**EMI Music Publishing Finance (UK) Limited**

Company Registration Number 06405600

**Strategic Report****Year ended 31 March 2021**

The Directors present the Strategic Report of EMI Music Publishing Finance (UK) Limited (the "Company") and its subsidiary undertakings (together the "Group") for the year ended 31 March 2021, detailing the main factors impacting upon the business during the year and a review of progress. The comparatives are for year ended 31 March 2020.

**Principal activities and business review**

The Company is a wholly owned subsidiary of EMI Music Publishing Group International B.V. and is part of the Sony Corporation Group. Sony Corporation is the ultimate parent undertaking.

The principal activity of the Company is that of a finance company. There has not been any change to the principal activity of the Company during the year ended 31 March 2021. Please refer to the future developments section below for details of the changes to the Company's trading activities.

The Company pays a proportion of costs recharged from other group companies in accordance with an internal cost share allocation agreement. The costs shared and borne by the company include salaries and wages, rent and overheads, which have been included in administrative expenses in the Statement of Comprehensive Income.

The principal activity of the Group continued to be that of music publishing. There has not been any change to the principal activity of the Group during the year ended 31 March 2021 or subsequently. The Directors do not anticipate any change to the principal activity of the Group during the next year.

As stated in the Consolidated Statement of Comprehensive Income on page 13 the Group made a profit before taxation of £37,268,000 in the year to 31 March 2021 compared with the previous year's profit before taxation of £75,985,000. Included in the profit before taxation in the year to 31 March 2021 is a foreign exchange gain of £1,719,000 (2020: £32,733,000) (see note 7).

In the Consolidated Balance Sheet shown on page 14, the net assets of the Group have increased by 9.3% on prior year to £355,379,000 (2020: £325,011,000).

**Future developments***The Group*

The Directors do not anticipate any significant changes to the Group activity in the foreseeable future.

*The Company*

Following the end of the financial year, the Directors of the Company have made a strategic decision to reduce the Company's trading activities and as a result, the company settled all the intercompany loan balances of £20,746,178. Therefore, the Company's principal activity will change from a finance company to that of a holding company in the Sony Corporation Group.

**Principal risks and uncertainties**

The principal risks and uncertainties facing the Company and Group concern the value of the European digital market for recorded music which has increased 7.4% in 2020 according to data from the IFPI. As physical sales and digital downloads have declined, digital subscription streaming services have subsidised this and fuelled the growth in the overall market. As this change from physical revenue to streaming occurs, we still remain dependent on identifying, signing and retaining talented songwriters whose new releases are well received and whose music will continue to generate revenues for years to come. Competition for such talent is intense and our financial results would be adversely affected if we fail to identify, sign and retain song writers.

External bodies such as MCPS and PRS, have a significant influence on some of our revenues. Mechanical and Performance rates as well as distribution rules are usually set by performing rights societies through board approval and as such may result in the setting of rates at levels lower than we would wish and may therefore adversely affect our ability to increase profitability.

The management of the business and the execution of the Group's strategy are subject to a number of risks.

The key business risks and uncertainties affecting the Group are considered to relate to competition from other music publishers and new entrants to the market, unlicensed DSP's and copyright infringement as well as the loss of existing high profile writers.

To mitigate the risk of Digital Service Providers remaining unlicensed and ongoing infringement of our owned and administered copyright piracy and illegal downloading, the Group is working closely with collection societies to help establish effective and efficient licences with on-line service providers.

**Financial risk management**

The Company's and Group's operations expose it to certain financial risks, primarily comprised of credit, liquidity and cash flow.

*Cash flow risk*

The Company and Group maintains large reserves of cash. The Company's and Group's cash is managed in accordance with the Sony Corporation's financial risk management policies. Short-term deposits with related parties represent overnight deposits with Sony Global Treasury Services PLC, which are swept back to the financial statements of the company as/when needed for cash management purposes. Interest is paid monthly on these deposits.

*Liquidity risk*

Credit checks performed on potential customers ensure the Company's and Group's current assets are sufficiently liquid to enable it to pay its bills and fund its current liabilities. The Company and Group have significant short term debtors, predominantly due from intercompany counterparties, which are repayable on demand.

*Recoverability of investments in subsidiaries*

The Company is a holding company so has a large portfolio of investments. In accordance with FRS 102.27 Impairment of Assets, if there are impairment indicators the carrying values of investments have been compared to their recoverable amounts, represented by their net realisable value, and impaired where appropriate.

*Credit risk*

The Company and Group have short term debtors. The risk that a debtor may fail to meet its repayment obligations is low because all of the debt is held and managed by the Sony Corporation group.

