THE ST GILES CHRISTIAN MISSION (Limited by Guarantee)

COUNCIL MEMBERS' REPORT

Council Members present their annual report with the financial statements of the Mission for the year ended 31 March 2018 and confirm that the financial statements comply with the current statutory requirements. This report also constitutes a directors' report required by the Companies Act 2006 as all Council Members, as Trustees of a charity company, are directors.

Structure, governance and management

The St Giles Christian Mission was incorporated on 22 February 1928 as a company limited by guarantee but had been operating for over 50 years prior to that date as an independent Christian Mission with special emphasis on social work in Central London. The Mission continues to remain independent.

The Mission is governed by its Council, maximum number 20, minimum 5. Council Members are drawn from a variety of professions and have long experience in their relevant field. The Mission only asks experienced people to join the Council who can then contribute according to their relevant skill set. In terms of induction, potential candidates are discussed by the Council after a recommendation and the Chairman will then interview to assess their appropriateness and consider the contribution and value they can bring to the Mission. If relevant, candidates are introduced at a Council meeting where they will attend as an observer and subsequently invited onto the Council. New Council members are appointed by the Council subject to ratification at the following Annual General Meeting. Only Mission members can be appointed Council Members.

The Mission's Council Members are the Charity's Trustees, and the following held office during the year:

J W Jack (Chairman)
P M White (Vice Chairman)
P Brodie
Q Ings-Chambers
J Rosser
L A Smith
W E Smith

The Mission's activities are ordinarily organised by the Pastor, supported by others employed by the Mission either on a full or part time basis and other voluntary supporters.

Council Members responsibilities

Council Members (who are also directors of The St Giles Christian Mission for the purposes of company law) are responsible for preparing the Council Members' report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires Council Members to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Mission and its incoming resources and application of resources (including the income and expenditure) of the Mission for that period. In preparing those financial statements, Council Members are required to:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK accounting standards have been followed, subject to any departures disclosed and explained in the financial statements.
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Mission will continue in operation.

Council Members are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the Mission and enable them to ascertain the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Mission and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

THE ST GILES CHRISTIAN MISSION (Limited by Guarantee)

COUNCIL MEMBERS' REPORT

Structure, governance and management – continued

Risks and risk management policy

The Council has identified risks to the Mission and its activities as follows:

- Physical risks primarily related to the Mission's properties and its other tangible fixed assets.
- Third Party & Reputational risks including those related to children and young people arising from the activities of the Mission.
- Risks associated with a lack of resources including appropriate staff, adequate finance and fiscal changes detrimental to the Mission.
- Reduced support from the local community and falling Church membership.

Steps have been taken to counter these risks as follows:

Appropriate insurance is maintained to cover properties and contents and third party claims which may arise in relation thereto. The Council has also retained surveyors to conduct periodic inspections to ensure the safety and condition of the buildings. Maintenance checks of appliances also take place regularly. Adequate Mission staff and worker numbers are maintained on duty when activities are taking place to ensure good order.

The Council has an established Health and Safety policy relating to various aspects of the Mission's activities including accidents, fire safety, food hygiene, and safeguarding of children, young people and vulnerable adults involved with the Mission and its activities of which its staff and workers are reminded regularly.

The Council receives information by way of reports at its meetings from the Pastor of ongoing and proposed activities and gives directions where necessary to ensure the Mission's reputation is safeguarded. It also monitors the use, administration and adequacy of resources.

The Mission's investment portfolio is vested in its broker's nominee name, the brokers being regulated by the Financial Services Authority.

Local support for the Mission is encouraged by active contact with the community and the provision of programmes to cater for identified spiritual and social needs.

Investment policy

It is the Mission's policy to generate sufficient income (the majority of which derives from income and capital growth from its Investment Portfolio) to meet its planned activities in the short term while managing the Portfolio to secure its future in the medium to long term through maintaining the value of assets in real terms. The Portfolio is invested across a variety of asset classes including, but not limited to, fixed interest securities, equities, commercial property, hedge funds and cash. During the year the investment objective has been to achieve a balance of income and capital growth with a target return benchmark of CPI +3% per annum over a rolling 3 year period. It is a low risk mandate that aims to deliver a total return comprising an income yield and capital appreciation.

