A Receiver may settle, adjust, refer to arbitration, compromise and arrange any claim, account, dispute, question or demand with or by any person who is or claims to be a creditor of the Company or relating in any way to any Security Asset.

8.7 Legal actions

A Receiver may bring, prosecute, enforce, defend and abandon any action, suit or proceedings in relation to any Security Asset which he thinks fit

8.8 Receipts

A Receiver may give a valid receipt for any moneys and execute any assurance or thing which may be proper or desirable for realising any Security Asset

8.9 Delegation

A Receiver may delegate his powers in accordance with this Deed

8.10 Other powers

A Receiver may

- (a) do all other acts and things which he may consider desirable or necessary for realising any Security Asset or incidental or conducive to any of the rights, powers or discretions conferred on a Receiver under or by virtue of this Deed or law,
- (b) exercise in relation to any Security Asset all the powers, authorities and things which he would be capable of exercising if he were the absolute beneficial owner of that Security Asset, and
- (c) use the name of the Company for any of the above purposes

9. APPLICATION OF PROCEEDS

Any moneys received by the Security Trustee or any Receiver after the Transaction Security has become enforceable must be applied in the following order of priority (subject to any prior or *pari passu* ranking claim thereon)

- (a) in or towards payment of or provision for all Liabilities incurred by the Security Trustee or any Appointee under or in connection with this Deed and the other Transaction Documents and of all remuneration due to the Security Trustee or any Appointee under or in connection with this Deed,
- (b) in or towards the *pro rata* payment of, or provision for, the Secured Liabilities, and
- (c) in payment of the surplus (if any) to the Company or other person entitled to it

This Clause does not prejudice the right of the Security Trustee to recover any shortfall from the Company. All payments to the holders of the Notes to be made by the Security Trustee or any Receiver pursuant to this Clause 9 may be made in the manner set out in Section 15 of the Note Purchase Agreement. The Security Trustee may, at the expense of the Company, appoint an agent, upon such terms as the Security Trustee shall consider appropriate, to make such payments and shall incur no liability by reason thereof. Any such payment shall be a good discharge to the Security Trustee or such Receiver.

10. EXPENSES AND INDEMNITY

- (a) The Company shall pay to the Security Trustee remuneration for its services as security trustee as from the date of this Deed, as set out in and payable on the dates set out in a letter dated on or about the date of this Deed between the Security Trustee and the Company (as the same may be amended and/or supplemented and/or replaced from time to time). Such remuneration shall accrue from day to day and be payable (in priority to payments to the holders of the Notes) up to and including the end of the Security Period.
- (b) In the event of the Security Trustee being requested to undertake duties which the Security Trustee and the Company agree to be of an exceptional nature and/or outside the scope of the normal duties of the Security Trustee under this Deed or any other Transaction Document, the Company shall pay to the Security Trustee such additional remuneration as shall be reasonably determined by the Security Trustee (after consultation with the Company) as being a fair reflection of those additional duties. For the avoidance of doubt, any duties in connection with the Trust Property, the granting of consents or waivers, concurring in modifications, or enforcement, or during the period post enforcement shall be deemed to be of an exceptional nature.