**Key performance indicators**

Key performance indicators ("KPIs") are designed to indicate how the Company and Group has performed on key ratios, and the Company and Group uses Net Publisher Share margin "NPS" (being royalty income less royalty expense) and operating margin as the key performance indicators which are most appropriate. These ratios are shown on page 2. The Directors are satisfied with the performance of the Group and Company against these KPIs throughout the financial year.

#### **Section 172 (1) Statement**

The Directors have a duty to promote the success of the Group which is a key consideration when determining the Group's strategy. The Directors ensure they have suitable access to information in order to allow them to make informed business decisions. The Directors consider whether they possess enough information regarding the stakeholder interests which are affected by their actions and the longer-term impact. In instances when the Directors do not have all the information relevant to make a decision, they recognise the importance of considering the expertise of others and care is taken to assess the source, quality and quantity of all information available.

The Directors continue to promote a culture which considers the interests of all stakeholders. The Directors need to manage the Group's business relationships with suppliers, customers, collection agencies and HM Revenue and Customs ("HMRC"). This includes engaging with external stakeholders that share the EMI Music Publishing Finance (UK) Limited's dedication to conducting business in a legal, ethical, and socially responsible manner, to deliver the best possible value for the Group and mitigate the risk to the Group.

The Directors work to ensure the Group maintains a high reputation for high standards of business conduct. The Group has a mandatory code of conduct along with annual certifications and compliance training for all employees. Areas covered include conflict of interest certifications, anti-bribery training and IT security training.

The Group also engages with local management teams in our overseas affiliates to monitor performance of its investments in those territories.

#### **Songwriters:**

Building and maintaining strong relationships with our songwriters is at the core of our business.

The board strive to help support our songwriters in new ways wherever possible, including the following recent developments:

- Sony Music Publishing's Songwriters Forward Program - an initiative paying through qualifying earnings to many of our long-standing writers, without regard to their recoupment status.
- Continually improving our Writer Royalty Portal offer so songwriters have full transparency over their earnings from every platform and territory, in real time. New features include the ability to drawdown accrued earnings, as part of the advance 'cash out' feature.

#### **Shareholders:**

The ultimate parent of the Group is Sony Corporation, a company listed in Japan. The board regularly communicated with Sony Corporation through various channels including:

- Monthly management reporting and regular updates to forecasts.
- Budget and Business Review meetings

#### **Suppliers, customers and collection agencies:**

The Group maintains high ethical and business standards in its dealings with all suppliers and customers.

The Group has maintained prompt contractual payments to all suppliers, and this has been maintained during Covid-19 to ensure our suppliers received payment in a timely manner.

Where appropriate, credit terms were extended for customers during Covid-19 to assist with their trading pressures.

We build and maintain strong relationships with our collection agencies to develop mutually beneficial and lasting partnerships. Engagement with our administrative partners is primarily through a series of interactions and formal reviews and we also host regular meetings to discuss shared goals and build relationships. Key areas of focus include innovation, administrative systems development, reporting timelines and any reporting issues.

**Section 172 (1) Statement (continued)**

**Social impact:**

Given music's ability to reach, engage and unite people, the board recognises the importance of the Group prioritising community outreach. This is done through various charities and initiatives, including through our Social Justice Fund.

**Environmental impact:**

The board is committed to reducing the impact of all its operations on the environment. Sony Group Corporation has a Global Environmental Management System in place and has set a goal of the Sony Group being carbon neutral by 2050. The directors ensure the Group plays its part in these actions and initiatives.

**Employees:**

The Group is committed to employment policies which follow best practice, based on equal opportunities for all employees irrespective of sex, race, national origin, religion, colour, disability, sexual orientation, age or marital status.

The Group provides employees with information on matters of concern to them, consulting them regularly, so that their views can be taken into account when making decisions that are likely to affect their interests.

*The Group encourages the involvement of employees by means of Group and team meetings and internal communications.*

**Director's Report****Year ended 31 March 2021**

---

The Directors present their annual report and audited consolidated financial statements for the year ended 31 March 2021. The comparatives are for the year ended 31 March 2020.

**Going concern**

The Group made a profit for the financial year of £30,368,000 (2020: £60,014,000 profit), had net current assets of £335,142,000 (2020: £304,670,000 net current assets) and net assets of £355,379,000 (2020: £325,011,000 net assets) at 31 March 2021.

The financial statements of the EMI Music Publishing Group have been prepared on the going concern basis.

In adopting the going concern basis for preparing these financial statements the Directors have carried out a review of the business and have assessed the forecast future performance and anticipated cashflows that are expected to arise.

In performing this assessment, the Directors have considered the Group's business activities, together with factors likely to affect its future development and performance, principal risks and uncertainties and ongoing cash requirements of the business, including the delayed profile of when cash is received from collection societies. These considerations included the strategic decision of the Directors of the Company to change the nature of the Company's activities from that of a finance company to that of a holding company within the Sony Corporation group, with the intent that all intercompany loan balances would be settled by 31 March 2022. The Directors have also considered the Group's access to financial resources after this change, including from cash and current assets across the period and its ability to meet its liabilities as they are expected to fall due. They have also considered the ability and commitment of Sony Corporation, the ultimate parent company, to provide ongoing financial support to the Group if required, given the significant amounts owed to group undertakings and the overall reliance on group-wide funding facilities.