One advantage of focusing on an absolute numerical return is the focus on the risk involved to achieve the return, so that it is delivered as consistently as possible. The Investment Manager's approach thus dovetails with the Mission's requirement to preserve and enhance the real value of the capital over the long term.

The investment strategy has resulted in the portfolio being globally diversified, where at all times, the risk of both the individual holdings and the collective portfolio being monitored to ensure an acceptable level of risk is taken which is consistent with the overall investment objective. Volatile sectors will be avoided and generally investments will be in companies with sound assets; shares related to predominantly alcoholic drinks, tobacco and defence businesses will be avoided. Opportunities for the sale and reinvestment to consolidate capital appreciation will be sought while maintaining the quality at an acceptable level.

The investment management of the portfolio is undertaken by Brown Advisory Limited on a discretionary basis and formally reviewed by the Trustees periodically.

THE ST GILES CHRISTIAN MISSION (Limited by Guarantee)

COUNCIL MEMBERS' REPORT

Objectives and activities

The Mission's principal aims are set out in its Memorandum of Association, the most recent revision having been adopted on 10 July 1998, and its present activities take place around its Centre in Islington where an evangelical Christian Mission is maintained and from which social needs in the area are addressed. Activities and meals for generally retired individuals or vulnerable adults are provided, youth work is undertaken and counselling given for both young and old, and holidays take place. A prison bible study is also maintained in line with the Mission's tradition.

The Mission's objective for the year was to continue these core activities and, where possible, enhancement of its activities by increasing its relevance and improving services to, the community.

In planning the activities for the year and for the future, Council Members confirm that they have complied with the duty in section 17(5) of the Charities Act 2011 to have due regard to public benefit guidance published by the Charity Commission.

Achievements and performance

The Mission has continued its comprehensive Christian spiritual and social outreach from its centre at its Islington premises. It has been successful in maintaining activity levels, including serving a wide range of people, retired individuals or vulnerable adults through to young children for inclusion in its programmes. The church programme has continued to be well supported and new activities such as a Toddlers Group have matured with continuing interest and participation from the local community. As in previous years, a variety of special events have been arranged to extend the Mission's outreach and to further encourage a happy community spirit within the Mission and in the locality.

In order to deliver its objectives, it has been key to have a team in place with relevant experience and skills. St Giles called Brad Franklin to join the Mission team as Pastor in August 2011 and he has continued to move us through the next phase of the Mission's development as a church affiliated to the Fellowship of Independent Evangelical Churches (FIEC). His experience in both the United States and the UK has further developed the breadth, depth and focus of the Mission's activities in line with the strong Evangelical tradition of the Mission.

In relation to the administrative work, two Council Members have, on an unpaid basis, continued to discharge this responsibility supported by one of the pastoral assistants.

Maintenance work on the Mission's building portfolio has been a key focus with work moving to the main church hall with the overall ambience and useability being significantly enhanced.

The Mission is inevitably constrained by its financial position which has suffered over several years from the increases in taxation of its Stock Exchange listed investment income which has restricted cash flow and also the recent financial turmoil has put strain on the revenue generating capacity of the Missions' investments.

Additionally the Mission's Balance Sheet is subject to the volatility of the valuation of the Investment Portfolio which had reduced significantly year on year until a recovery in the past three to four years. As noted in the investment policy on page 3 the strategy has switched to focus on a total return basis rather than focussing mainly on income generation. This has the dual benefit of maximising the status of the Mission as a non-capital gains tax payer and reducing the overall risk embedded in the portfolio.

Financial review

The financial statements for the year show an increase in Total Funds as a result of net realised and unrealised gains in the Investment Portfolio, a lull in maintenance work undertaken on the Mission's building portfolio and additional unusual staff related costs. The performance of the Investment Portfolio continues to reflect the overall change in investment strategy in 2010 and in the financial markets in which the Mission has invested. Overall Funds increased by £7,049 which included net realised and unrealised gains of £18,273 and the Investment Portfolio decreased by £62,969 which allowed for the funding required for building maintenance, overall expenditure and increase in cash holdings. This compares with a 19.1% increase in the FTSE 100 Index. As has been highlighted previously, the Mission is very dependent on the Portfolio which provides a significant proportion of the Mission's income and working capital; this year the income element was approximately 37% (2017: 47%).

At the balance sheet date the Mission had an accumulated unrestricted fund of £2,090,698. Council Members are of the opinion that this will provide adequate resources to fulfil the financial obligations of the Mission.