- (c) The Company shall in addition pay to the Security Trustee an amount equal to the amount of any value added tax or similar tax chargeable in respect of its remuneration under this Deed or any other Transaction Document properly payable by the Security Trustee or a member of its group
- (d) Without prejudice to the right of indemnity by law given to trustees, the Company shall indemnify the Security Trustee and every Appointee and keep it or him indemnified against all Liabilities to which it or he may be or become subject or which may be incurred by it or him in the preparation and execution or purported execution of any of its or his trusts, powers, authorities and discretions under this Deed or any other Transaction Document or its or his functions under any such appointment or in respect of any other matter or thing done or omitted in any way relating to this Deed or the other Transaction Documents or any such appointment (including all Liabilities incurred in disputing or defending any of the foregoing)
- (e) The Company shall also pay or discharge all Liabilities incurred by the Security Trustee and/or any Appointee in relation to the preparation and execution of, the exercise of its powers and the performance of its duties under, and in any other manner relating to, this Deed or the other Transaction Documents, including travelling expenses and any stamp, issue, registration, documentary and other taxes or duties paid or payable by the Security Trustee and/or any Appointee in connection with any action taken or contemplated by or on behalf of the Security Trustee and/or any Appointee for enforcing this Deed or the Transaction Security and/or any other Transaction Document
- (f) All amounts payable pursuant to (d) and (e) above shall be payable by the Company on the date specified in a demand by the Security Trustee and in the case of payments actually made by the Security Trustee prior to such demand shall carry interest at a rate equal to the Security Trustee's cost of borrowing from the date such demand is made, and in all other cases shall (if not paid within 30 days after the date of such demand or, if such demand specifies that payment is to be made on an earlier date, on such earlier date) carry interest at such rate from such thirtieth day of such other date specified in such demand. All remuneration payable to the Security Trustee shall carry interest at such rate from the due date therefor
- (g) The Company hereby further undertakes to the Security Trustee that all monies payable by the Company to the Security Trustee under this clause shall be made without set-off, counterclaim, deduction or withholding unless compelled by law in which event the Company will pay such additional amounts as will result in the receipt by the Security Trustee of the amounts which would otherwise have been payable by the Company to the Security Trustee under this clause in the absence of any such set-off, counterclaim, deduction or withholding
- (h) Unless otherwise specifically stated in any discharge of this Deed or agreed by the Security Trustee in writing at the time of its retirement or removal pursuant to Clause 11.4 below, the provisions of this Clause 10 shall continue in full force and effect notwithstanding such discharge, retirement or removal

11. DELEGATION, APPOINTMENT OF AGENTS AND ADVISERS

11.1 Delegates

The Security Trustee or any Receiver may delegate by power of attorney or in any other manner to any person any right, power or discretion exercisable by it under this Deed or the

other Transaction Documents. Such delegation may be made upon such terms (including power to sub-delegate) and subject to such conditions and regulations as the Security Trustee may, acting in the interests of the holders of the Notes, think fit. The Security Trustee shall not be under any obligation to supervise the proceedings or acts of any such delegate or sub-delegate or be in any way responsible for any Liability incurred by reason of any misconduct or default on the part of any such delegate or sub-delegate.

11.2 Agents

The Security Trustee or any Receiver may in the conduct of the trusts of this Deed instead of acting personally employ and pay an agent (whether being a lawyer or other professional person) to transact or conduct, or concur in transacting or conducting, any business and to do, or concur in doing, all acts required to be done in connection with these presents (including the receipt and payment of money). Such appointment may be made upon such terms and subject to such conditions and regulations as the Security Trustee may, acting in the interests of the holders of the Notes, think fit. The Security Trustee shall not be in any way responsible for any Liability incurred by reason of any misconduct or default on the part of any such agent or be bound to supervise the proceedings or acts of any such agent.

11.3 Advice

The Security Trustee may, at the expense of the Company, in relation to the performance of its obligations under this Deed or any other Transaction Document obtain the advice or opinion of or any information (whether addressed to the Security Trustee or not) from any lawyer, valuer, accountant, surveyor, banker, broker, auctioneer or other expert whether obtained by the Company, the Security Trustee or otherwise and shall not be responsible for any Liability occasioned by so acting.

11.4 Resignation of the Security Trustee

The Security Trustee may retire at any time on giving not less than 30 days' prior written notice to the Company (who shall promptly notify each holder of a Note of the same) without giving any reason and without being responsible for any Liabilities incurred by reason of such retirement. The Required Holders may by written demand remove the Security Trustee. The Company undertakes that it will use all reasonable endeavours to procure that a new security trustee is appointed as soon as reasonably practicable. The retirement or removal of the Security Trustee shall not become effective until a successor security trustee is appointed. If, in such circumstances, no appointment of such a new security trustee has become effective within 30 days of the date of such notice or written demand of the Required Holders, the Security Trustee shall be entitled to appoint a replacement security trustee. Upon the appointment of such a replacement security trustee, the retiring Security Trustee shall be discharged from any further obligations in respect of the Transaction Documents.