In modeling the impact of severe but plausible downside risks, the Directors have considered the potential impacts arising from the decline in revenue streams that might arise should similar levels of restrictions come back into place as were experienced during the height of the COVID-19 pandemic.

After reviewing the Group's financial forecasts and expected working capital position as well as considering the potential downside risks described above and the ability and intent of Sony Corporation to provide financial support if required, the Directors are confident the Group has sufficient access to financial resources to continue as a going concern for at least 12 months from the date of signing these financial statements. For these reasons the Directors consider that it is appropriate to continue to adopt the going concern basis of accounting in preparing the Company's and Group's financial statements.

**Results and dividends**

The Group profit for the financial year amounted to £30,368,000 (2020: £60,014,000). The Directors have not recommended a dividend for the year (2020: £nil).

**Future developments**

Further details relating to the future developments of the Company and Group can be found in the Strategic Report on page 2.

**Financial risk management**

Further details relating to the financial risk management of the Company and Group can be found in the Strategic Report on page 3.

**Directors**

The Directors who served the Company during the year and up to the date of signing this report are listed on page 1.

**Qualifying third party indemnity provisions**

The Directors benefited from the qualifying third party indemnity provisions in place during the financial year and at the date of approval of the financial statements.

**Political contributions**

The Company made no political donations or incurred any political expenditure during the year (2020: £nil).

**EMI Music Publishing Finance (UK) Limited**

Company Registration Number 06405600

**Director's Report (continued)****Year ended 31 March 2021****Streamlined Energy and Carbon report (SECR)**

The Group seeks to conduct its business operations in a sustainable and environmentally friendly manner.

*This section of the strategic report discloses our operational energy and carbon footprint in line with the Streamlined Energy and Carbon Reporting guidelines.*

Our current premises are powered by 100% renewable, REGO certified energy providers and zero waste is sent to landfill.

The disclosures below reference the total estimated impacts arising in respect to the UK music publishing businesses, including the entity, given the nature in which these entities operate as there is no clear way of estimating the impacts of each entity on a standalone basis and therefore we feel it is appropriate to transparently disclose the full impacts.

No figures are disclosed for the prior year as these were disclosed in the financial statements of Columbia Pictures Corporation Limited as Columbia Pictures Corporation Limited had operational control of the building. Sony Music Publishing (UK) Limited (previously SM Publishing (UK) Limited had a sublease with Columbia Pictures Corporation Limited and the rental amount includes services and utilities. Sony Music Publishing UK Limited then recharge a percentage of these costs to EMI Music Publishing Finance (UK) Limited, Sony/ATV Music Publishing Europe Limited and Sony/ATV Music Publishing (UK) Limited.

**Methodology**

To comply with SECR, the Group has reported on all emissions sources required under The Group's (Directors' Report) and Limited Liability Partnerships (Energy and Carbon Report) Regulations 2018.

As we lease only part of the UK office space, our energy usage has been allocated by the landlord taking the total number of desks occupied by employees as a proportion of the total desks in the building, which is the single location from which the Group has operated from throughout the year. The total energy usage for the building has therefore been calculated by our landlord and then our energy usage has been allocated by taking the total number of desks occupied by our employees as a proportion of the total desks in the building. Based on our primary electricity emissions below we estimate that we produced 70,200kg CO2e or 198kg CO2e per £1m of revenue across the UK music publishing businesses.

**Engagement with suppliers, customers and others in a business relationship with the company**

In the Strategic report, within the Section 172 (1) Statement on page 4, The Directors have summarised how they have engaged with suppliers, customers and others in a business relationship.

**Disclosure of information to the auditors**

The Directors who held office at the date of approval of this Directors' Report confirm that, so far as they are each aware, there is no relevant audit information of which the Company's and the Group's auditors are unaware, and each Director has taken all steps that he or she ought to have taken as a Director in order to make himself or herself aware of any relevant audit information and to establish that the Company and the Group's auditors are aware of that information.

**Statement of Director's Responsibilities in respect of the Annual Report and the Financial Statements**

**Year ended 31 March 2021**

---

The Directors are responsible for preparing the Annual report and the financial statements in accordance with applicable law and regulations.

Company law requires the Directors to prepare financial statements for each financial year. Under that law they have elected to prepare the Group and Company financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards, comprising FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland", and applicable law).

