STRATEGIC REPORT

FOR THE YEAR ENDED 31 MARCH 2015

The directors present the strategic report and financial statements for the year ended 31 March 2015.

Review of the business

Tekzone Sound and Vision Limited performed well in the year to 31 March 2015 with total turnover increasing by 13% to £15,170,096 (2014 - £13,450,200). This increase is due to a full year of turnover from the Fenwick's store in Newcastle and an increase in product sales of network audio, IT and TV equipment. The gross profit margin of the company has slightly increased to 26% from 25% in 2014 due to an increase in sales of higher margin products and an increase in marketing support from a number of suppliers.

The company largely operates on a concession basis in major department stores and, as well as providing exemplary services to its customers, it must be seen to be at the cutting edge of technology with "best in class" departments.

The principal risk and uncertainty facing the company is ensuring that it keeps up to date with the constant developments and technological advances in the products which the company sells. In order to reduce this risk the management of the company are constantly updated with knowledge of the newest technology and latest models that the company's suppliers provide. In light of this risk, management closely monitor the levels of stock which the company holds.

The company has a number of key performance indicators including;

- · Individual sales person's turnover and retained margin
- Stock holding and turn by each product's category
- · Customer highlights

There are considered to be no matters concerning financial risk which are material to the assessment of the assets, liabilities, financial position and profit or loss of the company.

Statement of directors' responsibilities

The directors are responsible for preparing the Strategic Report, Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF TEKZONE SOUND AND VISION LIMITED

We have audited the financial statements of Tekzone Sound And Vision Limited for the year ended 31 March 2015 set out on pages 6 to 18. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditors

As explained more fully in the Directors' Responsibilities Statement set out on pages 2 - 3, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the directors; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Annual Report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 March 2015 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice: and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Strategic Report and Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

INDEPENDENT AUDITORS' REPORT (CONTINUED)

- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

1.4 Leasing and hire purchase commitments

Assets obtained under hire purchase contracts and finance leases are capitalised as tangible assets and depreciated over the shorter of the lease term and their useful lives. Obligations under such agreements are included in creditors net of the finance charge allocated to future periods. The finance element of the rental payment is charged to the profit and loss account so as to produce a constant periodic rate of charge on the net obligation outstanding in each period.
