Progress of the liquidations

Book debts

Debtor collections have continued via Moreton Smith Receivables Limited and Shoosmiths LLP, with book debt recoveries in the period of £1,584 in HSPG, £80,137 in PPX Europe, £5,191 in RHG, £292 in RHUK and £4,129 in TPC.

Intercompany claims / Estimated future realisations

As previously reported, negotiations and discussions with the Dutch administrators of PPX NL Holdings reached a successful resolution in respect of the dispute regarding ownership of debtors' monies which was found in our favour.

We also assisted the Dutch administrators with information requests to substantiate the claims of the PaperlinX UK companies and anticipate further small distributions in due course in PPX Treasury, HSPG, PPX Europe and RHG. Upon receipt of these funds a third and final distribution to unsecured creditors of the Companies will be made but the timing and quantum of these distributions is not yet known.

Dividend distributions

On 7 February 2020, a notice of intended dividend for the second distribution was issued to creditors, requesting claims were submitted by the last date for proving, being 6 March 2020.

In the intervening period a number of additional creditors claims were received in TPC, HSPG, HSP and PPX Europe.

A second interim distribution was subsequently declared on 6 May 2020.

Please refer to pages 29 to 31 for further details

Please note the above table has been updated in the current period to take into account top up dividends paid. A number of duplicate entries have been identified and corrected which reduces the overall amount previously disclosed as paid across the distributing entities. The above figures therefore represent the actual distributions paid, including the value of unclaimed dividends paid to the Insolvency Service, as shown in the respective receipts and payments accounts.

Second interim distribution, May 2020

On 7 February 2020, a notice of intended dividend for the second distribution was issued to creditors, requesting claims were submitted by the last date for proving, being 6 March 2020.

A second interim unsecured dividend was declared on 6 May 2020 for which it is anticipated payment will be issued by the end of June 2020.

Further information relating to this dividend payment will be reflected in future reports.

Estimated future outcome

We anticipate there will be a third and final dividend to unsecured creditors. The exact timing and quantum of this dividend to unsecured creditors is not yet known and is dependent on the receipt of a final dividend from PPX NL Holdings.

Given the level of realisations and costs in Pinnacle Film and Board Sales Limited, Precision Publishing Papers Limited, Sheet and Roll Convertors Limited and Trade Paper Limited, we do not expect that there will be sufficient funds to make a distribution in these entities and we may seek to close these cases shortly.

Information for creditors

Outcome (cont.)

Claims process – creditors with debts of £1,000 or less

You do not need to prove your debt for dividend purposes if the amount you are owed is £1,000 or less, unless you wish to vote in any decision procedure in which case proof of claim must be given.

We will notify you if funds become available for dividend purposes. Your claim will be admitted in the amount shown in the Companies' records/statement of affairs. If you disagree with that amount you will be provided with an opportunity to notify us of the correct amount.

Claims process – creditors with debts of more than £1,000

Unsecured creditors with claims of more than £1,000 are invited to submit their claims to us by completing a proof of debt form which is available on the liquidation website and which should be sent to the address on page 5, marked for the attention of Wendy Packwood.
