### **STATEMENT OF DIRECTORS' RESPONSIBILITIES**

The Directors are responsible for preparing the annual report and the financial statements in accordance with applicable law and regulations.

Under that law the Directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law), including FRS 101 "Reduced Disclosure Framework". - select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions with reasonable accuracy at any time, the financial position of the Company and to enable them to ensure that the financial statements comply with the Companies Act 2006.