12. FURTHER ASSURANCES

The Company must, at its own expense, take whatever action the Security Trustee or a Receiver may require for

- (a) creating, perfecting or protecting any security intended to be created by this Deed, or
- (b) facilitating the realisation of any Security Asset, or the exercise of any right, power or discretion exercisable, by the Security Trustee or any Receiver or any of its delegates or sub-delegates in respect of any Security Asset.

This includes

- (i) the execution of any transfer, conveyance, assignment or assurance of any property, whether to the Security Trustee or to its nominee, or
- (ii) the giving of any notice, order or direction and the making of any registration,

which, in any such case, the Security Trustee may think expedient

13. ASSIGNMENT AND TRANSFERS BY THE COMPANY

The Company may not assign any of its rights or transfer any of its rights or obligations under this Deed

14. POWER OF ATTORNEY

The Company, by way of security, irrevocably and severally appoints the Security Trustee, each Receiver and any of its delegates or sub-delegates or agents to be its attorney to take any action which the Company is obliged to take under this Deed. The Company ratifies and confirms, and irrevocably agrees to ratify and confirm, whatever any attorney does or purports to do under its appointment under this Clause

15. CONTINUING SECURITY

The security constituted by this Deed shall be continuing and shall not be considered as satisfied or discharged by any intermediate payment or settlement of the whole or any part of the Secured Liabilities and shall be binding until all the Secured Liabilities have been discharged in full to the satisfaction of the Security Trustee and all of the holders of the Notes have ceased to have any obligation whether actual or contingent to make any credit or accommodation available to the Company

16. COVENANT TO PAY

The Company shall pay or discharge the Secured Liabilities when due in the manner provided for in the Transaction Documents

17. AMENDMENT AND WAIVER

Any term of this Deed may be amended or waived by the Security Trustee only with the consent of the Required Holders and the Company and any such amendment or waiver will be binding on all the Parties and the holders

18. RELEASE

At the end of the Security Period, the Security Trustee must, at the request and cost of the Company, take whatever action is necessary to release the Security Assets from the Transaction Security

19. SEVERABILITY

Any provision of this Deed that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in

any jurisdiction shall (to the full extent permitted by law) not invalidate or render unenforceable such provision in any other jurisdiction

20. REMEDIES AND WAIVERS

No failure to exercise, nor any delay in exercising, on the part of any Party, any right or remedy under this Deed shall operate as a waiver, nor shall any single or partial exercise of any right or remedy prevent any further or other exercise or the exercise of any other right or remedy. The rights and remedies provided in this Deed are cumulative and not exclusive of any rights or remedies provided by law.

21. AMENDMENTS TO TRANSACTION DOCUMENTS

This Deed shall remain in full force and effect notwithstanding any amendments or variations from time to time of the Transaction Documents and all references to the Transaction Documents herein shall be taken as referring to the Transaction Documents as amended or varied from time to time (including any increase in the amount of the Secured Liabilities).

22. COUNTERPARTS

This Deed may be executed in any number of counterparts, each of which shall be an original but all of which together shall constitute one instrument. Each counterpart may consist of a number of copies hereof, each signed by less than all, but together signed by all, of the parties hereto.

23. GOVERNING LAW

This Deed and any non-contractual obligations arising out of or in connection with it are governed by English law.

24. JURISDICTION

24.1 The courts of England have exclusive jurisdiction to settle any dispute arising out of or in connection with this Deed (including any dispute regarding the existence, validity or termination of this Deed or any non-contractual obligation arising out of or in connection with this Debenture) (a **Dispute**).

24.2 The Parties agree that the courts of England are the most appropriate and convenient courts to settle Disputes and accordingly no Party will argue to the contrary.

24.3 This Clause 24 is for the benefit of the Security Trustee and the holders of the Notes from time to time only. As a result, neither the Security Trustee nor any holder of a Note shall be prevented from taking proceedings relating to a Dispute in any other courts with jurisdiction. To the extent allowed by law, the Security Trustee and the holders of the Notes from time to time (or any of them) may take concurrent proceedings in any number of jurisdictions.

THIS DEED has been executed and delivered as a deed by each Party on the date stated at the beginning of this Deed.