Charitable donations made by the Mission during the year amounted to £24,917. No political donations were made. Professional indemnity insurance paid on behalf of Council Members is disclosed in note 2.

THE ST GILES CHRISTIAN MISSION (Limited by Guarantee)

COUNCIL MEMBERS' REPORT

Reserves policy

With just over 34% of the Mission's total annual income arising derived from its Investment Portfolio, high levels of reserves are necessary to maintain this funding. The actual level of the Mission's Reserves from time to time should enable the maintenance of a diversified Investment Portfolio of acceptable quality which will provide resources sufficient to ensure the funding of overall outgoings. In order to protect its Reserves, the Mission will seek to regulate annual expenditure to a figure covered by total income after taking account of Council authorised projects and also averaging major expenses, e.g. costs relating to Mission property, over a realistic period.

Unusual income received at any time may be added to Reserves together with any surpluses arising from excesses of income over expenditure, either to improve the overall income from the Portfolio or temporarily, pending specific projects which involve significant expenditure being authorised by the Council, either capital or otherwise. Where specific expenditure is authorised which could lead to an income/expenditure deficit, clear limits will be established by the Council to contain the outflow from Reserves and no reduction in Reserves will be agreed which would be likely to denude investment income to such an extent as would endanger the ongoing work and operations of the Mission.

The Council at its regular meetings, but in any event not less than annually, reviews the level of Reserves and the income generated by the Investment Portfolio in the context outlined above. Where necessary, special funding initiatives will be undertaken to ensure appropriate Reserve levels and consequent investment income are maintained.

Plans for the future

The Mission continues to be exercised regarding the future of its property portfolio. The development of a strategic plan in relation to the property assets that the Mission holds, which focussed initially on the flats adjacent to the Mission building, moved to the main Mission building throughout 2016/2017 and has now included improvements and maintenance to the other buildings in the Mission's portfolio. Further work plans will continue as the pastoral team identify the needs and priorities of the Mission to meet its future ministry objectives.

The Mission had historically employed two pastoral assistants, one focussing on the young peoples' ministry and another covering office tasks, the luncheon club (which closed in December 2016) as well as other general pastoral duties. These roles support the Pastor as well as providing training opportunities to young people looking to potentially move into full pastoral roles. During the year the Mission again operated without the support of the young people's assistant but is planning to look for a replacement for this role in the future.

The Mission's membership of the Fellowship of Independent Evangelical Churches (FIEC) provides access to a wealth of resources and information. The Council will continue to foster this relationship as it not only provides support to the pastoral and spiritual aspects of the work but also gives access to a broad pool of knowledge and advice on administrative and legal issues.

Small company exemption

These financial statements have been prepared in accordance with the provisions applicable to companies subject to the small companies' regime within Part 15 of the Companies Act 2006.

These financial statements were approved by the Council for issue on 10 December 2018 and signed on their behalf by:

W E Smith
Council Member and Company Secretary

THE ST GILES CHRISTIAN MISSION (Limited by Guarantee)

INDEPENDENT EXAMINER'S REPORT TO THE COUNCIL MEMBERS OF THE ST GILES CHRISTIAN MISSION

I report to the Mission's Council Members on my examination of the financial statements of the Mission for the year ended 31 March 2018.

This report is made solely to the Mission's Council Members (the charity's trustees), as a body, in accordance with section 145 of the Charities Act 2011. My work has been undertaken so that I might state to the Mission's Council Members those matters I am required to state to them in this report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the Mission as a charity and its Council Members as a body, for my work, for this report, or for the opinions I have formed.

Responsibilities and basis of report

The Mission's Council Members as the charity's trustees (and also as its directors for the purposes of company law) are responsible for the preparation of the Mission's financial statements in accordance with the requirements of the Companies Act 2006 (the 2006 Act').

Having satisfied myself that the financial statements of the Mission are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of your charity's financial statements as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5) (b) of the 2011 Act.

An independent examination does not involve gathering all the evidence that would be required in an audit and consequently does not cover all the matters that an auditor considers in giving their opinion on the financial statements. The planning and conduct of an audit goes beyond the limited assurance that an independent examination can provide. Consequently I express no opinion as to whether the financial statements present a 'true and fair' view and my report is limited to those specific matters set out in the independent examiner's statement.

