4.3 You will note from the SIP 9 tables attached at Appendix C that our time costs to date are as follows,

- 4.6 The liquidators charge out of pocket expenses at cost. Mileage is charged at standard rates which comply with HM Revenue & Customs limits or AA recommended rates. VAT is added to disbursement charges as necessary.
- 47 In addition, we have drawn the following expenses as indicated in Appendix A and have further expenses to take in due course as set out in Appendix B
  - Bristol £3,218
  - KL £3,092
  - Stroud £1,082

# 5 Other expenses incurred by the joint liquidators

- 5 1 CW has received fees of £3,218 and £3,414 relating to debtor collections and employee advice from Bristol and KL respectively
- 5 2 Insurance Fees of £625 have been paid to JLT Specialty Limited from CPC Bristol Limited
- 5 3 Corporation tax of £21,424 has been paid from Gravure Properties Limited

# 6 Conclusion

6.1 Once the potential debtor funds are realised, the claim for VAT bad debt relief can be submitted and all unsecured claims are agreed, I will be in a position to distribute the final dividends to creditors and convene a final meeting in order to cease to act as joint liquidator

Yours faithfully for and on behalf of CPC Bristol Limited, CPC Kings Lynn Limited, CPC Stroud Limited and Gravuic Properties Limited

# Rule 4 131

- (1) Any secured creditor, or any unsecured creditor with either the concurrence of at least 10% in value of the creditors (including that creditor) or the permission of the court, may apply to the court for one or more of the orders in paragraph (4)
- (1A) Application by a creditor may be made on the grounds that -
  - (a) the remuneration charged by the liquidator,
  - (b) the basis fixed for the liquidator's remuneration under Rule 4 127, or
  - (c) expenses incurred by the liquidator,
  - is or are, in all the circumstances, excessive or, in the case of an application under subparagraph (b), inappropriate
- (1B) The application must, subject to any order of the court under Rule 4 49E(5), be made no later than 8 weeks (or in a case falling within Rule 4 108, 4 weeks) after receipt by the applicant of the progress report or the draft report under Rule 4 49D, which first reports the charging of the remuneration or the incurring of the expenses in question ("the relevant report")
- (2) The court may, if it thinks that no cause is shown for a reduction, dismiss the application, but it shall not do so unless the applicant has had an opportunity to attend the court for a hearing, of which he has been given at least 5 business days' notice, but which is without notice to any other party. If the application is not dismissed under this paragraph, the court shall fix a venue for it to be heard, and give notice to the applicant accordingly
- (3) The applicant shall, at least 14 days before the hearing, send to the liquidator a notice stating the venue and accompanied by a copy of the application, and of any evidence which the applicant intends to adduce in support of it
- (4) If the court considers the application to be well-founded, it must make one or more of the following orders -
  - (a) an order reducing the amount of remuneration which the liquidator was entitled to charge
  - (b) an order fixing the basis of remuneration at a reduced rate or amount
  - (c) an order changing the basis of remuneration
  - (d) an order that some or all of the remuneration or expenses in question be treated as not being expenses of the liquidation
  - (e) an order that the liquidator or the liquidator's personal representative pay to the company the amount of the excess of remuneration or expenses or such part of the excess as the court may specify

and may make any other order that it thinks just, but an order under sub-paragraph (b) or (c) may be made only in respect of periods after the period covered by the relevant report

(5) Unless the court orders otherwise, the costs of the application shall be paid by the applicant, and are not payable as an expense of the liquidation