Under company law the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Group and parent company and of the Group's profit or loss for that period. In preparing each of the Group and parent company financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable United Kingdom Accounting Standards, comprising FRS 102 have been followed, subject to any material departures disclosed and explained in the financial statements;
- make judgements and accounting estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Group and parent company will continue in business.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Group's and parent company's transactions and disclose with reasonable accuracy at any time the financial position of the Group and parent company and enable them to ensure that its financial statements comply with the Companies Act 2006. The directors are responsible for safeguarding the assets of the group and company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

# Independent auditors' report to the members of EMI Music Publishing Finance (UK) Limited

## Report on the audit of the financial statements

### Opinion

In our opinion, EMI Music Publishing Finance (UK) Limited's group financial statements and company financial statements (the "financial statements"):

- give a true and fair view of the state of the group's and of the company's affairs as at 31 March 2021 and of the group's profit and the group's cash flows for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards, comprising FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland", and applicable law); and
- have been prepared in accordance with the requirements of the Companies Act 2006.

We have audited the financial statements, included within the Annual Report, which comprise: the Consolidated Balance Sheet and Company Balance Sheet as at 31 March 2021; the Consolidated Statement of Comprehensive Income, the Consolidated Statement of Changes in Equity, the Company Statement of Changes in Equity and the Consolidated Cash Flow Statement for the year then ended; and the notes to the financial statements, which include a description of the significant accounting policies

### Basis for opinion

We conducted our audit in accordance with international Standards on Auditing (UK) ("ISAs (UK)") and applicable law. Our responsibilities under ISAs (UK) are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion

### Independence

We remained independent of the group in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, which includes the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

### Conclusions relating to going concern

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the group's and the company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

However, because not all future events or conditions can be predicted, this conclusion is not a guarantee as to the group's and the company's ability to continue as a going concern.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report

## Reporting on other information

The other information comprises all of the information in the Annual Report other than the financial statements and our auditors' report thereon. The directors are responsible for the other information. Our opinion on the financial statements does not cover the other information and, accordingly, we do not express an audit opinion or, except to the extent otherwise explicitly stated in this report, any form of assurance thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If we identify an apparent material inconsistency or material misstatement, we are required to perform procedures to conclude whether there is a material misstatement of the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report based on these responsibilities.

With respect to the Strategic report and Directors' report, we also considered whether the disclosures required by the UK Companies Act 2006 have been included.

Based on our work undertaken in the course of the audit, the Companies Act 2006 requires us also to report certain opinions and matters as described below.

### Strategic report and Directors' report

In our opinion, based on the work undertaken in the course of the audit, the information given in the Strategic report and Directors' report for the year ended 31 March 2021 is consistent with the financial statements and has been prepared in accordance with applicable legal requirements.

In light of the knowledge and understanding of the group and company and their environment obtained in the course of the audit, we did not identify any material misstatements in the Strategic report and Directors' report.

## Responsibilities for the financial statements and the audit

### Responsibilities of the directors for the financial statements

As explained more fully in the Statement of Director's Responsibilities in respect of the Annual Report and Financial Statements, the directors are responsible for the preparation of the financial statements in accordance with the applicable framework and for being satisfied that they give a true and fair view. The directors are also responsible for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the group's and the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the group or the company or to cease operations, or have no realistic alternative but to do so.

### Auditors' responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud, is detailed below.

Based on our understanding of the group and industry, we identified that the principal risks of non-compliance with laws and regulations related to the Companies Act 2006, UK tax legislation and non-compliance with employment regulations in the UK, and we considered the extent to which non-compliance might have a material effect on the financial statements. We evaluated management's incentives and opportunities for fraudulent manipulation of the financial statements (including the risk of override of controls), and determined that the principal risks were related to inappropriate journal entries in the underlying books and records and management bias in specific significant estimates. Audit procedures performed by the engagement team included:

- Inquiry with management in respect of potential non-compliance with laws and regulations
- Reviewing the financial statement disclosures and agreeing these disclosures back to supporting documentation
- Identifying and testing journal entries posted with unusual account combinations
- Designing audit procedures to incorporate unpredictability around the nature, timing or extent of our testing
- Challenging assumptions and judgements made by management in its significant accounting estimates that involved making assumptions and considering future events that are inherently uncertain

There are inherent limitations in the audit procedures described above. We are less likely to become aware of instances of non-compliance with laws and regulations that are not closely related to events and transactions reflected in the financial statements. Also, the risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, forgery or intentional misrepresentations or through collusion.

A further description of our responsibilities for the audit of the financial statements is located on the FRC's website at: [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our auditors' report.

#### Use of this report

This report, including the opinions, has been prepared for and only for the company's members as a body in accordance with Chapter 3 of Part 16 of the Companies Act 2006 and for no other purpose. We do not, in giving these opinions, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

## Other required reporting

### Companies Act 2006 exception reporting

Under the Companies Act 2006 we are required to report to you if, in our opinion:

- we have not obtained all the information and explanations we require for our audit; or
- adequate accounting records have not been kept by the company, or returns adequate for our audit have not been received from branches not visited by us; or
- certain disclosures of directors' remuneration specified by law are not made; or
- the company financial statements are not in agreement with the accounting records and returns

We have no exceptions to report arising from this responsibility.

