(v) any contract, arrangement, transaction or other proposal concerning the adoption, modification or operation of a superannuation fund or retirement benefits scheme under which he may benefit and which either relates to both employees and Directors of the Company or has been approved by or is subject to and conditional upon approval by the Board of Inland Revenue for taxation purposes; and does not accord to any director as such any privilege or advantage not accorded to the employees to which such scheme or fund relates; and

(vi) any contract, arrangement, transaction or proposal concerning the adoption, modification or operation of any scheme for enabling employees including full time Executive Directors of the Company and/or any subsidiary to acquire shares of the Company or any arrangement for the benefit of employees of the Company or any of its subsidiaries under which the Director benefits in a similar manner to employees.

A. N.

(D) A Director shall not vote or be counted in the quorum on any resolution concerning his own appointment as the holder of any office or place of profit with the Company or any company in which the Company is interested including fixing or varying the terms of his appointment or the termination thereof.

(E) Where proposals are under consideration concerning the appointment (including fixing or varying the terms of appointment) of two or more Directors to offices or employments with the Company or any company in which the Company is interested, such proposals may be divided and considered in relation to each Director separately and in such cases each of the Directors concerned (if not debarred from voting under paragraph (C)(iv) of this Article) shall be entitled to vote (and be counted in the quorum) in respect of each resolution except that concerning his own appointment.

(F) If any question shall arise at any meeting as to the materiality of a Director's interest or as to the entitlement of any Director to vote and such question is not resolved by his voluntarily agreeing to abstain from voting, such question shall be referred to the Chairman of the meeting and his ruling in relation to any other Director shall be final and conclusive except in a case where the nature or extent of the interests of the Director concerned have not been fully disclosed.

by post.

133. The Company may remit any dividend by cheque, dividend warrant, or money order, to be sent by post to the Members, or in case of joint holders, to the Member whose name stands first in the register, and the Company shall not be responsible for any loss of any such cheque, warrant, or order. Every such cheque, warrant, or order, shall be made payable to the order of the person to whom it is sent, and the payment of the cheque, warrant, or order, if purporting to be duly endorsed, shall be a good discharge to the Company.

134. Any General Meeting declaring a dividend may direct payment of such dividend wholly or in part by the distribution of specific assets and in particular of paid-up shares, debentures or debenture-stock of the Company, or paid-up shares, debentures or debenture-stock of any other company or any General Meeting may direct a distribution of undistributed profits among the Members by applying the same in payment up in whole or in part of shares of the Company, and distributing the same among the Members, or in any one or more of such ways, but so that paid-up shares of the Company shall not for this purpose be treated as worth more than par, and the Directors shall give effect to any such direction, provided that no such distribution shall be made unless recommended by the Board. Where any difficulty arises in regard to the distribution, the Board may settle the same as they think expedient, and in particular may issue fractional certificates, and may fix the value for distribution of such specific assets or any part thereof, and may determine that cash payments may be made to any Members upon the footing of the value so fixed, in order to adjust the rights of all parties, and may vest any such specific assets in trustees upon trust for the persons entitled to the dividend as may seem expedient to the Board. When requisite a proper contract constituting the title of the allottee shall be filed in accordance with Section 88 of the Companies (Consolidation) Act, 1908, and the Directors may appoint any person to sign such contract on behalf of the persons entitled to the dividend, and such appointment shall be effective.

135. The Company in General Meeting may from time to time and at any time pass a resolution to the effect that it is desirable to capitalise any part of the undivided profits of the Company standing to the credit of any of the Company's reserve funds or to the credit of the profit and loss account, and that accordingly such sum be set free for distribution among the Members in accordance with their rights and interest in the profits or otherwise as may be agreed free of income tax on the footing that the same be not paid in cash but be applied in payment in full or in part of either ordinary or preference shares of the Company or both, and that such shares be distributed among the Members in accordance with their rights and interest in the profits or otherwise as aforesaid. When such resolution has been passed on any occasion the Directors may allot and issue the shares therein referred to credited as fully or partly paid up as the case may be to the Members according to their rights and interest in the profits or otherwise as aforesaid, with full power to make such provision by the issue of fractional certificates or otherwise as they think expedient for the case of fractions. Prior to such allotment the Directors may authorise any person on behalf of the Members entitled to receive such allotment to enter into an agreement with the Company providing for the allotment to them of such shares credited as fully or partly paid up, and any agreement made under any such authority shall be effective.