Independent examiner's statement

I confirm that I am qualified to undertake the examination because I am a member of the Institute of Chartered Accountants in England and Wales, which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. Accounting records were not kept in respect of the company as required by section 386 of the 2006 Act; or
2. The financial statements do not accord with those records; or
3. The financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the financial statements give a 'true and fair view' which is not a matter considered as part of an independent examination; or
4. The financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their financial statements in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

The Council Members consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the '2011 Act') and that an independent examination is needed. I am qualified to undertake the examination by being a qualified member of The Institute of Chartered Accountants in England and Wales.

Audit exemption statement

These financial statements have been prepared in accordance with the provisions applicable to companies subject to the small companies' regime within Part 15 of the Companies Act 2006.

For the year ended 31 March 2018 the Mission, as a charitable company, was entitled to exemption from the requirement to have an audit under the provisions of sections 475 and 477 of the Companies Act 2006 relating to small companies.

Directors' responsibilities

- The members have not required the Mission to obtain an audit of its financial statements for the year ended 31 March 2018 in accordance with section 476 of the Companies Act 2006;
- The trustees (as directors) acknowledge their responsibilities for complying with the requirements of the Companies Act 2006 with respect to accounting records and the preparation of the financial statements.

These financial statements were approved for issue by the Council on 10 December 2018 and signed on their behalf by:

J W Jack
Chairman and Treasurer

THE ST GILES CHRISTIAN MISSION (Limited by Guarantee)

PRINCIPAL ACCOUNTING POLICIES

The principal accounting policies adopted, judgements and key sources of estimation uncertainty in the preparation of the financial statements are laid out below.

Basis of preparation

These financial statements have been prepared under the historical cost convention with items recognised at cost or transaction values unless otherwise stated in the relevant accounting policies below or the notes to these financial statements.

The financial statements have been prepared in accordance with Accounting and Reporting by Charities; Statement of Recommended Practice applicable to charities preparing their accounts with the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (Charities SORP FRS 102), issued on 16 July 2014, Update Bulletin 1 issued on 2 February 2016, the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102), the Companies Act 2006 (charitable companies) and FRC Abstracts, subject to the True and Fair Override disclosure relating to the depreciation of the Mission's freehold properties.

The St Giles Christian Mission constitutes a public benefit entity as defined by FRS 102.

These financial statements are presented in sterling and are rounded to the nearest pound.

Critical accounting estimates and areas of judgement

Preparation of these financial statements requires the Trustees and management to make significant judgements and estimates. The items in these financial statements where these judgements and estimates have been made include the use of the true and fair override disclosure relating to freehold properties.

Assessment of going concern

The trustees have assessed whether the use of the going concern assumption is appropriate in preparing these financial statements. The trustees have made this assessment in respect to a period of one year from the date of approval of these financial statements. The trustees have concluded that there are no material uncertainties related to events or conditions that may cast significant doubt on the ability of the charity to continue as a going concern. The trustees are of the opinion that the charity will have sufficient resources to meet its liabilities as they fall due.

Income recognition

Income is recognised in the statement of financial activities when the Mission is entitled to the income and the amount can be quantified with reasonable accuracy. The following specific policies are applied to particular categories of income:

- Voluntary income by way of church collections, covenants from members, supporters donations and their related gift aid is included when receivable. Unless capable of financial measurement, legacies are credited as income in the year in which they are receivable. Council has determined that it does not regard a legacy as receivable until probate has been granted in respect of the legatee's estate or that any outstanding amounts subject to approval of legatee's estate accounts can be quantified.
- Investment income is included on an accruals basis.

Expenditure recognition

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the Mission to making a payment to a third party. All expenditure is accounted for on an accruals basis and includes irrecoverable VAT:

- Investment management costs comprise investment manager fees based on the value of assets under management.
- Charitable expenditure comprises those costs incurred by the Mission in the delivery of its activities and services for its beneficiaries. Due to the activities undertaken by the Mission, it is considered impracticable to differentiate between direct and support costs.
- All costs are allocated between the expenditure categories of the statement of financial activities on a basis designed to reflect the use of the resource. Costs relating to a particular activity are related directly.

Pension costs

The Mission operated a defined contribution scheme for one of its employees. The assets are held in a separately administered fund. Costs are charged to the statement of financial activities in the period to which they relate.