**Notes to the Financial Statements****Year ended 31 March 2021****1 Accounting policies**

EMI Music Publishing Finance (UK) Limited ("the Company") is a private company limited by shares, incorporated, domiciled and registered in England and Wales in the United Kingdom. The registered number is 06405600 and the registered address is 22 Berners Street, London, W1T 3LP.

These Group and company financial statements were prepared in accordance with Financial Reporting Standard 102 The Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland ("FRS 102"). The presentation currency of these financial statements is sterling. All amounts in the financial statements have been rounded to the nearest £1,000.

The parent company is included in the consolidated financial statements, and is considered to be a qualifying entity under FRS 102 paragraphs 1.8. to 1.12. The following exemptions available under FRS 102 in respect of certain disclosures for the parent company financial statements have been applied:

- No separate parent company Cash Flow Statement with related notes is included;
- Key Management Personnel compensation has not been included; and
- Certain disclosures required by FRS 102.11 Basic Financial Instruments and FRS 102.12 Other Financial Instrument Issues in respect of financial instruments not falling within the fair value accounting rules of Paragraph 36(4) of Schedule 1.

The accounting policies set out below have, unless otherwise stated, been applied consistently to all periods presented in these financial statements.

Judgements made by the directors, in the application of these accounting policies that have significant effect on the financial statements and estimates with a significant risk of material adjustment in the next year are discussed in note 2.

**Basis of preparation**

These financial statements are prepared under the historical cost convention and in accordance with the Companies Act 2006 and applicable accounting standards in the United Kingdom.

**Going concern**

The Group made a profit for the financial year of £30,368,000 (2020: £60,014,000 profit), had net current assets of £335,142,000 (2020: £304,670,000 net current assets) and net assets of £355,379,000 (2020: £325,011,000 net assets) at 31 March 2021.

The financial statements of the EMI Music Publishing Group have been prepared on the going concern basis.

In adopting the going concern basis for preparing these financial statements the Directors have carried out a review of the business and have assessed the forecast future performance and anticipated cashflows that are expected to arise.

In performing this assessment, the Directors have considered the Group's business activities, together with factors likely to affect its future development and performance, principal risks and uncertainties and ongoing cash requirements of the business, including the delayed profile of when cash is received from collection societies. These considerations included the strategic decision of the Directors of the Company to change the nature of the Company's activities from that of a finance company to that of a holding company within the Sony Corporation group, with the intent that all intercompany loan balances would be settled by 31 March 2022. The Directors have also considered the Group's access to financial resources after this change, including from cash and current assets across the period and its ability to meet its liabilities as they are expected to fall due. They have also considered the ability and commitment of Sony Corporation, the ultimate parent company, to provide ongoing financial support to the Group if required, given the significant amounts owed to group undertakings and the overall reliance on group-wide funding facilities.

In modeling the impact of severe but plausible downside risks, the Directors have considered the potential impacts arising from the decline in revenue streams that might arise should similar levels of restrictions come back into place as were experienced during the height of the COVID-19 pandemic.

**EMI Music Publishing Finance (UK) Limited**

Company Registration Number 06405600

**Notes to the Financial Statements (continued)****Year ended 31 March 2021****1 Accounting policies (continued)**

After reviewing the Group's financial forecasts and expected working capital position as well as considering the potential downside risks described above and the ability and intent of Sony Corporation to provide financial support if required, the Directors are confident the Group has sufficient access to financial resources to continue as a going concern for at least 12 months from the date of signing these financial statements. For these reasons the Directors consider that it is appropriate to continue to adopt the going concern basis of accounting in preparing the Company's and Group's financial statements.

**Basis of consolidation**

The consolidated financial statements include the financial statements of the Company and its subsidiary undertakings made up to 31 March 2021.

A subsidiary is an entity that is controlled by the parent. The results of subsidiary undertakings are included in the Consolidated Statement of Comprehensive Income from the date that control commences until the date that control ceases. Control is established when the Company has the power to govern the operating and financial policies of an entity so as to obtain benefits from its activities. In assessing control, the Group takes into consideration potential voting rights that are currently exercisable.

An associate is an entity in which the Group has significant influence, but not control, over the operating and financial policies of the entity. Significant influence is presumed to exist when the investors holds between 20% and 50% of the equity voting rights.

A joint venture is a contractual arrangement undertaking in which the Group exercises joint control over the operating and financial policies of the entity. Where the joint venture is carried out through an entity, it is treated as a jointly controlled entity. The Group's share of the profits less losses of associates and of jointly controlled entities is included in the Consolidated Profit and Loss Account and its interest in their net assets is recorded on the Balance Sheet using the equity method.

