Directors' responsibilities for the financial statements

The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare financial statements in accordance with United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice). The financial statements are required by law to give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to

- · select suitable accounting policies and then apply them consistently
- · make judgments and estimates that are reasonable and prudent
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business

The directors are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregulanties.

In so far as the directors are aware

- · there is no relevant audit information of which the company's auditors are unaware, and
- the directors have taken all steps that they ought to have taken to make themselves aware of any
 relevant audit information and to establish that the auditors are aware of that information

Written resolution

By written resolution passed on 18 January 1991 in accordance with Section 381A of the Companies Act 1985 the company dispensed with the holding of annual general meetings, laying of financial statements before the members and the annual appointment of auditors

REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF MAY GURNEY ESTATES LIMITED

We have audited the financial statements of May Gurney Estates Limited for the year ended 31 March 2007 which comprise the principal accounting policies, the profit and loss account, the note of historical cost profits and losses, the balance sheet and notes 1 to 21. These financial statements have been prepared under the accounting policies set out therein.

This report is made solely to the company's members, as a body, in accordance with Section 235 of the Companies Act 1985. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report or for the opinions we have formed.

Respective responsibilities of directors and auditors

The directors' responsibilities for preparing the Directors' Report and financial statements in accordance with United Kingdom law and Accounting Standards (United Kingdom Generally Accepted Accounting Practice) are set out in the Statement of Directors' Responsibilities

Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and International Standards on Auditing (UK and Ireland)

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you whether in our opinion the information given in the Directors' Report is consistent with the financial statements.

In addition we report to you if, in our opinion, the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and other transactions is not disclosed.

We read the Directors' Report and consider the implications for our report if we become aware of any apparent misstatements within it

Basis of audit opinion

We conducted our audit in accordance with International Standards on Auditing (UK and Ireland) issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregulanty or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion

- the financial statements give a true and fair view, in accordance with United Kingdom Generally Accepted Accounting Practice of the state of the company's affairs as at 31 March 2007 and of its profit for the year then ended,
- the financial statements have been properly prepared in accordance with the Companies Act 1985 and
- . the information given in the Report of the Directors is consistent with the financial statements

Accounting policies

Basis of preparation

The financial statements have been prepared in accordance with applicable United Kingdom accounting standards and under the historical cost convention except that they have been modified to include the revaluation of certain fixed assets

Depreciation

Depreciation of tangible fixed assets is calculated so as to write off their cost or valuation on a straight line basis over their expected economic lives. The annual rates of depreciation are as follows.

Freehold land Freehold buildings not depreciated between 20 to 50 years

Taxation

The charge for taxation is based on the results for the year and takes into account taxation deferred because of timing differences between the treatment of certain items for taxation and accounting purposes. In accordance with Financial Reporting Standard 19 'Deferred Taxation', provision is made for deferred taxation in respect of all timing differences that have originated but not reversed by the balance sheet date. Provision is not made for deferred tax assets unless there is reasonable certainty of their recovery against future taxable profits. Deferred taxation balances are not discounted.

Pension contributions

The company participates in the May Gurney Pension Scheme which provides benefits based on final pensionable salary. Contributions are paid in accordance with the instructions of May Gurney Integrated Services plc.

Regular pension costs are established in accordance with the recommendations of an independent actuary. The current actuanal deficit has been spread over the remaining service lives of employees. The company is unable to identify its share of the underlying assets and liabilities of the group scheme and consequently accounts for pension costs as though the scheme is a defined contribution scheme, charging them to the profit and loss account in the year in which they accrue

Operating leases

Operating lease payments are written off as an expense on an accruals basis

Turnover

Turnover represents rent received or receivable from group companies, excluding value added tax

(b) Factors affecting the taxation charge for the year

The taxation assessed for the year is higher (2006 higher) than the standard rate of corporation tax in the UK (30%). The differences are explained below.

	2007	2006
	€'000	£'000
Profit on ordinary activities before tax	330	3,083
Profit on ordinary activities multiplied by standard rate of corporation tax in the UK of 30%- expected charge	99	925

Depreciation in excess of capital allowances and other timing differences	47	217
Adjustments to tax charge in respect of previous year	<u>-</u>	(15)
Current taxation charge for year (note 6(a))	154	1,130

No provision for deferred taxation has been made in relation to the surplus on the revaluation of freehold land and buildings included in the revaluation reserve. If freehold land and buildings were disposed of at the balance sheet amounts it is estimated that the tax liability calculated in accordance with the 1982 re-basing provision of the Finance Act 1988, would amount to approximately £70,000 (2006 £70,000)

16 Pensions

The company makes contributions in respect of employees who are members of the May Gurney Pension Scheme, which is open to the salaried employees and supervisory foremen. The scheme funds are administered by trustees and are independent of the company's finances. The scheme provides defined benefits based upon final pensionable pay. The company's contributions, which are paid in accordance with May Gurney Integrated Services plc instructions, are charged to the profit and loss account in the year in which they accrue. An actuanal review of the fund was carned out on 1 April 2002. On an ongoing valuation basis, this showed the scheme's assets represented 100% of the scheme's liabilities. Full details of this valuation are contained in the financial statements of May Gurney Integrated Services plc.

Pension contributions charged to the profit and loss account for the year ended 31 March 2007 amounted to £11,000 (2006 £11,000)