THE ST GILES CHRISTIAN MISSION (Limited by Guarantee)

PRINCIPAL ACCOUNTING POLICIES

True and fair override disclosure and non-compliance with the SORP

Since 1973 the Trustees have not provided depreciation on freehold buildings and are taking advantage of the true and fair override, departing from the prescribed treatment in S17 of FRS 102 as applied to the SORP, which requires all tangible fixed assets to be depreciated over their estimated economic lives.

It is the Mission's policy to maintain high residual values and long useful economic lives of the freehold buildings used for its activities and as such, to apply a depreciation charge would be immaterial. The Mission operates a designated fund in respect of major repairs and renewals to its freehold buildings to ensure that they are regularly maintained. Designations applied to this fund are significantly in excess of an estimated annual depreciation charge of £3,000 if S17 of FRS 102 were to be applied. As shown in note 8, the designated fund now stands at £112,204 (2017: £96,152).

Depreciation of tangible fixed assets

All tangible fixed assets are included at cost and depreciation is provided at the following annual rates in order to write off each asset over its useful life:

Fixtures and fittings - 20% on cost
Computer equipment - 33 ⅓% on cost

No depreciation is provided on freehold buildings as noted above.

Sundry equipment purchases are written off in the statement of financial activities in the year of purchase, with the Mission capitalising items with a cost greater than £2,000.

Investments

Investments held as fixed assets are stated at market value less any provision for permanent diminution in value. Realised and unrealised gains and losses are taken to the statement of financial activities. Income from investments is included in the financial statements when the Mission is legally entitled to the income and the amount can be quantified with reasonable accuracy.

Debtors

Debtors are recognised at their settlement amount, less any provision for non-recoverability. Prepayments are valued at the amount prepaid.

Cash at bank and in hand

Cash at bank and in hand represents such financial statements and instruments that are available on demand, including amounts held in an income account held by the investment manager. Amounts held by the investment manager in a capital account are included as part of the investment portfolio.

Creditors and provisions

Creditors and provisions are recognised when there is an obligation at the balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Creditors and provisions are recognised at the amount the Mission anticipates it will pay to settle the debt.

Fund accounting

Unrestricted funds comprise accumulated surpluses and deficits on the general accumulated income fund. They are available for use at the discretion of the Council in furtherance of the general charitable objects of the Mission. As stated in note 8, the Mission operates a Building Maintenance fund as a designated fund, where annual designations are applied and to which the cost of major repairs and renewals are charged. Annual designations have increased by 5% per annum based on an initial level of £10,000.

Restricted funds are funds subject to specific restrictions by the donors.

Cash flow

These financial statements do not include a cash flow statement because the Mission is exempt from the requirement to prepare such a statement under the Charities SORP (FRS 102) Update Bulletin 1.

Taxation

The Mission is a registered charity and therefore is not liable for income tax or corporation tax on income derived from its charitable activities, as it falls within the various exemptions available to registered charities.

THE ST GILES CHRISTIAN MISSION (Limited by Guarantee)

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2018

1. Investment income

	2018 £	2017 £
Income from listed investments	42,644	52,477

	<u>64,146</u>	<u>65,601</u>

8. Building maintenance fund

The accumulated unrestricted funds of the Mission include the building maintenance fund, as a designated fund, which has been set aside by the Council for the specific purpose of maintaining its freehold properties.

	2018	2017
	£	£
Opening balance	96,152	65,442
New designations	32,245	30,710
Applications – major repairs and renewals work	(16,193)	-
Closing balance	<u>112,204</u>	<u>96,152</u>

9. Liability of members

The Mission is a charitable company limited by guarantee and has no share capital. As stated in the Memorandum and Articles of Association, the liability in respect of the guarantee is limited to £1 per member of the Mission during the time they are a member or within one year of ceasing to be a member. In the event of a winding up, any remaining funds of the Mission would revert to the Charity Commission.

10. Related party disclosures

Mr Q Ings-Chambers, a Council Member, is Deputy Head of Private Clients at Brown Advisory Limited, where the Mission's investment portfolio is managed by Mr Nicholas Andjel. The cost this service was provided on normal terms and the investment management fees charged are shown in the statement of financial activities on page 7.

The aggregate value of donations received from Trustees where no conditions have been placed on the donations received amounted to £15,200.