Under Section 408 of the Companies Act 2006 the Company is exempt from the requirement to present its own Profit and Loss Account. The profit for the year was £409,955,000 (2020: £21,398,000 profit).

In the parent financial statements, investments in subsidiaries, jointly controlled entities and associates are carried at cost less impairment.

**Related party transactions**

The Company is exempt under the terms of FRS 102.33 Related Party Disclosures from disclosing related party transactions with entities that are part of the Sony Corporation group or investees of the Sony Corporation Group provided that any subsidiary which is party to the transaction is wholly owned by the Group.

**Classification of financial instruments issued by the Group**

In accordance with FRS 102.22, financial instruments issued by the Group are treated as equity only to the extent that they meet the following two conditions:

- they include no contractual obligations upon the Group to deliver cash or other financial assets or to exchange financial assets or financial liabilities with another party under conditions that are potentially unfavourable to the Group; and
- where the instrument will or may be settled in the entity's own equity instruments, it is either a non-derivative that includes no obligation to deliver a variable number of the entity's own equity instruments or is a derivative that will be settled by the entity exchanging a fixed amount of cash or other financial assets for a fixed number of its own equity instruments.

To the extent that this definition is not met, the proceeds of issue are classified as a financial liability. Where the instrument so classified takes the legal form of the entity's own shares, the amounts presented in these financial statements for called up share capital and share premium account exclude amounts in relation to those shares.

**1 Accounting policies (continued)****Financial instruments**

The company has adopted sections 11 and 12 of FRS 102 in respect of financial instruments.

**Financial assets**

Basic financial assets, including trade debtors, cash and bank balances and amounts owed by group undertakings, are initially recognised at transaction price, unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rates of interest. Such assets are subsequently carried at amortised cost using the effective interest method. At the end of each reporting period financial assets measured at amortised cost are assessed for objective evidence of impairment. If an asset is impaired the impairment loss is the difference between the carrying amount and the present value of the estimated cash flows discounted at the asset's original effective interest rate. The impairment is recognised in profit or loss.

Financial assets are derecognised when (a) the contractual rights to the cash flows from the assets expire or are settled, or (b) substantially all the risk and rewards of the ownership of the asset are transferred to another party or (c) control of the asset has been transferred to another party who has the practical ability to unilaterally sell the asset to an unrelated third party without imposing additional restrictions.

**Financial liabilities**

Basic financial liabilities, including trade and other creditors and amounts owed to group undertakings are initially recognised at transaction price, unless the arrangement constitutes a financing transaction, where the debt instrument is measured at a present value of the future receipts discounted at a market rate of interest. Debt instruments are subsequently carried at amortised cost, using the effective interest rate method. Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Accounts payable are classified as current liabilities if the company does not have an unconditional right, at the end of the reporting period, to defer settlement of the creditor for at least twelve months after the reporting date. If there is an unconditional right to defer settlement for at least twelve months after the reporting date, they are presented as non-current liabilities. Trade creditors are recognised initially at the transaction price and subsequently measured at amortised cost using the effective interest method.

**Trade and other debtors/creditors**

Trade and other debtors are recognised initially at transaction price less attributable transaction costs. Trade and other creditors are recognised initially at transaction price plus attributable transaction costs. Subsequent to initial recognition they are measured at amortised cost using the effective interest method, less any impairment losses in the case of trade debtors. If the arrangement constitutes a financing transaction, for example if payment is deferred beyond normal business terms, then it is measured at the present value of future payments discounted at a market rate of instrument for a similar debt instrument.

**Interest-bearing borrowings classified as basic financial instruments**

Interest-bearing borrowings are recognised initially at the present value of future payments discounted at a market rate of interest. Subsequent to initial recognition, interest-bearing borrowings are stated at amortised cost using the effective interest method, less any impairment losses.

**Investments**

Investments in subsidiaries, jointly controlled entities and associates are carried at cost less impairment.

**Cash and cash equivalents**

Cash and cash equivalents comprise cash balances and call deposits. Bank overdrafts that are repayable on demand and form an integral part of the Company's cash management are included as a component of cash and cash equivalents for the purpose only of the cash flow statement.

**EMI Music Publishing Finance (UK) Limited**

Company Registration Number 06405600

**Notes to the Financial Statements (continued)****Year ended 31 March 2021****1 Accounting policies (continued)****Intangible assets**

Copyrights that are acquired by the Group are stated at cost less accumulated amortisation and accumulated impairment losses.

**Amortisation**

Amortisation is charged to the Statement of Comprehensive Income on a straight-line basis over the purchased rights in copyrights with reference to the licence period or estimated periods that the Company intends to derive future economic benefits from the use of the assets. Intangible assets are amortised from the date they are available for use. The estimated useful lives are as follows:

- Copyrights 5 - 20 years

The Company reviews the amortisation period and method at least annually and where events and circumstances indicate that the useful life may have changed since the last reporting date these are amended. Periodic review could potentially result in a change in amortisable lives and residual values and therefore, amortisation expenses in the future periods.

Intangible assets are tested for impairment in accordance with section 27 Impairment of assets, when there is an indication that an intangible asset may be impaired.

**Tangible fixed assets**

Tangible fixed assets are stated at cost less accumulated depreciation and accumulated impairment losses.

The Company assesses at each reporting date whether tangible fixed assets are impaired.

**Depreciation**

Depreciation is charged to the Profit and Loss Account on a straight-line basis over the estimated useful lives at each tangible fixed asset.

The estimated useful lives are as follows:

- Computer equipment software 5 years
- Office machinery, furniture and fittings 5-10 years
- Fixtures and fittings 5-10 years

Depreciation methods, useful lives and residual values are reviewed if there is an indication of a significant change since last annual reporting date in the pattern by which the Company expects to consume an asset's future economic benefits.

**Impairment***Financial assets (including trade and other debtors)*

A financial asset not carried at fair value through profit or loss is assessed at each reporting date to determine whether there is objective evidence that it is impaired. A financial asset is impaired if objective evidence indicates that a loss event has occurred after the initial recognition of the asset, and that the loss event had a negative effect on the estimated future cash flows of that asset that can be estimated reliably.

An impairment loss in respect of a financial asset measured at amortised cost is calculated as the difference between its carrying amount and the present value of the estimated future cash flows discounted at the asset's original effective interest rate. For financial instruments measured at cost less impairment an impairment is calculated as the difference between its carrying amount and the best estimate of the amount that the Company would receive for the asset if it were to be sold at the reporting date. Interest on the impaired asset continues to be recognised through the unwinding of the discount. Impairment losses are recognised in profit or loss. When a subsequent event causes the amount of impairment loss to decrease, the decrease in impairment loss is reversed through profit or loss.

**EMI Music Publishing Finance (UK) Limited**

Company Registration Number 06405600

**Notes to the Financial Statements (continued)****Year ended 31 March 2021****1 Accounting policies (continued)***Non-financial assets*

The carrying amounts of the Company's non-financial assets other than deferred tax assets, are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated. The recoverable amount of an asset is the greater of its value in use and its fair value less costs to sell. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. For the purpose of impairment testing, assets that cannot be tested individually are grouped together into the smallest group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows of other assets or groups of assets (the "cash-generating unit"). An impairment loss is recognised if the carrying amount of an asset exceeds its estimated recoverable amount. Impairment losses are recognised in profit or loss.

**Employee benefits***Defined contribution plans and other long term employee benefits*

A defined contribution plan is a post-employment benefit plan under which the Company pays fixed contributions into a separate entity and will have no legal or constructive obligation to pay further amounts. Obligations for contributions to defined contribution pension plans are recognised as an expense in the Profit and Loss Account in the periods during which services are rendered by employees.

**Turnover**

The Group's turnover is wholly attributable to its principal activity and the directors do not believe that any part of the Group's worldwide market is significantly different from any other.

Turnover consists of income from copyrights and is recorded when reported to the Group by the relevant source, or when the Company reasonably estimates that the income has been earned from a relevant source. The Group's Cash to accrual represents accrued royalty income which relates to the current financial year. The accrued income is based on royalty income that is received post year but performance obligations related to the year ended 31 March 2021. Turnover is stated after deducting all sales commissions and any sales related taxes levied on turnover.

**Taxation**

Tax on the profit or loss for the year comprises current and deferred tax. Tax is recognised in the Profit and Loss Account except to the extent that it relates to items recognised directly in Equity or Other Comprehensive Income, in which case it is recognised directly in Equity or Other Comprehensive Income.

Current tax is the expected tax payable or receivable on the taxable income or loss for the year, using tax rates enacted or substantively enacted at the Balance Sheet date, and any adjustment to tax payable in respect of previous years.

Deferred tax is provided on timing differences which arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in the financial statements. The following timing differences are not provided for:

- differences between accumulated depreciation and tax allowances for the cost of a fixed asset if and when all conditions for retaining the tax allowances have been met; and
- differences relating to investments in subsidiaries associates and joint ventures, to the extent that it is not probable that they will reverse in the foreseeable future and the reporting entity is able to control the reversal of the timing difference.

Deferred tax is not recognised on permanent differences arising because certain types of income or expense are non-taxable or are disallowable for tax or because certain tax charges or allowances are greater or smaller than the corresponding income or expense.

Deferred tax is measured at the tax rate that is expected to apply to the reversal of the related difference, using tax rates enacted or substantively enacted at the Balance Sheet date. Deferred tax balances are not discounted.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

**1 Accounting policies (continued)****Foreign currencies**

Transactions in foreign currencies are translated to the Group Companies' functional currency at the foreign exchange rate ruling at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies at the Balance Sheet date are retranslated to the functional currency at the foreign exchange rate ruling at that date. Non-monetary assets and liabilities that are measured in terms of historical cost in a foreign currency are translated using the exchange rate at the date of the transaction. Non-monetary assets and liabilities denominated in foreign currencies that are stated at fair value are retranslated to the functional currency at foreign exchange rates ruling at the dates the fair value was determined. Foreign exchange differences arising on translation are recognised in the Profit and Loss Account.

**Expenses***Interest receivable and Interest payable*

Interest payable and similar expenses include interest payable and net foreign exchange losses that are recognised in the Profit and Loss Account (see foreign currency accounting policy).

Other interest receivable and similar income include interest receivable on funds invested and net foreign exchange gains.

Interest income and interest payable are recognised in profit or loss as they accrue, using the effective interest method. Foreign currency gains or losses are reported on a net basis.

**Royalty advances**

Royalties due to a composer are credited against the outstanding advance in the year of receipt until the amount of the advance is extinguished. If it is thought that future earnings will not amount to the written-value of an advance, a provision for the estimated shortfall will be raised. Advances are included in prepayments as recoverable within one year, on the basis the advance could theoretically be fully recouped in the following year and the exact aging profile is unknown.

**EMI Music Publishing Finance (UK) Limited**

Company Registration Number 06405600

**Notes to the Financial Statements (continued)****Year ended 31 March 2021****2 Accounting estimates and judgements**

The Group and Company makes estimates and judgements concerning the future. The resulting accounting estimates will, by definition, seldom equal the related actual results. The estimates and judgements that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are addressed below.

*Impairment of investments in subsidiaries and non-financial assets*

The Company conducts impairment reviews of investments in subsidiaries and non-financial assets whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable or tests for impairment annually in accordance with the relevant accounting standards. Determining whether an asset is impaired requires an estimation of the recoverable amount, which requires the Company to estimate the value in use which is based on future cash flows, and a suitable discount rate in order to calculate the present value. Where the estimated future cash flows are less than the carrying value of the investment, an impairment loss would arise. Management believe that any reasonable possible changes in the assumptions used in the impairment reviews would not affect management's view on impairment at current year end. Refer Note 12.

*Accrued royalties*

The Company uses estimates to calculate writer royalties in respect of revenue that has not yet been processed. This is estimated based on historical actual rates. Refer Note 15.

*Recoverability of writer advances*

A provision is recognised against an advance made to a writer where the expected future earnings of the associated works of that writer do not support the net value of the advance. Advances to writers who are deemed to be unproven at the time of the advance are fully provided for at that time. A further review of the recoverability of unproven and proven writers is undertaken at the end of the period, and an additional adjustment to the provision may be made at this point. The movement in this provision expensed to the Profit and Loss Account in the year was £2,872k (2020: £2,815k). Refer Note 15.

*Cash to accrual*

The Group's Cash to accrual represents accrued royalty income which relates to the current financial year. The accrued income is based on royalty income that is received post year but where performance obligations related to the year ended 31 March 2021. An associated royalty expense due to writers is also estimated and accrued based on actual royalty rates previously incurred. Refer Note 15.

*Amortisation and impairment of intangible assets*

The Group determines the estimated useful lives, residual values and related amortisation charges for its purchased rights in copyrights with reference to their licence periods or estimated periods that the Group intends to derive future economic benefits from the use of these assets. Management will revise the amortisation charge where useful lives or residual values are materially different from those previously estimated and recognise impairments where the carrying value of the intangible assets is no longer believed to be recoverable. Actual economic lives may differ from estimated useful lives and actual residual values may differ from estimated residual values. Periodic review could potentially result in a change in amortisable lives, residual values and recoverable amounts of intangible assets and therefore significantly different amortisation expenses or impairments could arise in the future periods. Refer Note 10.

**Unrecognised deferred tax asset**

At the Balance Sheet date the Group had an unrecognised deferred tax asset of £88,188 (2020: £nil) in relation to tax deductions as a result of excess interest deductions and capital allowances available for offset against future profits.

**Factors affecting future tax charge**

The standard rate of tax applied to reported profit on ordinary activities is 19% (2020: 19%). The March 2020 Budget announced that a rate of 19% would continue to apply with effect from 1 April 2020, and this change was substantively enacted on 17 March 2020. In the Spring Budget in 2021, the Government announced that from 1 April 2023 the corporation tax rate will increase to 25%. Since, the proposal to increase the rate at 25% had not been substantively enacted at the balance sheet date, its effects are not included in these financial statements.
